FROM: DITAS ESPERANZA, CITY ENGINEER *RE*
SUBJECT: ACCEPTING ROADWAY DEDICATIONS
DATE: MARCH 7, 2000

Needs: That the City Council adopt a Resolution accepting an Offer of Dedication for public road purposes at the southerly extension of Arciero Court.

- Facts:**
1. Tentative Tract 2301 is a 12 single-family residential lot located at the southwest corner of Prospect and Bella Vista Court.
 2. One of the Conditions of Approval for the tentative tract is for the developer (Arciero) to improve one-half of Arciero Court plus 12-feet along his property frontage.
 3. In order to meet this requirement, it is necessary for the adjacent property owners to the west to dedicate their half of the roadway. In return, the developer will be constructing 12-feet of their half of the road and grading to sub-grade elevations for the remaining 18 feet.

**Analysis
and**

Conclusion: Staff requests that the City Council adopt the attached Resolution accepting the roadway dedication for Arciero Court.

SUBJECT: ALLOW ON-SITE WATER WELL FOR A VINEYARD AND A CARETAKER'S UNIT
DATE: MARCH 7, 2000

Needs: For the City Council to adopt the attached Resolution allowing a water well to be used for a vineyard and a caretaker's unit.

- Facts:**
1. The City Council adopted an Ordinance that allows non-city wells for supply of potable and irrigation water for agriculture users.
 2. Hogue-Grips has purchased the property at the southwest corner of Airport and Dry Creek Roads. This property is zoned AG (Agricultural) at this time.
 3. Until such time as they are ready to move their facilities at this location, they will be using this property for vineyards. They will also be installing a caretaker's unit with the vineyard.
 4. Hogue Grips will be drilling a private well to serve their proposed vineyard. They are requesting that the caretaker's unit also be served from this well.

Analysis and Conclusion:

According to the Zoning Code, a caretaker's unit is considered to be an ancillary facility to an agricultural use.

Zoning Code and Water Code

Fiscal Impact:

No revenue will be received from this property's water service since it will be utilizing its own water well.

- Options:**
- A. That the City Council adopt the attached Resolution allowing the use of a non-city water well for a vineyard and a caretaker's facility.
 - B. That the City Council amend, modify or reject the above option.

RESOLUTION NO. 00-

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PASO ROBLES
TO ALLOW THE USE OF A NON-CITY WATER WELL
FOR A VINEYARD AND A CARETAKER'S UNIT

WHEREAS, Hogue Grips is the owner of a property at the southwest corner of Airport and Dry Creek Roads; and

WHEREAS, the proposed use at this time for this property is for a vineyard and a caretaker's unit; and

WHEREAS, the Municipal Code does allow the use of non-city water wells for agricultural use; and

WHEREAS, the City's Zoning Code considers a caretaker unit to be an ancillary facility to the vineyard.

THEREFORE, BE IT RESOLVED AS FOLLOWS:

Section 1. That the City Council of the City of Paso Robles does hereby grant approval to Hogue Grips to drill their own well to provide water to its proposed vineyard.

Section 2. That the City Council of the City of Paso Robles does hereby grant approval that a caretaker's unit to be constructed with the vineyard may also be served water from the well for the vineyards.

Section 3. That the City Council is granting this approval on an interim basis only.

Section 4. That once Hogue Grips relocates its manufacturing business to this location, the caretaker's unit shall connect to City water.

RE: Hogue Grips – Agricultural water use- caretaker's quarters

Dear Ms. Williamson:

Hogue Grips is desirous of placing a caretaker facility adjacent to their proposed vineyard located on their property off Airport Road.

It is our understanding that a caretaker facility is permitted within the agricultural use, as long as the facility is a modular unit or stick-build structure (i.e. no mobile homes permitted)

Hogue Grips is currently installing a well for the agricultural vineyard water and they seek permission to also provide water from this well to a caretaker facility on an interim basis. The chief reason for this request is because City water is not within a reasonable distance of the caretaker unit.

As soon as the proposed Hogue facility is permitted and constructed, the caretaker unit would be connected onto the city water system, which will then be within a reasonable distance.

The request is to permit this agricultural ancillary facility to utilize well water until such time as City water is available via the proposed Hogue Grip building.

We would appreciate the City's consideration of this request.

Sincerely,

John R. McCarthy, P.E.
