

TO: JAMES L. APP, CITY MANAGER  
 FROM: JOHN R. McCARTHY, DIRECTOR OF PUBLIC WORKS  
 SUBJECT: PUBLIC HEARING FOR ANNUAL LEVY REPORT; ADOPT RESOLUTION APPROVING FINAL LEVY; AND ADOPT RESOLUTION ORDERING LEVY AND COLLECTION OF ASSESSMENTS FOR LANDSCAPE AND LIGHTING DISTRICT No. 1 FOR FISCAL YEAR 1999-2000  
 DATE: JUNE 15, 1999

**Needs:** For the City Council to hold a public hearing and confirm the assessments for the Paso Robles Landscape and Lighting District No. 1 for the 1999-2000 fiscal year.

- Facts:**
1. The City Council has previously adopted Resolution No. 99-83 declaring the City's intention to levy fiscal year 99-00 assessments for the District.
  2. Resolution No. 99-83 and State law require a public hearing be held.
  3. The City Council is required to hear testimony at this meeting, tabulate the ballots for the new sub-area assessments and finalize the 1999-2000 assessments for the District.
  4. The Council will make the final decision on the levy after the tabulations of the ballots at close of this public hearing.

**Analysis and Conclusion:**

The assessments for the 1999-2000 fiscal year have been developed for each of the sub-areas. The levy report has been available to the public. Landscape costs are based on the contract price for District maintenance. Assessments for 26 sub-areas remain the same or are lower than last year. Eight new subareas were added to the district and the assessment for those areas was required to be voted upon by the property owners. Ballots were given to the property owners to vote on the assessment. Seven ballots have been received at the time this report was prepared.

Subarea	Description	Property Owner	Vote
36	Tract 1895-1	Oak Knolls Estates	Yes
38	PR 98-008	Arciero	Yes
39	PR 98-009	Arciero	Yes
41	PR 97-138	Pippen	NR*
42	Tract 2214-1	Orradre	Yes
44	Tract 2186	Viborg	Yes
45	Tract 1771-1	Burke-Ellsworth	Yes
2	Tract 1632-6	Priske-Jones	Yes

\*Ballot not received at time of this report

Subarea 41, PR 97-138 has not yet returned the ballot. If no response is received and the property owner does not vote on the assessment, the assessment will be considered to be uncontested and this area will be assessed.

**Policy Reference:** Resolution No. 89-89, forming the Paso Robles Lighting and Landscape District No. 1, and Prop. 218.

**Fiscal  
Impact:**

Assessments will generate approximately \$184,969.00 that will be used to fund obligations of the District for landscaping and lighting maintenance.

**Options:**

- A. For the City Council to hear and receive input from the public on the annual levy of the Landscape and Lighting District, tabulate the ballots for the new sub-areas, and approve the attached resolutions approving and ordering the assessment.
- B. Amend, modify or reject the above option.

RESOLUTION No. \_\_\_\_\_

RESOLUTION OF THE CITY COUNCIL  
OF THE CITY OF EL PASO DE ROBLES  
AMENDING AND/OR APPROVING THE FINAL ANNUAL LEVY REPORT  
FOR THE EL PASO DE ROBLES LANDSCAPE AND LIGHTING  
MAINTENANCE DISTRICT NO. 1, FISCAL YEAR 1999-2000

---

**WHEREAS**, The City Council has, by previous Resolutions, ordered the preparation of the Engineer's Annual Levy Report (hereafter referred to as the "Report") for said district known and designated as: El Paso De Robles Landscape and Lighting Assessment District No. 1, (hereafter referred to as "District") pursuant to the provisions of *Landscaping and Lighting Act of 1972, Part 2 of Division 15 of the Streets and Highways Code of California, beginning with Section 22500* (hereafter referred to as the "Act"); and

**WHEREAS**, there has now been presented to this City Council the "Final Engineer's Annual Levy Report" as required by *Chapter 3, Section 22623* of said Act, and as previously directed by Resolution; and

**WHEREAS**, the District and the associated assessments are in compliance with the provisions of California Constitution Articles XIIC and XIID, and

**WHEREAS**, this City Council has carefully examined and reviewed the Report as presented (or amended), and is satisfied with each and all of the items and documents as set forth therein, and is satisfied that the levy has been spread in accordance with the benefits received from the improvements, operation, maintenance and services to be performed, as set forth in said Report; and

**NOW, THEREFORE, BE IT RESOLVED, DETERMINED, AND ORDERED BY THE CITY COUNCIL FOR THE DISTRICT, AS FOLLOWS:**

Section 1. That the above recitals are all true and correct.

