BACKGROUND:

On June 4, 2002, the City Council appointed Council members Gary Nemeth and Duane Picanco to an ad hoc Committee to research and develop a program to address sub-areas of the Landscape and Lighting District operating in a deficit. On December 3, 2002, the City Council directed staff to initiate ballot proceedings for each sub-area in the Landscape & Lighting District that is operating in deficit, timing the proceedings such that the results would be incorporated into the annual Levy for fiscal year 2003/2004.

OPTIONS:

- a. As the work of the Committee has been completed and a report has been given to the full Council, it is recommended that the Landscape and Lighting District ad hoc committee be dissolved.
- b. Amend, modify or reject.
