

TO: JAMES L. APP, CITY MANAGER
FROM: BOB LATA, COMMUNITY DEVELOPMENT DIRECTOR 
SUBJECT: CODE AMENDMENT 99007: SKATE PARK REGULATIONS
DATE: DECEMBER 7, 1999

Needs: For the City Council to adopt an ordinance establishing regulations for use of skate parks.

- Facts:
1. The City Council has approved the construction of a Skate Park in Pioneer Park.
 2. California Health and Safety Code Sections 115800 and 115800.1 provide standardized regulations for skate parks that serve to minimize the City's vulnerability to injury claims.
 3. Attached is an ordinance that embodies the requirements of Health and Safety Code Sections 115800 and 115800.1. It is based on an ordinance adopted by the City of Grover Beach for their skate park.

Analysis and
Conclusion:

The ordinance and Health and Safety Code Sections 115800 and 115800.1 require Skate Park users to wear helmets and elbow and knee pads at all times. State law requires that the Skate Park be posted with a sign that advises that skate park users must wear a helmet, elbow pads, and knee pads, and that any person failing to do so will be subject to citation under the ordinance, for an infraction offense.

The ordinance also provides the following regulations governing the Skate Park:

- That it is for use during day light hours only. (Day light hours are defined as 8:00 am until sunset.)
- That the Skate Park is for use by persons using skate boards and in-line skates only. All other uses are prohibited.
- That smoking is not permitted at the Skate Park.
- All persons using the Skate Park shall do so at their own risk.

Policy

Reference: Government Code Section 831.7; Health and Safety Code Sections 115800 and 115800.1

Fiscal

Impact: The ordinance will have no impact to the General Fund. An acceptable level of risk management for the Skate Park may indicate the need to have Police devote some resources (i.e. make some stops at the skate park during patrols) to ensure that the ordinance is enforced.

- Options:
- a. Introduce the attached ordinance for first reading and set December 21, 1999 as the date for second reading and adoption.
 - b. Amend, modify or reject option a.