Section 2. That the Report presented, as amended, is hereby approved and is ordered to be filed in the Office of the City Clerk as a permanent record and to remain open to public inspection.

Section 3. That the City Clerk shall certify to the passage and adoption of this Resolution, and the minutes of this meeting shall so reflect the presentation of and final approval of the Report.

**PASSED AND ADOPTED** by the City Council of the City of Paso Robles, this 15<sup>th</sup> day of **June, 1999**, on the following vote:

**A RESOLUTION OF THE CITY COUNCIL  
OF THE CITY OF EL PASO DE ROBLES  
ORDERING THE LEVY AND COLLECTION OF ASSESSMENTS WITHIN  
THE EL PASO DE ROBLES LANDSCAPE AND LIGHTING  
MAINTENANCE DISTRICT NO. 1 FOR FISCAL YEAR 1999/2000**

---

**WHEREAS**, the City Council has by previous Resolutions initiated proceedings, declared its intention to levy assessments, and approved the Final Engineer's Annual Levy Report (hereafter referred to as the "Report") that describes the assessments against parcels of land within the El Paso De Robles Landscape and Lighting Assessment District No. 1 (hereafter referred to as "District") for the Fiscal Year commencing July 1, 1998 and ending June 30, 1999 pursuant to the provisions of the *Landscaping and Lighting Act of 1972, Part 2 of Division 15 of the California Streets and Highways Code, commencing with Section 22500* (hereafter referred to as the "Act") to pay the costs and expenses of operating, maintaining and servicing landscaping, lighting and appurtenant facilities located within the District and Sub Areas; and

**WHEREAS**, the Engineer selected by the Council has prepared and filed with the City Clerk, and the City Clerk has presented to the Council, a Report in connection with the proposed levy and collection of assessments upon eligible parcels of land within District, and the Council did by previous Resolution approve such Report; and

**WHEREAS**, the City Council desires to levy and collect assessments against parcels of land within the District for the Fiscal Year commencing July 1, 1999 and ending June 30, 2000, to pay the costs and expenses of operating, maintaining and servicing landscaping, lighting and appurtenant facilities located within public places in the City; and

**WHEREAS**, this City and its legal counsel have found that these assessments comply with applicable provisions of Section XIII D of the California State Constitution; and

**NOW, THEREFORE, BE IT RESOLVED, DETERMINED, AND ORDERED BY THE CITY COUNCIL FOR THE DISTRICT, AS FOLLOWS:**

Section 1. Following notice duly given, the City Council held a full and fair Public Hearing regarding the District, the levy and collection of assessments, the Report prepared in connection therewith, and considered all oral and written statements, protests and communications made or filed by interested persons regarding these matters.

Section 2. Based upon its review (and amendments, as applicable) of the Report, a copy of which has been presented to the City Council and which as been filed with the City Clerk, the City Council hereby finds and determines that:

- i) the land within District will receive special benefit by the operation, maintenance and servicing of improvements, located in public places within the boundaries of District, and,
- ii) the District includes all of the lands so benefited, and,
- iii) the net amount to be assessed upon the lands within the District in accordance with the fee for the Fiscal Year commencing July 1, 1999 and ending June 30, 2000 is apportioned by a formula and method which fairly distributes the net amount among all eligible parcels in proportion to the estimated benefits to be received by each parcel from the improvements and services.

Section 3. The Report and assessments as presented to the City Council and on file in the Office of the City Clerk are hereby confirmed as filed.

Section 4. The maintenance, operation and servicing of the improvements and appurtenant facilities shall be performed pursuant to the Act. The City Council hereby orders the proposed improvements to be made, which improvements are briefly described as follows: the maintenance and operation of and the furnishing of services and materials for street lighting facilities, detention basins, open space areas, landscaping, irrigation systems, public pedestrian paths, slope maintenance, entry monuments; landscaping includes trees, shrubs, grass and other ornamental vegetation, and appurtenant facilities, including irrigation systems, and drainage devices, within the District. The Engineer's Annual Levy Report describes all new improvements or substantial changes in existing improvements.

Section 5. The County Auditor of the County of San Luis Obispo shall enter on the County Assessment Roll opposite each eligible parcel of land the amount of levy so apportioned by the formula and method outlined in the Report, and such levies shall be collected at the same time and in the same manner as the County taxes are collected, pursuant to *Chapter 4, Article 2, Section 22646* of the Act. After collection by the County, the net amount of the levy shall be paid to the City Treasurer.

Section 6. The City Treasurer shall deposit all money representing assessments collected by the County for the District to the credit of a fund known as "City of El Paso De Robles Landscape and Lighting Assessment Fund" and such money shall be expended only for the maintenance, operation and servicing of the landscaping, lighting and appurtenant facilities as described herein.

