() APPROVED () DENIED

TO: JAMES L. APP, CITY MANAGER
FROM: BOB LATA, COMMUNITY DEVELOPMENT DIRECTOR *BL*
SUBJECT: OWNER PARTICIPATION AGREEMENT WITH
MARTIN RESORTS, INC. (PASO ROBLES INN)
DATE: NOVEMBER 16, 1999

Needs: For the City Council and Redevelopment Agency to authorize the City Manager / Executive Director to execute an Owner Participation Agreement (OPA) with Martin Resorts, Inc. The Agreement provides for Redevelopment Agency and City to provide incentives for the development of a new conference facility and rehabilitation of the historic dining room of the Paso Robles Inn. Approval of the OPA is recommended by the Council's Fiscal Committee. This matter was continued from the November 2, 1999 City Council / Redevelopment Agency meeting.

Facts: 1. The City's Economic Development Strategy for Tourism calls for the following implementation policy:

"Encourage expansion and improvement of existing facilities and/or new hotel development.

A. *Create incentives to encourage existing hotels to construct additional rooms and meeting / convention facilities.*

1. *Off fee reduction, waiver, off-site improvement assistance.*
2. *Provide assistance from the Agency.*

B. *Facilitate the construction of a hotel with a convention center in the following area:*

1. *Within walking distance to the downtown.*
2. *Promote and encourage use of the Library / City Hall Conference facility at a market-driven fee to complement these facilities."*

2. In addition, the Economic Development Strategy contains support policies for hot springs / spa facilities (Tourism) and generating new investment in the downtown to create constant pedestrian activities (Retail/Commercial Development).

3. The essential elements of the draft OPA are for the City and Redevelopment Agency to provide a total of \$200,000 in financial incentives (\$150,000 from the Agency in the form of a secured advance on Agency / City revenues; \$50,000 from the City in the form of "fee write-downs", consistent with the Council's adopted policy). Payment of incentives is contingent upon issuance of Building Permits for both the new conference facility and the rehabilitation of the historic dining room and would be secured by a trust deed. The OPA provides for the City and Agency not to approve another conference facility within the Redevelopment Project Area for a period of ten years.
4. The City and Agency incentives are designed to encourage construction of a new conference facility and rehabilitation of the existing historic dining room of the Paso Robles Inn. The combined conference space will total approximately 7,000 square feet.
5. The City Council's Fiscal Committee has recommended approval of the essential elements contained in the attached OPA.
6. At the November 2, 1999 meeting, the Agency and City Council continued discussion on this subject in order to provide an opportunity for the Project Area Committee (PAC) to review the draft OPA.
7. On November 8, 1999 the PAC met and discussed the OPA. The consensus of the PAC was as follows:
 - a. That the use of the funds would be appropriate as provided for in the draft OPA (8 in favor, 1 opposed);
 - b. That the requested 10-year non-competition provision within the Redevelopment Project area would be appropriate (7 in favor, 1 opposed), with a recommendation that the following clarifications be incorporated into the OPA:
 - that the 10 year period be measured from the date of execution of the OPA;
 - that the applicant take action to start construction within two (2) years of execution of the OPA;
 - that for the purposes of the non-competition provision, the restriction would only apply to newly constructed meeting space of greater than 1000 square feet.

Analysis
and
Conclusion:

The Martin Resorts, Inc. proposal to create new and rehabilitated conference facilities totaling approximately 7,000 square feet would appear closely consistent with the adopted Economic Development Strategy.

The conference facilities on the Paso Robles Inn property would encourage increased hotel occupancy, foster compatible use of the City's conference facilities, and provide economic stimulus for the continued revitalization of the downtown area.

The Project Area Committee is supportive of the project.

Council Policy No. A-3A, dated January 18, 1994; Paso Robles Redevelopment Plan.

Fiscal

Impact:

The OPA provides a total of \$200,000 in financial incentives from the General Fund and Redevelopment Agency (advanced by the City). Income projections from the conference facility and the related economic stimulus to transient occupancy tax income is expected to repay the incentives within five years.

Options:

a. That the Redevelopment Agency and the Council, by separate motions, take the following actions:

(1) That the Agency pass the attached Resolution approving the proposed Owner Participation Agreement, incorporating the recommended clarifications suggested by the Project Area Committee, and authorizing the Executive Director to execute the Owner Participation Agreement with Martin Resorts, Inc.

