TO: JAMES L. APP, CITY MANAGER
FROM: BOB LATA, COMMUNITY DEVELOPMENT DIRECTOR *BL*
SUBJECT: CLASSIC AMERICAN THEATRE: APPROPRIATION OF CDBG FUNDS
DATE: NOVEMBER 16, 1999

Needs: For the City Council to appropriate \$50,000 in 1999 Community Development Block Grant (CDBG) for the construction of disabled access improvements for Classic American Theatre at 810 - 11th Street.

- Facts:
1. At its meeting of March 16, 1999, the City Council adopted Resolution 99-41 determining those projects to be funded with the City's allotment of 1999 Community Development Block Grant (CDBG) Funds and \$50,000 in 1997 CDBG funds that had been formerly allocated for the Seismic Structural Design Study Program.
 2. Resolution 99-41 provides that \$50,000 in CDBG funds are to be reallocated from the 1997 Seismic Structural Design Study Program for construction of disabled access improvements for Classic American Theatre at 810 - 11th Street.
 3. The improvements to be installed include the following:
 - a. install a stage that meets NFPA requirements (fire-sprinkled);
 - b. install an electric lift to provide disabled access to the stage;
 - c. install disabled access toilets and partitions (in 2 restrooms);
 - d. install disabled access ramp (inside the building);
 - e. install a disabled access water fountain;
 - f. install audio equipment for the hearing impaired;
 - g. repair concrete at entryway on 11th Street to facilitate disabled access;
 - h. install a handicapped ramp in the curb opposite the entrance door.

The first item is indirectly related to disabled access. The Fire Code requires that the space beneath a raised wooden stage have fire sprinklers. Sprinklers would increase the level of safety for mobility-impaired persons.

Analysis and
Conclusion:

All of the above-listed items are eligible for CDBG-funding. Construction bids are due to be submitted to the City on November 15. CAT is desirous of having construction of the improvements completed by February 1, 2000 so that they can open a show.
