

**TO:** James L. App, City Manager  
**FROM:** Meg Williamson, Assistant to the City Manager  
**SUBJECT:** Salinas River Corridor Plan - Ad Hoc Committee  
**DATE:** December 16, 2003

---

**BACKGROUND:**

On March 4, 2003, the City Council appointed Council member Finigan and Mayor Mecham to an Ad Hoc Committee to review the Salinas River outreach and mapping project (Salinas River Corridor Plan). That appointment expires on December 16, 2003. The Salinas River outreach effort is still in its early stages of process and plan formation. It is planned that a strategic outline and associated budget for completion of the Salinas planning effort will be brought forward to the Council in early 2004. Public outreach and plan formation will follow. The Committee could be retained in order to participate in the budget and product formulation process, as well as potential focus group participation.

**OPTIONS:**

- a. Extend the Salinas River outreach and mapping project assignment to December 21, 2004.
- b. Amend, modify or reject the above option.