Section 7. The adoption of this Resolution constitutes the District levy for the Fiscal Year commencing July 1, 1999 and ending June 30, 2000.

Section 8. The City Clerk, or their designate, is hereby authorized and directed to file the levy with the County Auditor upon adoption of this Resolution, pursuant to *Chapter 4, Article 1, Section 22641* of the Act.

**PASSED AND ADOPTED** by the City Council of the City of Paso Robles, this 15<sup>th</sup> day of June, 1999, on the following vote:

# I. OVERVIEW

## A. Introduction

The City of Paso Robles ("City") annually levies and collects special assessments in order to maintain the improvements within the El Paso De Robles Landscape and Lighting Maintenance District No. 1 ("District"). The District was formed and annual assessments are established pursuant to the *Landscape and Lighting Act of 1972, Part 2 of Division 15 of the California Streets and Highways Code* (the Act).

This Engineer's Annual Levy Report ("Report") describes the District, any annexations or changes to the District and the proposed assessments for Fiscal Year 1999/2000. The proposed assessments are based on the historical and estimated costs to maintain the improvements that provide a direct and special benefits to properties within the District. The costs of the improvements and the annual levy include all expenditures, deficits, surpluses, revenues, and reserves. Each parcel is assessed proportionately for only those improvements provided and for which the parcel receives special benefits.

For the purposes of this Report, the word "parcel" refers to an individual property assigned its own Assessor Parcel Number by the San Luis Obispo County Assessor's Office. The San Luis Obispo County Auditor/Controller uses Assessor Parcel Numbers and specific Fund Numbers to identify properties assessed for special district benefit assessments on the tax roll.

Following consideration of all public comments and written protests at a noticed public hearing and review of the Engineer's Annual Levy Report, the City Council may order amendments to the Report or confirm the Report as submitted. Following final approval of the Report and confirmation of the assessments, the Council may order the levy and collection of assessments for Fiscal Year 1999/2000 pursuant to the Act. In such case, the assessment information will be submitted to the County Auditor/Controller and included on the property tax roll for each benefiting parcel for Fiscal Year 1999/2000.

## B. Effect of Proposition 218

On November 5, 1996, California voters approved Proposition 218 by a margin of 56.5% to 43.5%. This Constitutional amendment was the latest in a series of initiatives reducing the revenue-raising discretion of California local governments. The provisions of the Proposition, now California Constitutional Articles XIII C and XIII D, can be summarized in four general areas:

1. Strengthens the general and special tax provisions of Proposition 13 and Proposition 62.
2. Extends the initiative process to all local taxes, assessments, fees, and charges.
3. Adds substantive and procedural requirements to assessments.
4. Adds substantive and procedural requirements to property-related fees and charges.

The assessments contained in this Report were imposed in accordance with a consent and waiver as part of the original development approval for the properties within the District. The City has determined this process is considered the same as a ballot. As such, the existing assessments are exempt from the substantive and procedural requirements of Proposition 218. Any future increase, however, will be subject to the new requirements of Proposition 218.

A property owner protest existed for Sub Area 29 Woodruff, and parcels within this Sub Area were not assessed in Fiscal Year 1997/1998. The property owners had requested that the assessments be reinstated and the property was assessed Fiscal Year 1998/1999. However, there was a property owner protest for Fiscal Year 1999/2000. Therefore, the Woodruff Sub Area will not be assessed for Fiscal Year 1999/2000.

New Sub Areas that have been annexed in Fiscal Year 1999/2000 have been balloted. Those areas are:

<u>Sub Area 36</u>	Tract 1895-1 Oak Knoll
<u>Sub Area 38</u>	Parcel Map PR 98-008 Arceiro
<u>Sub Area 39</u>	Parcel Map PR 98-009 Arceiro
<u>Sub Area 41</u>	Parcel Map PR 97-138 Pippen
<u>Sub Area 42</u>	Tract 2214-1 Orradre
<u>Sub Area 44</u>	Tract 2186 Viborg
<u>Sub Area 45</u>	Tract 1771 Burke-Ellsworth

**C. Description of the District and Services**

The District provides and ensures the continued maintenance, servicing, administration, and operation of various landscaped and lighting improvements and associated appurtenances located within the public rights-of-way and dedicated landscape easements in various tracts throughout the City. Each tract is identified within a distinct Sub Area with differing costs and benefits to the parcels within each Sub Area. The spreading of the improvement costs is based upon the total cost of the improvements within each Sub Area and is proportionately spread among all benefiting properties within the Sub Area. Each property is assessed only for the cost of the improvements from which benefit is received.

