Mr. Peruszzi,

NCA North County Aquatics is formally requesting authorization to operate the 1999 Mid State Fair Pioneer Park parking lot concession. As you know, we have coordinated this fundraiser for several years now. Working the fair parking lot is our organizations largest single fund raising event, enabling NCA to continue offering quality swimming programs to north county youth. We appreciate this opportunity that the city has provided.

In 1999 we will continue our practice of sharing the parking lot revenues with the Paso Robles Youth Football and the Paso Robles Little League Baseball based on hours worked. We will be meeting with these organizations in the spring to coordinate their participation. Additionally, we will continue to support the Pioneer Museum with a substantial donation to compensate them for their cooperation and inconvenience.

Thank you for consideration of this request.

Cordially,
