

TO: James L. App, City Manager
FROM: Doug Monn, Interim Public Works Director
SUBJECT: Landscape and Lighting district – Ad Hoc Committee
DATE: March 15, 2005

Background:

The Landscape and Lighting District (L&L) was formed by City Council in 1989, to offset costs associated with, but not limited to, median and parkway landscape and street lights. Periodically, the districts must be re-balloted to cover increasing costs that would otherwise result in deficits. The City is in preparation to re-ballot deficit areas in the fall of 2005.

Staff requests that the City Council appoint two members to an ad hoc committee to assist staff in reviewing the consultant's costs and the proposed re-balloting effort.

Options:

- a. Appoint two Council members to an ad hoc committee to assist staff in planning the re-balloting effort for the L&L deficit sub areas reporting back to the full Council by December 31, 2005.
- b. Amend, modify, or reject the above option.