Improvements within the District may include but are not limited to street lighting, planting materials, irrigation systems, drainage systems, detention basins, open space areas, public pedestrian paths, and entry monuments.

Table I below lists the various Sub Areas within the District along with the Sub Area description and the number of assessable parcels:

**TABLE I  
SUB AREAS**

<b>DISTRICT SUB AREA</b>	<b>SUB AREA DESCRIPTION</b>	<b>NUMBER OF PARCELS</b>
Sub Area #1	Tract 1581 Riverglen	65

<b>Total Parcels:</b>		<b>1,439</b>

#### **D. District Boundaries and Improvement Areas**

The District is divided into thirty-nine (39) Sub Areas.

**Sub Area #1** lies east of Creston Road and Katherine Drive within the boundaries of Tract 1581 (Riverglen). Parcels within this Sub Area receive special benefits from improvements including landscaping along Union Road and Riverglen Drive, local street lighting, open space lots, and slopes. The landscape improvements provide an esthetic value to each property owner and an enhanced quality of life within the Sub Area, and street lighting provides enhanced security to each property owner.

**Sub Area #2** consists of parcels within Tract 1632 (Meadowlark Farms), located east of Oriole Way and north of Meadowlark Road. Twenty-seven (27) lots have been added to this Sub Area as Tract 1632-6 for the Fiscal Year 1999/2000. Parcels within this Sub Area receive special benefits from improvements including landscaping along Meadowlark Road and Airport Road, local street lighting, drainage system, and a detention basin. The landscape improvements provide an esthetic value to each property owner and an enhanced quality of life within the Sub Area, and street lighting provides enhanced security to each property owner.

**Sub Area #3** includes parcels within Tract 1457, located east of Creston Road and north of Meadowlark Drive. Parcels within this Sub Area receive special benefits from improvements including parkway landscaping, slope landscaping along Creston Road and Meadowlark Road, and open space maintenance of the local creek area. The landscape and creek area improvements provide an esthetic value to each property owner and an enhanced quality of life within the Sub Area.

**Sub Area #4** consists of parcels within Tract 1619 (Golden Hills Development), located on the northwest side of Union Road. Parcels within this Sub Area receive special benefits from improvements including landscaping along Union Road and interior street parkways, local street lighting, and drainage swells. The landscape improvements provide an esthetic value to each property owner and an enhanced quality of life within the Sub Area, and street lighting provides enhanced security to each property owner.

**Sub Area #5** includes parcels within the boundaries of Tracts 1508-1 & -2 (Riverbank), located on the west side of North River Road. Parcels within this Sub Area receive special benefits from improvements including landscaping along adjacent arterial streets, local street lighting, and park maintenance for the tracts. The landscape and park improvements provide an esthetic value to each property owner and an enhanced quality of life within the Sub Area, and street lighting provides enhanced security to each property owner.

**Sub Area #6** consists of parcels within Tract 1463-1 (Sunset Ridge), located on the northwest side of Union Road. Parcels within this Sub Area receive special benefits from improvements including landscaping along Union Road and A Street and local street lighting for the tract. The landscape improvements provide an esthetic value to each property owner and an enhanced quality of life within the Sub Area, and street lighting provides enhanced security to each property owner.

**Sub Area #7** is known as the Woodland Plaza and is located north of Niblick Road and west of South River Road. Parcels within this Sub Area receive special benefits from improvements including medians along Niblick Road and South River Road and local street lighting. The landscape improvements provide an esthetic value to each property owner and an enhanced quality of life within the Sub Area, and street lighting provides enhanced security to each property owner.

**Sub Area #8** consists of parcels within Tract 1630 (Trent). Parcels within this Sub Area receive special benefits from improvements including landscaping along local pedestrian pathways, street lighting, pedestrian pathway security lighting, open space, and drainage system areas within the tract. The landscape and pedestrian pathway improvements provide an esthetic value to each property owner and an enhanced quality of life within the Sub Area, and street and pathway security lighting provides enhanced security to each property owner.

**Sub Area #9** includes parcels within Tract 1942, located west of Creston Road and north of Niblick Road. Parcels within this Sub Area receive special benefits from improvements including landscaped parkways along Niblick Road and Creston Road, local street lighting, medians, and walls. The landscape improvements provide an esthetic value to each property owner and an enhanced quality of life within the Sub Area, and street lighting provides enhanced security to each property owner.

**Sub Area #10** includes parcels within Tract 2036 (Grannery), located west of Riverside Avenue and south of 12th Street. Parcels within this Sub Area receive special benefits from local street lighting for the tract which provides enhanced security to each property owner.