(2) That the City Council pass the attached Resolution supporting Redevelopment Agency approval of the Owner Participation Agreement as revised, appropriating \$200,000 in incentive funds, and authorizing the City Manager to execute the Owner Participation Agreement.

b. Amend, modify or reject Option a.

OWNER PARTICIPATION AGREEMENT

THIS AGREEMENT is entered into as of the _____ day of _____, 1999, by and between the REDEVELOPMENT AGENCY OF THE CITY OF EL PASO DE ROBLES (hereinafter referred to as the "Agency"), THE CITY OF EL PASO DE ROBLES (hereinafter referred to as the "City"), and MARTIN RESORTS, INC., a California corporation (hereinafter referred to as the "Participant"). The Agency, the City and the Participant agree as follows:

I. [§100] SUBJECT OF AGREEMENT

A. [§101] Purpose of This Agreement

The primary purposes of this Agreement are to effectuate (a) the Redevelopment Plan (the "Redevelopment Plan") for the Paso Robles Redevelopment Project (the "Redevelopment Project") by providing for the improvement of certain real property (the "Site") included within the boundaries of the Redevelopment Project (the "Redevelopment Project Area"); and (b) the City's Economic Development Assistance Policy by providing for the location and expansion of the Participant's existing business operations within the City.

The improvement of the Site pursuant to this Agreement and the fulfillment generally of this Agreement are in the vital and best interests of the City and the health, safety, morals and welfare of its residents and in accordance with the public purposes and provisions of applicable federal, state and local laws and requirements. Implementation of this Agreement will further the goals and objectives of the Redevelopment Plan and the Economic Development Assistance Policy.

The Agency and City have determined that the development of the Project provided for hereunder will present certain public benefits and opportunities which are made possible by the parties hereto. This Agreement will, among other things: (1) ensure the preservation of a unique historic resource and accelerate the development of a conference facility in the City; (2) strengthen the City's economic base and employment opportunities; (3) reduce uncertainties in planning and provide for the orderly rehabilitation and development of the Site; (4) contribute to the provision of needed public improvements and infrastructure; and (5) provide for the reimbursement to the Participant of costs for certain development fees and construction of public improvements in order to make development of the Project economically feasible and achieve the City's and Agency's goals described above.

This Agreement provides a mechanism for the Agency and City to participate in a portion of the costs of certain off-site public improvements. Accordingly, this Agreement constitutes a contract, obligation and evidence of indebtedness within the meaning of Section 53511 of the California Government Code.

B. [§102] The Redevelopment Plan

This Agreement is subject to the provisions of the Redevelopment Plan which was approved and adopted by the City Council of the City of El Paso de Robles on November 30, 1987, by Ordinance No. 540 N.S., and as amended to date. Said Redevelopment Plan, as it now exists and as it may be subsequently amended, is incorporated herein by reference and made a part hereof as though fully set forth herein.

C. [§103] The Redevelopment Project Area

The Redevelopment Project Area is located in the City of El Paso de Robles, California, and the exact boundaries of the Redevelopment Project Area are specifically described in the Redevelopment Plan.

D. [§104] The Site

The Site is that portion of the Redevelopment Project Area shown on the "Map of the Site," attached to this Agreement as Attachment No. 1 and incorporated herein by reference, and as more particularly described in the "Legal Description of the Site," attached hereto as Attachment No. 2 and incorporated herein by reference. The Site is composed of real property and the improvements existing thereon, which are presently owned by the Participant.

As more fully set forth below in this Agreement and the Scope of Development attached hereto, the Participant shall reconstruct, rehabilitate and renovate the improvements currently existing on the Site and construct certain new improvements on the Site.

E. [§105] Parties to This Agreement

1. [§106] The Agency

The Agency is a public body, corporate and politic, exercising governmental functions and powers and organized and existing under the Community Redevelopment Law of the State of California (Health and Safety Code Section 33000 et seq.).

The principal office of the Agency is located at 1000 Spring Street, Paso Robles, California 93446.

"Agency," as used in this Agreement, includes the Redevelopment Agency of the City of El Paso de Robles and any assignee of or successor to its rights, powers and responsibilities.

2. [§107] The City

The Agency is a general law city and municipal corporation of the State of California.

The principal office of the City is located at 1000 Spring Street, Paso Robles, California 93446.

"City," as used in this Agreement, includes the City of El Paso de Robles and any assignee of or successor to its rights, powers and responsibilities.

