To: All members of the Paso Robles City Council

From: Cody Ferguson

Subject: Application for planning commission

Dear Sirs,

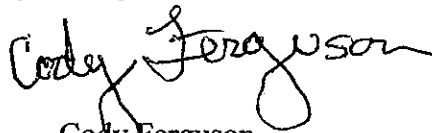

I have applied for membership on the Paso Robles Planning Commission. Subsequently I have been afforded an interview with you on December 7, 2005 at 7:35 PM. I am sad to report that I will be unable to keep my appointment on that date as my wife and I have committed to participating in a national charity event that starts on December 7th and continues through December 11th.

In lieu of an interview perhaps I can at least express my interest in serving our city.

I am the third generation of the same family to live out my life on our property in Kiler Canyon. Our residence is less than one mile from the city limits and is well within one of Paso Robles legal 'spheres of influence'. My interest in serving our city as a planning commissioner is quite simple. Since 1947 I have watched Paso Robles grow from then less than 5,000 to now more than 25,000 people. This growth in "darn near paradise" is inevitable, however, in my view, not enough emphasis has been placed on corresponding infrastructure improvements. The rapid expansion of Paso Robles has seriously out stripped the infrastructure and the basic services that are necessary to the safe, reasonably priced administration of a small city.

In closing please allow me say that although I do not live within the city limits I do consider myself a 'roblan'. I do not depend in any 'vested' way upon the future growth of the city for my income, which eliminates any obvious inherent conflicts of interest. I have always loved Paso Robles, as did my parents and my grandparents, and I would be honored to serve the city as a planning commissioner. In doing so can offer a perspective that only someone who has been here for over 55 years can bring to the commission.

Thank you for your consideration.

Cody Ferguson