**Sub Area #11** consists of parcels within Tract 1723. Parcels within this Sub Area receive special benefits from improvements including local street lighting, open space areas, and emergency road access. The open space area improvements provide an esthetic value to each property owner and an enhanced quality of life within the Sub Area. Street lighting and emergency road access areas provides enhanced security and enhanced ability for emergency response to each property owner.

**Sub Area #12** includes parcels within Tract 2070 (Alder Creek Condos). Parcels within this Sub Area receive special benefits from improvements including local landscaped parkways and street lighting. The landscape improvements provide an esthetic value to each property owner and an enhanced quality of life within the Sub Area, and street lighting provides enhanced security to each property owner.

**Sub Area #13** includes parcels within Tract 1886 (Willhoit), located west of Golden Hill Road and south of Union Road. Parcels within this Sub Area receive special benefits from improvements including landscaping along Golden Hill Road and Rolling Hills Road and local street lighting. The landscape improvements provide an esthetic value to each property owner and an enhanced quality of life within the Sub Area, and street lighting provides enhanced security to each property owner.

**Sub Area #14** is known as Williams Brothers (Vons). Parcels within this Sub Area receive special benefits from improvements including local median island landscaping and street lighting within the Williams Brothers development. The landscape improvements provide an esthetic value to each property owner and an enhanced quality of life within the Sub Area, and street lighting provides enhanced security to each property owner.

**Sub Area #15** includes parcels within Tract 1832 (Erskine). Parcels within this Sub Area receive special benefits from improvements including local median and entryway landscaping, street lighting, and detention basins. The landscape improvements provide an esthetic value to each property owner and an enhanced quality of life within the Sub Area, and street lighting provides enhanced security to each property owner.

**Sub Area #16** includes parcels within Tract 1508-3 (phase III of the Riverbank sub division). Parcels within this Sub Area receive special benefits from improvements including a local park and bicycle path within the tract which provide recreational opportunities, an esthetic value to each property owner, and an enhanced quality of life within the Sub Area.

**Sub Area #18** includes parcels within Tract 1581-2 (Riverglen), located east of Riverglen Drive and north of Union Road. Parcels within this Sub Area receive special benefits from improvements including local landscaping and street lighting. The landscape improvements provide an esthetic value to each property owner and an enhanced quality of life within the Sub Area, and street lighting provides enhanced security to each property owner.

**Sub Area #19** includes parcels within Tract 1463-2 (Union), located on Skyview Drive, north of Union Road. Parcels within this Sub Area receive special benefits from improvements including local landscaped areas. Improvements do not include street lighting at the present time. The landscape improvements provide an esthetic value to each property owner and an enhanced quality of life within the Sub Area.

**Sub Area #20** includes parcels within parcel map PM 91-088 (Grantham), located south of Larkfield Place, west of Oriole Way, north of Ashwood Place, and east of Beechwood Drive. Parcels within this Sub Area receive special benefits from improvements including open space maintenance of the local creek area. The landscape improvements provide an esthetic value to each property owner and an enhanced quality of life within the Sub Area.

**Sub Area #21** includes parcels within Tract 1754-1 (Eagle Creek) and Tract 1754-2 (Hunneycutt). Eagle Creek is located on Charolais Road and east of Rambouillet Road. Tract 1754-2 is located north of Charolais Road and west of Rambouillet Road and is territory which was annexed into the Sub Area on January 21, 1997. Parcels within this Sub Area receive special benefits from improvements including parkway landscaping along Charolais Road, graffiti abatement, bike paths, pedestrian pathways and foot bridges, open space lots, and street lighting. The landscape, bike paths, and pedestrian parkway improvements and graffiti abatement provide an esthetic value to each property owner and an enhanced quality of life within the Sub Area, and street lighting provides enhanced security to each property owner.

**Sub Area #22** is known as the Woodland Plaza II development on Niblick Road. Parcels within this Sub Area receive special benefits from improvements including median landscaping on Niblick Road and River Road and street lighting. The landscape improvements provide an esthetic value to each property owner and an enhanced quality of life within the Sub Area, and street lighting provides enhanced security to each property owner.

**Sub Area #23** contains parcel within industrial parcel map PR93-085 (Tarr). Parcels within this Sub Area receive special benefits from improvements including local street lighting which provides enhanced security to each property owner.

**Sub Area #25** contains parcel within parcel map PR94-016 (Johnson), a four (4) parcel residential development on Ashwood Place. Parcels within this Sub Area receive special benefits from improvements include open space maintenance of the local creek area and street lighting. The open space and creek area improvements provide an esthetic value to each property owner and an enhanced quality of life within the Sub Area, and street lighting provides enhanced security to each property owner.