3. [§108] The Participant

The Participant is Martin Resorts, Inc., a California corporation.

The principal address of the Participant is P. O. Box 12060, San Luis Obispo, CA 93406.

Whenever the term "Participant" is used herein, such term shall include any permitted nominee, assignee or successor in interest as herein provided.

The Participant qualifies as an "owner participant" as that term is used in the Redevelopment Plan and the Community Redevelopment Law.

The qualifications and identity of the Participant are of particular concern to the Agency, and it is because of such qualifications and concerns that the Agency and City have entered into this Agreement with the Participant. No voluntary or involuntary successor in interest of the Participant shall acquire any rights or powers under this Agreement except as expressly set forth herein. This Agreement may be terminated by the Agency and/or City if there is any significant change (voluntary or involuntary) in the ownership or control of the Participant prior to the completion of rehabilitation and development of the Site as evidenced by the issuance of a final Certificate of Completion therefor.

Except as otherwise expressly permitted by this Agreement, the Participant shall not assign all or any part of this Agreement without the prior written approval of the Agency, which approval shall not be unreasonably withheld or delayed. It shall not be unreasonable for the Agency to withhold such approval if the proposed assignee fails to demonstrate to the reasonable satisfaction of the Agency that it possesses the financial resources and development experience with comparable hotel/conference center facilities necessary to develop the Site in accordance with this Agreement.

II. [§200] **IMPROVEMENT OF THE SITE**

A. [§201] Improvement of the Site by the Participant

1. [§202] Scope of Development

The Participant agrees to rehabilitate and develop the Site as provided in the "Scope of Development," attached hereto as Attachment No. 3 and incorporated herein by reference.

2. [§203] Cost of Construction

The cost of developing the Site and rehabilitating and/or constructing all improvements thereon shall be borne by the Participant, except for

the work specified in the Scope of Development (Attachment No. 3) to be performed or paid for by the Agency or others.

3. §204 Submittal, Review and Approval of Construction Drawings and Related Documents

The rehabilitation and/or construction of the improvements on the Site shall be undertaken in substantial accordance with the final construction drawings and landscaping plans therefor approved by the city pursuant to the city's plan review process. Participant shall prepare and submit such plans, construction drawings and related documents, and in such form and detail, as required by City's plan review processes. The Participant shall have the normal appeal rights granted applicants under the City's plan review processes. Except as may otherwise be set forth in this Agreement, Participant agrees that is shall comply with all of the conditions contained in the City's Planning Commission Resolution No. PC 99-024.

4. §205 Schedule of Performance

Subject to the terms and conditions of this Agreement, the Participant shall promptly begin and thereafter prosecute diligently to completion the development of the Site and the rehabilitation and/or construction of all of the improvements on the Site as provided in the Scope of Development (Attachment No. 3). All such work shall be completed in accordance with a schedule of performance mutually agreeable to the parties, subject to delays beyond the reasonable control of any party.

5. §206 Bodily Injury and Property Damage Insurance; Indemnification

Prior to the commencement of construction (or any work related thereto) upon the Site, the Participant shall furnish, or cause to be furnished, to the Agency duplicate originals or appropriate certificates of bodily injury and property damage insurance policies in the amount of at least FIVE HUNDRED THOUSAND DOLLARS (\$500,000) for any person, ONE MILLION DOLLARS (\$1,000,000) for any occurrence and THREE HUNDRED THOUSAND DOLLARS (\$300,000) property damage, naming the Agency and the City as additional insureds. The policy limits of such policies may be in lesser amounts if the Participant shall provide the Agency with duplicate originals or appropriate certificates of a binder (approved by the Agency) which indemnifies and holds the Agency and the City harmless from and against all liability, loss, damage, costs or expenses (including reasonable attorneys' fees and court costs) arising from or as a result of the death of any person or any accident, injury, loss or damage whatsoever caused to any person, or to the property of any person, which shall occur on or adjacent to the Site and which shall be directly or indirectly caused by any acts done thereon, or by any errors or omissions, of the Participant and its agents, servants, employees and contractors, and which provides for the defense of the Agency and the City against all claims or causes of action arising therefrom. Such insurance policies shall be maintained and kept in force, and such obligation to indemnify shall continue, during periods of construction upon the Site and until the Agency has issued a Certificate of Completion for the Site.

