SUBJECT: Contract Award for Restoration of Landscaping at the Slope Below the Golden Hill Road Tanks

DATE: October 18, 2005

NEEDS: For the City Council to consider awarding a contract to restore the landscaping at the slope below the Golden Hill Road tanks which were damaged as a result of the San Simeon earthquake.

FACTS:

1. The San Simeon earthquake of 2003 damaged the Golden Hill water tanks.
2. The down slope flow of water from the tanks damaged the landscaping along its path.
3. City staff included the cost of the damaged landscaping as part of the total cost to repair the tanks.
4. Staff prepared construction documents for the slope landscaping restoration project and advertised for bids.
5. At the bid opening on September 22, only one bid was received, from Martinelli Landscape Construction in the amount of \$151,000. Staff reviewed the bid and found it to be a responsive bid.

**ANALYSIS
AND**

CONCLUSION: It will be necessary to install the landscaping to return the tank site to pre-earthquake conditions. FEMA will reimburse the City for this cost.

POLICY

REFERENCE: Public Works Contract Code

FISCAL

IMPACT: City will be reimbursed the costs for this contract from FEMA. The City will be required to cover the cost of the landscape installation from Account No. 100.820.5452.257/258 pending future reimbursement by FEMA.