**Sub Area #27** contains parcels within Tract 1508-4 (Riverbank), a fifty-nine (59) parcel residential development. Parcels within this Sub Area receive special benefits from improvements including local park maintenance and street lighting. The park improvements provide an esthetic value to each property owner and an enhanced quality of life within the Sub Area, and street lighting provides enhanced security to each property owner.

**Sub Area #28** contains parcels within Tract 1718 (Rainbow Court). Parcels within this Sub Area receive special benefits from improvements including street lighting, graffiti abatement, and slope maintenance adjacent to the bike path within the tract. The bike paths and slopes provide recreational opportunities, an esthetic value to each property owner, and an enhanced quality of life within the Sub Area. The street lighting provides enhanced security to each property owner.

**Sub Area #29** contains parcels within parcel map PR95-013 (Woodruff). Since there was a property owner protest, this sub area will not be assessed, and the improvements will not be maintained by the City for Fiscal Year 1999/2000.

**Sub Area #30** contains three (3) residential parcels within parcel map PR91-089 (Schnied), located on Ashwood Place. Parcels within this Sub Area receive special benefits from improvements including open space maintenance in the local natural creek channel. The open space provides an esthetic value to each property owner and an enhanced quality of life within the Sub Area.

**Sub Area #31** contains parcels within parcel map PR94-128 (French). Parcels within this Sub Area receive special benefits from improvements including street lighting, parkway landscaping, graffiti abatement, and slope maintenance adjacent to South River Road. The landscape and slope improvements provide an esthetic value to each property owner and an enhanced quality of life within the Sub Area, and street lighting provides enhanced security to each property owner.

**Sub Area #32** contains parcels within Tract 2223-1 (Bella Vista). Parcels within this Sub Area receive special benefits from improvements including street lighting, parkway and perimeter landscaping and irrigation, open space lots, and detention basins. The landscape improvements provide an esthetic value to each property owner and an enhanced quality of life within the Sub Area, and street lighting provides enhanced security to each property owner.

**Sub Area #33** contains parcels within parcel map PR97-167. Parcels within this Sub Area receive special benefits from improvements including street lighting, parkway landscaping and irrigation, and detention basins. The landscape improvements provide an esthetic value to each property owner and an enhanced quality of life within the Sub Area, and street lighting provides enhanced security to each property owner.

**Sub Area #34** contains parcels within PD 95-009 (Target Center). Parcels within this Sub Area receive special benefits from improvements including street lighting, landscaping, and graffiti abatement. The landscape improvements provide an esthetic value to each property owner and an enhanced quality of life within the Sub Area, and street lighting provides enhanced security to each property owner.

**Sub Area #35** contains parcels within CUP 95-018. Parcels within this Sub Area receive special benefits from improvements including street lighting, parkway landscaping and irrigation, pedestrian pathways, and open space lots. The landscape improvements provide an esthetic value to each property owner and an enhanced quality of life within the Sub Area, and street lighting provides enhanced security to each property owner.

**Sub Area #36** contains parcels within Tract 1895-1 (Oak Knoll Estates). Parcels within this Sub Area receive special benefits from improvements including street lights, parkway landscaping along Somers Lane and Dayton Lane, landscaping within the 30-foot landscape buffer easements, landscaping in Lot 51, and linear park improvements along Lot 52 and the median on Buena Vista. The landscape improvements provide an esthetic value to each property owner and an

enhanced quality of life within the Sub Area, and street lighting provides enhanced security to each property owner.

**Sub Area #38** contains parcels within parcel map PR 98-008 (Arciero). Parcels within this Sub Area receive special benefits from improvements including street lights, landscaping and irrigation along parkways, pedestrian pathways, open space lots, and detention basins. The landscape improvements provide an esthetic value to each property owner and an enhanced quality of life within the Sub Area, and street lighting provides enhanced security to each property owner.

**Sub Area #39** contains parcels within parcel map PR 98-009 (Arciero). Parcels within this Sub Area receive special benefits from improvements including street lights, landscaping and irrigation along parkways, pedestrian pathways, open space lots, and detention basins. The landscape improvements provide an esthetic value to each property owner and an enhanced quality of life within the Sub Area, and street lighting provides enhanced security to each property owner.

**Sub Area #41** contains parcels within parcel map PR 97-138 (Pippin). Parcels within this Sub Area receive special benefits from improvements including landscaping, lighting, other related improvements, and drainage easements (100 year floodway). The landscape improvements provide an esthetic value to each property owner and an enhanced quality of life within the Sub Area, and street lighting provides enhanced security to each property owner. The drainage easements will provide protection from flooding for parcels in the Sub Area.