6. [§207] City and Other Governmental Agency Permits

Prior to the commencement of construction (or any work related thereto) upon the Site, the Participant shall secure, or cause to be secured, any and all permits which may be reasonably required by the City or any other governmental agency affected by such construction. The Agency and the City shall provide all proper assistance to the Participant in securing these permits.

7. [§208] Rights of Access During Construction

Representatives of the Agency and the City shall have the reasonable right of access to the Site without charges or fees, during normal construction hours during the period of construction for the purposes of this Agreement, including, but not limited to, the inspection of the work being performed in rehabilitating and/or constructing the improvements.

8. [§209] Local, State and Federal Laws

The Participant shall carry out the construction and/or rehabilitation of all of the improvements on the Site in conformity with all applicable laws, including all applicable federal and state labor standards. The Participant understands and agrees that all work on the Public Improvements, whether or not paid for with public funds, will be subject to prevailing wage requirements based on State wage rate determinations.

9. [§210] Antidiscrimination During Construction

The Participant, for itself and its successors and assigns, agrees that in the construction of improvements on the Site provided for in this Agreement, the Participant will not discriminate against any employee or applicant for employment because of race, color, creed, religion, sex, marital status, ancestry or national origin.

B. [§211] Prohibition Against Transfer and Assignment of Agreement

Prior to the issuance of a final Certificate of Completion with respect to the construction and/or rehabilitation of the improvements on the Site, the Participant shall not, except as permitted by this Agreement, assign or attempt to assign this Agreement or any rights herein, nor make any total or partial sale, transfer, conveyance, assignment or lease of the whole or any part of the Site or the improvements thereon, without the prior written approval of the Agency (which approval shall not be unreasonably withheld or delayed). This prohibition shall not apply subsequent to the issuance of the final Certificate of Completion. This prohibition shall not be deemed to prevent the granting of easements, licenses or permits to facilitate the development of the Site or to prohibit or restrict the leasing or rental of all or any portion of the improvements on the Site for the uses specified herein and in the Redevelopment Plan. This prohibition shall also not be deemed to prohibit the granting of any security interests in the Site for the purpose of securing loans or funds to be used for financing the construction of the improvements on the Site.

Any proposed buyer, transferee, conveyee, assignee or lessee shall have the qualifications and financial responsibility necessary and adequate, as may

be reasonably determined by the Agency, to fulfill the obligations undertaken in this Agreement by the Participant. Any such proposed buyer, transferee, conveyee, assignee or lessee, by an instrument in writing reasonably satisfactory to the Agency and in a form recordable among the land records, for itself and its successors and assigns, and for the benefit of the Agency, shall expressly assume all of the obligations of the Participant under this Agreement and agree to be subject to all conditions and restrictions to which the Participant is subject hereunder. There shall be submitted to the Agency for review all instruments and other legal documents proposed to effect any such sale, transfer, conveyance, assignment or lease, and, if approved by the Agency, such approval shall be indicated to the Participant in writing, and shall include a provision releasing Participant from all obligations hereunder.

In the absence of specific written agreement by the Agency, no such sale, transfer, conveyance, assignment or lease, or the approval thereof by the Agency, shall be deemed to relieve the Participant or any other party from any obligations under this Agreement.

C. [§212] Security Financing; Rights of Holders

1. [213] Holder Not Obligated to Construct

The holder of any mortgage, deed of trust or other security interest pertaining to the Site shall in no way be obligated by the provisions of this Agreement to rehabilitate and/or construct, or complete such construction of, the improvements, or to guarantee such construction or completion. Absent City's and Agency's prior written consent, nothing in this Agreement shall be deemed to construe, permit or authorize any such holder to devote the Site to any uses, or to rehabilitate and/or construct any improvements thereon, other than those uses or improvements provided for or authorized by this Agreement.

2. [§214] Notice of Default to Mortgage, Deed of Trust or Other Security Interest Holders; Right to Cure

Whenever the Agency shall deliver any notice or demand to the Participant with respect to any breach or default by the Participant in the completion of the construction of the improvements, the Agency shall at the same time deliver to each holder of record of any mortgage, deed of trust or other security interest authorized by this Agreement (who has previously made a request therefor) a copy of such notice or demand. Each such holder shall (insofar as the rights of the Agency are concerned) have the right, at its option within ninety (90) days after the receipt of the notice, to cure or remedy or commence to cure or remedy any such default and to add the cost thereof to the security interest debt and the lien on its security interest. Nothing contained in this Agreement shall be deemed to permit or authorize such holder to undertake or continue the construction of the improvements, or the completion thereof (beyond the extent necessary to conserve or protect the improvements or construction already made) without first having expressly assumed the Participant's obligations to the Agency by written agreement satisfactory to the Agency. The holder in that event must agree to complete, in the manner provided in this Agreement, the construction of the improvements to which the lien or title of such holder relates and submit evidence satisfactory to the Agency that it has the qualifications and financial responsibility necessary to perform such obligations.

