

**TO:** JAMES L. APP, CITY MANAGER  
**FROM:** ROBERT A. LATA, COMMUNITY DEVELOPMENT DIRECTOR  
**SUBJECT:** TEMPORARY ROAD CLOSURE (SHERWOOD ROAD, D. SPURR EXCAVATING)  
**DATE:** MARCH 18, 2003

---

**Needs:** For the City Council to consider allowing the temporary closure of westbound Sherwood Road from Creston Road to Commerce Way.

**Facts:**

1. Dave Spurr Excavating has formally requested the temporary closure of westbound Sherwood Road from Creston Road to Commerce Way for a period of 10 working days to facilitate new road construction associated with the development of the new Food 4 Less store.
2. The closure of Sherwood Road is proposed to occur between the hours of 7:00 am to 4:00 pm each day of the construction period. Westbound traffic on Sherwood Road will be detoured southerly on Commerce Way to Scott Street and westbound on Scott Street to Creston Road. Eastbound traffic on Sherwood Road will not be affected.
3. Neighboring residents in the Quail Run project as well as all businesses in the Sherwood Industrial Park have been or will be notified in advance of the road closure.

**Analysis  
and  
Conclusion**

The request for closure of westbound Sherwood Road to accommodate improvements related to the development of the Food 4 Less store, should result in a safer and more expeditious construction process. Emergency Services, Public Works, and Community Development staff have no objection to proposed abandonment.