**Sub Area #42** contains parcels within Tract 2214-1 (Orradre). Parcels within this Sub Area receive special benefits from improvements including street lights and landscaping and irrigation along parkways and pedestrian pathways. The landscape improvements provide an esthetic value to each property owner and an enhanced quality of life within the Sub Area, and street lighting provides enhanced security to each property owner.

**Sub Area #44** contains parcels within Tract 2186 (Viborg). Parcels within this Sub Area receive special benefits from improvements including street lights, maintenance of the slope only along Navajo Road, and weed abatement only for the slope area between the bike path and fence-line for Lot Nos. 9, 10, 11, and 12. The landscape improvements and slope maintenance provide an esthetic value to each property owner and an enhanced quality of life within the Sub Area, and street lighting provides enhanced security to each property owner.

**Sub Area #45** contains parcels within Tract 1771-1 (Burke-Ellsworth). Parcels within this Sub Area receive special benefits from improvements including street lights, landscaping and irrigation along parkways, pedestrian pathways, and open space lots. The landscape improvements provide an esthetic value to each property owner and an enhanced quality of life within the Sub Area, and street lighting provides enhanced security to each property owner.

## **II. CHANGES TO THE DISTRICT**

### **A. Modifications of the District Structure**

Modifications to the District structure, if any, could include but are not limited to changes or expansion of the existing improvements or services provided; addition of new services; addition of new Sub Areas; restructuring of the current Sub Areas; annexation of parcels into the District or Sub Areas; or revisions to the method of apportionment.

### **B. Annexations**

For Fiscal Year 1999/2000, seven (7) new Sub Areas have been annexed into the District for Fiscal Year 1999/2000 and twenty-seven (27) parcels were annexed into Sub Area 2. The new Sub Areas were added to the District in response to petitions filed by property owners from each Sub Area. As such, each parcel within these new Sub Areas have been or will be balloted. The specific annexations include:

- Sub Area 36: Tract 1895-1 contains 52 parcels
- Sub Area 38: Parcel Map PR98-008 contains 4 parcels
- Sub Area 39: Parcel Map PR98-009 contains 2 parcels
- Sub Area 41: Parcel Map PR97-138 contains 4 parcels
- Sub Area 42: Tract 2214-1 contains 28 parcels
- Sub Area 44: Tract 2186 contains 13 parcels
- Sub Area 45: Tract 1771 contains 42 parcels

Improvements for the newly annexed Sub Areas 36, 38, 39, 41, 42, 44, and 45 have been or will be completed and accepted by the City for maintenance during Fiscal Year 1999/2000. The newly annexed parcels within the Sub Areas benefit from the improvements and will be assessed for the improvements for the first time in Fiscal Year 1999/2000.

### **C. District Budget Changes**

All of the existing Sub Areas within the District will be assessed at the same rate as Fiscal Year 1998/1999 or lower.

### III. METHOD OF APPORTIONMENT

Pursuant to the Act, the costs of the District may be apportioned by any formula or method that fairly distributes the net amount to be assessed, among all assessable parcels in proportion to the special benefits to be received by each such parcel from the improvements. The benefit formula used within each Sub Area of the District may vary. The formula used for each Sub Area reflects the composition of the parcels, and the improvements and services provided, to fairly proportion the costs based on the special benefits to each assessable parcel. Non-assessable parcels are considered to receive little or no benefit from the improvements and are therefore exempted from assessment. Parcels considered non-assessable include, but are not limited to: dedicated public easements, open space areas and rights-of-way, public greenbelts and parkways, utility rights-of-way, common areas, sliver parcels and bifurcated lots or any other property that cannot be developed, park properties and other publicly owned properties that are part of the District improvements or that have little or no improvement value.

For Sub Areas 7, 10, 14, 22, and 23, the special benefits from the improvements has been apportioned on acreage. The composition of the parcels within these Sub Areas and the improvements provided makes an apportionment of the maintenance costs and special benefits based on parcel acreage the most equitable method of apportionment. The following formulas are used to arrive at the levy amount for each parcel within these Sub Areas.

**Sub Areas 7, 10, 14, 22, and 23:**

$$\begin{aligned} \text{Total Balance to Levy for Sub Area} / \text{Total Acres in Sub Area} &= \text{Levy per Acre} \\ \text{Levy per Acre} \times \text{Parcel Acreage} &= \text{Parcel Levy Amount} \end{aligned}$$

The composition of the parcels within all other Sub Areas within the District is primarily single family residential parcels. The parcels within these Sub Areas and their special benefits from the improvements have been determined to be equal for all parcels. Therefore, the total amount to be levied in each of these Sub Areas is shared and assessed equally for each parcel in the Sub Area. The following formula is used to arrive at the levy amount for each parcel within these Sub Areas.