D. [§215] Certificate of Completion

Promptly after the completion of all rehabilitation and construction work to be completed on the Site as set forth in the Scope of Development (Attachment No. 3 hereto), and upon the written request by the Participant, the Agency shall furnish the Participant with a Certificate of Completion for the Site in the form attached hereto as Attachment No. 4 and incorporated herein by reference, which evidences and determines the satisfactory completion of the rehabilitation and construction work required by this Agreement upon the entire Site.

The Certificate of Completion shall not be withheld or delayed by the Agency unless the Participant shall have failed to satisfactorily complete the construction required by this Agreement, in substantial compliance with the terms and provisions hereof. Upon issuance of a Certificate of Completion, the respective rights and obligations of the parties with reference to the Site shall be limited to those set forth in the Agreement to be Recorded Affecting Real Property as described in Section 216 of this Agreement.

A Certificate of Completion shall not be deemed or construed to constitute evidence of compliance with or satisfaction of any obligation of the Participant to any holder of a mortgage or any insurer of a mortgage securing money loaned to finance the construction of the improvements on the Site, or any portion thereof. A Certificate of Completion is not a notice of completion as referred to in Section 3093 of the California Civil Code.

E. [§216] Agreement to be Recorded Affecting Real Property

Concurrently with this Agreement, the Participant and the Agency have executed an "Agreement to be Recorded Affecting Real Property," attached hereto as Attachment No. 5 and incorporated herein by reference, which provides for certain covenants and agreements on the part of the Participant consistent with the terms and purpose of this Agreement and by which the Agency agrees to waive its legal right to acquire the Site by eminent domain. The Agency is authorized to, and shall, record the Agreement to be Recorded Affecting Real Property only after issuance of a Certificate of Completion pertaining to the Site.

III. [§300] **AGENCY AND CITY PARTICIPATION AND ASSISTANCE**

A. [§301] Agency Advance

Pursuant to Health and Safety Code section 33444.5, the Agency agrees to loan to the Participant an amount equal to ONE HUNDRED FIFTY THOUSAND DOLLARS (\$150,000.00) (the "Agency Advance") to assist in financing the rehabilitation and construction of the improvements on the Site. The Participant shall execute and deliver a promissory note (the "Note") to the Agency in the form substantially as set forth in Attachment No. 6 hereto and incorporated herein by reference. The Note shall be secured by a deed of trust (the "Deed of Trust") to be recorded against the Site in the form substantially as set forth in Attachment No. 7 hereto and incorporated herein by reference.

The Agency shall deliver the proceeds of the Agency Advance to the Participant, upon completion of the following:

(a) The Participant shall deliver to the Agency, to the extent not previously delivered, evidence that the Participant has obtained all approvals necessary for the rehabilitation and construction of the improvements on the Site;

(b) The Participant shall execute and deliver to the Agency in recordable form the Note and Deed of Trust evidencing the Agency Advance; and

(c) The Participant shall deliver to the Agency a binding commitment by a title insurance company acceptable to the Agency to issue a CLTA lender's policy of title insurance ("Title Policy"), with such endorsements the Agency may reasonably require, insuring the Agency in the principal amount of the Agency Advance, of the validity and the priority of the Note and Deed of Trust as a lien upon the Site, subject only to matters of record approved by the Agency in writing and the Participant's approved financing as set forth herein, and showing fee simple title to the Site in the name of the Participant.

The Agency agrees that the Deed of Trust shall be subordinate to a deed of trust executed in favor of Participant's primary lender for its rehabilitation and construction of the improvements on the Site, in an amount not to exceed FOUR MILLION DOLLARS (\$4,000,000.00), subject to the provisions set forth in paragraph 5 of the Addendum to Deed of Trust (Attachment No. 7).

