

TO: James L. App, City Manager

FROM: Robert A. Lata, Community Development Director

SUBJECT: Acceptance of Tract 2350 Phase 3, Lots 92-137 (Weyrich Development Company) for Recordation, Execution of Subdivision Improvement Agreement, and Annexation into the Landscape and Lighting Maintenance District

DATE: December 2, 2003

Needs: That the City Council consider taking a series of three steps toward finalizing development plans for a residential subdivision.

Facts:

1. The applicant, Weyrich Development Company, has requested that Tract 2350 Phase 3 be accepted by the City for recordation. Tract 2350 Phase 3 is a 46-lot subdivision of a 16.70-acre site, located along the extension of Solida Del Sol, between Golden Hill Road and Rolling Hills Road (see Attachment 1).
2. Since the required public improvements have not been completed, the applicants have signed a Subdivision Improvement Agreement guaranteeing the construction of these improvements within a one-year period. Payment and Performance Bonds have been submitted and placed on file in the office of the City Engineer.
3. The applicants have signed a petition and voted in favor of annexation into the Landscape and Lighting District.

**Analysis
and**

Conclusion: Tract 2350 was originally approved by the Planning Commission on November 23, 1999. With the exception of the construction of the public improvements, all conditions imposed by the Planning Commission have been satisfied.

The Subdivision Map Act and the City of Paso Robles Municipal Code authorizes acceptance of final maps when securities have been posted guaranteeing construction of public improvements.

Acceptance of public improvements and release of the securities occurs only after these improvements have been constructed to the satisfaction of the City Engineer and following the adoption of a resolution of acceptance by the City Council.