**All Sub Areas (except 7, 10, 14, 22, and 23):**

$$\begin{aligned} \text{Total Balance to Levy for Sub Area} / \text{Total Assessable Parcels in Sub Area} &= \\ \text{Parcel Levy Amount} \end{aligned}$$

Each of the following Sub Areas are combined because the parcels are within the same tract and receive the same special benefits; however, the Sub Areas were phased into the District at different times. The *Total Balance to Levy* of each Sub Area is divided by the *Total Number of Assessable Parcels* in each Sub Area to determine the Rate for each.

**Sub Areas 5, 16 and 27:**

*Total Balance to Levy (All Sub Areas) / Total Assessable Parcels (All Sub Areas) = Parcel Levy Amount*

**Sub Areas 1 and 18:**

*Total Balance to Levy (Both Sub Areas) / Total Assessable Parcels (Both Sub Areas) = Parcel Levy Amount*

**Sub Areas 6 and 19:**

*Total Balance to Levy (Both Sub Areas) / Total Assessable Parcels (Both Sub Areas) = Parcel Levy Amount*

## IV. DISTRICT BUDGET

### A. Description of Budget Items

The following section describes the items listed on the District budgets, shown in Section IV B.

#### **DIRECT COSTS:**

*Landscape Maintenance* – This includes all contracted labor, material and equipment required to properly maintain the landscaping, irrigation systems, drainage systems, and entry monuments within the District and Sub Areas. All improvements within the District are maintained and serviced on a regular basis. The frequency and specific maintenance operations required within the District are determined by City staff, but are generally scheduled weekly.

*Landscape Water* - The cost of furnishing water necessary for the maintenance of the landscaping and drainage facilities.

*Street Light Electric* – This includes the costs to provide electrical power and service for street lights.

*Other Electric* - The cost of providing electrical power and maintenance for irrigation controllers and pedestrian walkway lights.

*Repairs* - This item includes repairs to the improvements in the District that are not normally included in the yearly maintenance contract. Repairs may include renovation or replacement of the improvements resulting from normal wear and tear and damage due to vandalism, storms, etc.

#### **ADMINISTRATION COSTS:**

*District Administration* - The cost to all particular departments and staff of the City for providing the coordination of District services, operations, and maintenance of the District, response to public concerns and education, and procedures associated with the levy and collection of assessments. It can also include the costs of contracting with professionals to provide any additional administrative, legal, or engineering services specific to the District.

*County Administration Fee* - The County of San Luis Obispo charges a \$2.00 County Administration charge per parcel for placing assessments on the tax roll.

#### **LEVY BREAKDOWN:**

***Beginning Balance (Deficit)*** - The Beginning Balance for the District represents the actual expenditures for the improvements in the prior fiscal year versus the amount budgeted and collected for the year. When the actual cost and expenditures for the District were greater than the amount budgeted and collected in the prior fiscal year, the District has a Beginning Balance Deficit. A deficit may be the result of unforeseen and extraordinary costs incurred, or assessments actually collected were less than anticipated. When a deficit occurs, the deficit amount may be added to the amount to be collected through the levy for the current fiscal year.

***Beginning Balance (Surplus)*** - The Beginning Balance for the District is actual expenditures for the improvements in the prior fiscal year versus the amount budgeted and collected for the year. When the actual cost and expenditures for the District were less than the amount budgeted and collected for the prior fiscal year, the District has a Beginning Balance Surplus. When a surplus occurs, the amount may be used to reduce assessments or added to the District Reserves.

***Other Contributions*** - This is the amount of additional funds designated for use by the District that are not from District assessments. These funds are added to the District account to reduce assessments and may be from either non-District or District sources including City General Fund Contributions or interest earnings.

***Balance to Levy*** - This is the total amount to be levied to the parcels within the District for the current fiscal year. The Balance to Levy represents the Levy Collection Sub-Total minus the Levy Reduction Sub-Total. This dollar amount represents the funds that are to be collected for the current fiscal year from the property owners through special benefit assessments.

## **Appendix A - DISTRICT BOUNDARY DIAGRAMS**

The Boundary Diagrams for the annexed Sub Areas 36, 38, 39, 41, 42, 44, 45, and additions to Sub Area 2 will be submitted to the City Clerk in the format required under the Act. The Boundary Diagrams will be available for inspection at the office of the City Clerk during normal business hours.

## **Appendix B - 1999/2000 ASSESSMENT ROLL**

For each lot or parcel within the District, parcel identification shall be the parcel as shown on the County Assessor Parcel Maps for the year in which this Report is prepared.

A listing of parcels assessed within this District, along with the assessment amounts, will be included in the Engineer's Annual Levy Report.
