

TO: James L. App, City Manger

FROM: John Falkenstien, Interim Director of Community Development

SUBJECT: Amendment of Future Annexation of Territory into Community Facilities District No. 2005-1 (Public Services)

DATE: March 7, 2006

Needs: That the City Council consider adopting a "Resolution of Intention" to provide for the Future Annexation Area 2 (City Annexations 86, 87, and 88 Olsen, Beechwood and Our Town) into the Community Facilities District No. 2005-1 in order to finance the costs of public services necessary or incidental to development of the Future Annexation Area 2.

Facts:

1. The City of Paso Robles has conducted proceedings pursuant to the "Mello-Roos Community Facilities Act of 1982", (Government Code Section 53311 and following) (the "Act") to form a community facilities district known and designated as COMMUNITY FACILITIES DISTRICT NO. 2005-1 (PUBLIC SERVICES) (the "District") to finance the increased demand for public services (the "Services") resulting from new development within the District. The services to be financed by the CFD comprise services ("Services") authorized to be financed pursuant to Section 53313 and 53313.5 of the Government Code. CFD 2005-01 shall finance Services only to the extent they are in addition to those provided in the territory of CFD 2005-01 before the CFD was created and such Services may not supplant services already available within CFD 2005-01 when the CFD was created.
2. The City has also undertaken proceedings pursuant to Article 3.5 of the Act to provide for the future annexation of certain territory, including the Property, to the District. On April 5, 2005, the City held a public hearing as required by the Act, to consider the future annexation of such territory, including the Property, to the District. Notice of such hearing was given in the form and manner as required by law. At the conclusion of such public hearing, the legislative body of the City did approve and provide for the annexation in the future upon the unanimous approval of the owner or owners of each parcel or parcels at the time that such parcel or parcels are annexed, without additional hearings.
3. Resolution No. 05-063 adopted by City Council on April 5, 2005, authorizes the City to annex to CFD 2005-1, properties which will be assessed only for eligible public services, without further public hearings or formal elections upon receipt of written consent from the owners.

4. The adoption of the resolutions will streamline and expedite the annexation process into the District by shortening the timeline for certain actions by the City Council.
5. Annexations to the City of the Beechwood, Olsen and Our Town areas (Annexation Nos. 86, 87 and 88) occurred subsequent to the approval and recordation of the map of the Future Annexation Area 2 of Community Facilities District No. 2005-1. The proposed resolution is to set a public hearing on the procedures to provide for the future annexation of the Beechwood, Olsen and Our Town areas into CFD 2005-1.

**Analysis
and**

Conclusion: Annexation to the City's CFD 2005-1 is necessary to mitigate projected adverse fiscal impacts of new residential development.

In order to apply Community Facilities District No. 2005-1 to areas newly annexed to the City it is necessary to amend the map of CFD No. 2005-1.

Policy

Reference: General Plan

Fiscal

Impact: With annexation to the CFD, none. The future annexation of territory into the District will have a beneficial impact to the City's budget in that, upon implementation of the proposed financing district, it would assist in the funding of police and fire services that would otherwise come from the City's general fund.

- Options:**

 - b. Amend, modify or reject the above option.
