

TO: James L. App, City Manager

FROM: Barbara Partridge, Director Library and Recreation Services

SUBJECT: 2002 Resources Bond Act, Proposition 40 Roberti-Z' Berg-Harris Block Grant

Date: October 21, 2003

Needs: For the City Council to consider applying for grant funds from the Proposition 40 Roberti-Z' Berg-Harris Block Grant Program under the California Clean Water, Clean Air, Safe Neighborhood Parks, and Coastal Protection Act of 2002.

Facts:

1. The Legislature and Governor of the State of California have approved a grant process to initiate deployment of the Proposition 40 Roberti-Z' Berg-Harris Block Grant monies made available in the Park Bond Act of 2002.
2. The California Department of Parks and Recreation has been delegated the responsibility for the administration of the grant program and setting up necessary procedures.
3. The procedures established by the California Department of Parks and Recreation require the governing body of eligible agencies to certify by resolution the approval of the grantee to apply for the Roberti-Z' Berg-Harris Block Grant funding.
4. With the resolution on file, the City may proceed with the application for grant funding.
5. The amount allocated for the City of Paso Robles is \$69,863.
6. The Roberti-Z' Berg-Harris Block Grant funds are allocated on a population based formula and may be added to an existing project.
7. The \$69,863 Proposition 40 Roberti-Z' Berg-Harris Block Grant monies will be earmarked for completion of the Centennial Park Enhancement Project.

Analysis & Conclusion:

The State of California Department of Parks and Recreation requires a resolution approved by the Paso Robles City Council to apply for grant monies made available by the Park Bond Act of 2002. In order to apply for funding, the City of Paso Robles must have a resolution passed and on file. At such time as a resolution has been approved, the City may apply for a contract to encumber the \$69,863 for a park project.
