DISCUSSION

13. **Ordinance Pertaining to Residency Restrictions for Certain Sex Offenders**
 D. Cassidy, Chief of Police

Consider adopting an ordinance augmenting residence restrictions for certain convicted sex offenders. (Current State law restricts only those sex offenders currently on parole from residing within one-quarter mile of any public or private school attended by children in Kindergarten through Grade 8 during their period of parole. This ordinance would enhance the protection by establishing areas around locations where children regularly congregate wherein certain sexual offenders shall be prohibited from establishing temporary or permanent residence. It would also require property managers, landlords, and realtors to disclose the existence of the ordinance prior to the commencement of any sale, rental, or leasing transaction.) CONTINUED FROM JANUARY 3, 2006

Mayor Mecham opened the public hearing. Speaking from the public were Dale Gustin, Barbara Harris, Steven Stanley, Kathy Barnett, Lynn Miller, Cynthia Fisher, and Linda Evans. There were no further comments from the public, either written or oral, and the public discussion was closed. At the request of Councilmember Nemeth, Chief Cassidy outlined Section 290 of the California Penal Code and how it would relate to the proposed ordinance.

Councilmember Nemeth, seconded by Councilmember Strong, moved to introduce for first reading Ordinance No. XXX N.S. adding a new Chapter 9.46 to Title 9 of the Municipal Code of the City of El Paso de Robles pertaining to residency restrictions for certain sex offenders; and set February 21, 2006 as the date for adoption of said Ordinance.
