**MINUTES OF THE ADJOURNED REGULAR MEETING/STUDY SESSION**
**PASO ROBLES CITY COUNCIL**
**OCTOBER 9, 1991**

The City Council of the City of El Paso de Robles, meeting in adjourned regular session at 7:30 p.m. in the City Council Chambers, 1030 Spring Street, Paso Robles, California, was called to order by Mayor Chris Iversen with the following Councilmembers answering roll call: Picanco, Martin, Reneau and Iversen, Councilman Russell being absent.

1. San Luis Obispo County Engineer Clint Milne presented an update of the State Water Project and the proposed Nacimiento Water Plan with particular emphasis on their impact on the North County . He stated that the State Water Project would cost Paso Robles approximately $500 per acre foot. The County is asking for amounts of water that interested parties want from the Nacimiento project. The County will be doing all preliminary engineering work and is currently out for proposals.

After Mr. Milne's presentation, it was the consensus of the City Council that the City should request 4,000 acre feet of water from the Nacimiento project.

2. The Council then moved to adjourn to a closed session per Government Code Section 54957 - Personnel and 54956.8 - Real Property Negotiation. At the closed session, there was no official action taken, and the closed session was adjourned to the adjourned regular meeting.

3. There being no further business, the meeting was adjourned to the adjourned regular meeting on October 23, 1991 at 7:30 p.m.