B. [§302] City Participation

Pursuant to the City's Economic Development Assistance Policy, City wishes to encourage and assist in the rehabilitation and construction of the improvements on the Site. Inasmuch as this Agreement provides for the participation of the Participant in financing the public improvements required to carry out the project approvals required hereunder, this Agreement constitutes a financing agreement within the meaning and scope of Government Code section 53511 in that it provides for a means of satisfying financing obligations for various public improvements and facilities to be owned by or maintained for the benefit of City and the public generally in the City's planning area.

In consideration of the Participant's rehabilitation and construction of the improvements on the Site, the City agrees to waive a portion of the development related fees imposed or assessed by or on behalf of the City ("City Development Fees") which the Participation would be required to pay with respect to the rehabilitation and construction of the improvements on the Site. The amount of fees waived shall be FIFTY THOUSAND DOLLARS (\$50,000) (the "City Fee Waiver"). V. [§500] DEFAULTS AND REMEDIES

A. [§501] Defaults

Failure or delay by any party to perform any term or provision of this Agreement constitutes a default under this Agreement. A nondefaulting party shall notify the defaulting party that a default exists, the nature and extent of the default, and that the defaulting party must cure same within thirty (30) days of receipt of the notice of default. Further, a nondefaulting party may file legal action to require the defaulting party to specifically perform the terms and conditions of this Agreement.

C. [§503] Applicable Law

The laws of the State of California shall govern the interpretation and enforcement of this Agreement.

D. [§504] Agency's Right to Acquire in the Event of Default by the Participant

The Agency hereby waives its legal right to acquire the Site by purchase or eminent domain to enable the Participant to rehabilitate and/or construct the improvements on the Site and to otherwise develop, use and maintain the Site in accordance with the Redevelopment Plan as more particularly described in this Agreement, provided that the Participant completes such improvements and develops, uses and maintains the Site as required by this Agreement. In the event that the Participant fails to complete such construction within the time or in the manner provided herein, or in the event that the Site is not developed, used and maintained as required by this Agreement, then the Agency and/or City may terminate this Agreement and may exercise its right to

acquire the Site. The amount to be paid by the Agency to the Participant shall be the fair market value of the Site (or any portion thereof to be acquired) with existing improvements as of the date of purchase or offer of purchase by the Agency. If the Agency and the Participant are unable to agree upon the fair market value of the Site, the Agency may institute an action in eminent domain, and this Agreement until then constitutes a stipulation on the part of the Participant that the only issue involved in said action shall be the fair market value of the Site (or portion thereof to be acquired).

To the extent applicable, the provisions of this Section 504 are set forth in the Agreement to be Recorded Affecting Real Property (as described in Section 216 of this Agreement).

THIS AGREEMENT is entered into this _____ day of _____, 1999, by and between the REDEVELOPMENT AGENCY OF THE CITY OF EL PASO DE ROBLES, a public body, corporate and politic (hereinafter referred to as the "Agency"), the CITY OF EL PASO DE ROBLES (hereinafter referred to as the "City"), and MARTIN RESORTS, INC., a California corporation (hereinafter referred to as the "Participant") with reference to the following:

A. The Participant is the present owner of certain real property (the "Site") located in the City of El Paso de Robles, County of San Luis Obispo, State of California, legally described in the attached Exhibit A.

B. The Site is within the Paso Robles Redevelopment Project (the "Project") in the City of El Paso de Robles and is subject to the provisions of the Redevelopment Plan for the Project adopted by the City Council of the City of El Paso de Robles on November 30, 1987, by Ordinance No. 540 N.S., as amended to date. The Redevelopment Plan, as it now exists and as it may be subsequently amended, is incorporated herein by reference and made a part hereof as though fully set forth herein.

C. Recordation of this Agreement at the Agency's request is conclusive evidence that the Participant has rehabilitated and constructed the improvements on the Site and has otherwise developed the Site in accordance with the Redevelopment Plan and pursuant to the terms and provisions of a certain "Owner Participation Agreement" entered into between the Agency and the Participant on _____, 1999, and that the Agency has waived its legal right to acquire the Site provided that the terms, conditions and covenants set forth herein are faithfully and dutifully performed.

Participation Agreement shall be of no further force and effect. The Agency further agrees to waive its legal right to acquire the Site or any part thereof through the use of eminent domain, provided the Agency may acquire the Site (or any part thereof) through the use of eminent domain in the event that:

If the Agency shall institute an action in eminent domain to acquire the Site or any portion thereof, this Agreement shall then constitute a stipulation on the part of the Participant and its successors, assigns, and each successor in interest that the only issue involved in said eminent domain action shall be the fair market value of the Site (or portion thereof to be acquired).

2. The Participant, on behalf of itself and its successors, assigns and each successor in interest to the Site or any part thereof hereby covenants and agrees:

a. To use, devote and maintain the Site and each part thereof for the uses specified in the Redevelopment Plan.

benefit of and in favor of the Agency and its successors and assigns and the City of _____ . The covenants contained in Sections 1, 2.a and 2.b of this Agreement shall remain in effect until the termination date of the Redevelopment Plan. This Note evidences the amount of the loan, which amount is to be repaid in accordance with this Note.

A. Repayment; Credit

Beginning in the year in which Participant receives a Certificate of Completion, Participant shall receive an annual credit against repayment of this Note in an amount equal to the sum of (i) the Additional Transient Occupancy Tax (as defined herein) plus (ii) the Additional Tax Increment (as defined herein). The "Additional Transient Occupancy Tax" shall mean the amount of transient occupancy tax paid to the City from the operation of the improvements on the Site in a calendar year less the amount of transient occupancy tax paid to the City from the operation of the improvements on the Site in calendar year 1999. "Additional Tax Increment" shall mean eighty percent (80%) of the amount of tax increments (as determined pursuant to Section 33670(b) of the Health and Safety Code) allocated to the Agency from the Site less eighty percent (80%) of the tax increments allocated to the Agency from the Site in tax year 1998-99.

Upon any such sale, proceeds from such sale shall be applied, first, to payment of accrued interest and then to payment of principal hereunder.

B. Transferability

E. The occurrence of any of the following shall constitute an event of **default under this Note:** (i) Participant fails to pay any amount due hereunder within fifteen (15) days of its due date; or (ii) Any default by Participant under the Deed of Trust which is not cured within 30 days after notice, or under the OPA which is not cured within 90 days after notice and a reasonable opportunity to cure; or (iii) any sale or transfer of the Site or any portion thereof in violation of this Note or the OPA; or (iv) any material default by Participant under the Agreement Affecting Real Property recorded against the Site after notice and a reasonable opportunity to cure.

This option may be exercised at any time following any such event, and the acceptance of one or more installments thereafter shall not constitute a waiver of Agency's option. ADDENDUM TO DEED OF TRUST

This Addendum to Deed of Trust is part of the Deed of Trust dated _____ to which it is attached between MARTIN RESORTS, INC., a California corporation, as Trustor, and the REDEVELOPMENT AGENCY OF THE CITY OF EL PASO DE ROBLES, as Beneficiary. The following provisions are made a part of the Deed of Trust:

1. This Deed of Trust, and the Note secured hereby, are entered into in implementation of that certain Owner Participant Agreement (the "OPA") between Trustor (as the Participant) and Beneficiary (as the Agency), dated _____, 1999.

2. No Discrimination. The Trustor covenants by and for itself and any successors in interest that there shall be no discrimination against or segregation of any person or group of persons on account of race, color, creed, religion, sex, sexual preference, age, marital status, physical handicap, medical condition, national origin or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the Property, nor shall the Trustor itself or any person claiming under or through it establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees in the Property.

3. Nondiscrimination Clauses. All deeds, leases or contracts made relative to the Property, the improvements thereon or any part thereof, shall contain or be subject to the nondiscrimination clauses set forth in California Health and Safety Code Section 33436.

4. Default. Notwithstanding any other provisions in this Deed of Trust, the occurrence of any of the following shall constitute an event of default under the Note and this Deed of Trust, and a default may be declared under this Deed of Trust solely upon the occurrence of any of the following: (i) any failure by Trustor to pay any amount due under the Note within fifteen (15) days of its due date; or (ii) any sale or transfer of the Property in violation of the provisions of the Note or the OPA; or (iii) any other default by Trustor under the terms of the Note, OPA, or the Agreement Affecting Real Property recorded against the Property.

5. Subordination. Beneficiary agrees that the terms and conditions of the Note and this Deed of Trust shall be subject to and subordinate to the terms and conditions of a deed of trust in favor of Trustor's lender for Trustor's rehabilitation and construction financing for rehabilitation and construction of the improvements on the Site (as defined in the Note); provided that such lender shall be an approved lender pursuant to the terms and conditions of the OPA, and provided, further, that any such priority lien for Trustor's construction and permanent financing shall not exceed the total amount of FOUR MILLION DOLLARS (\$4,000,000.00) at any one time.
