

ORDINANCE NO. XXX N.S.

AMENDING THE ZONING MAP ESTABLISHED BY REFERENCE IN
SECTION 21.12.020 OF THE ZONING CODE (TITLE 21) ZONE CHANGE 05-007

WHEREAS, the City has initiated Rezone 05-007 to add Planned Development Overlay Zoning (PD) to the existing R1-B3 zoned property located at the northeast corner of Charolais Road and South River Road; and

WHEREAS, by applying PD overlay zoning to the property, subdivision could take advantage of reduced lot sizes, while providing additional right of way for future improvements at the Charolais Road and South River Road intersection; and

WHEREAS, the existing General Plan Land Use designation of the 2.5-acre site is RSF-2 (Residential Single Family, two units per acre), the existing zoning is R1, B3 (Residential Single Family, 20,000 square foot minimum lot size)

WHEREAS, it would appear that the 2.5-acre site could be subdivided into 5 half-acre lots; and

WHEREAS, although PD Overlay would allow reduced lot sizes, it would not allow the developer to request additional lots; and

WHEREAS, at its February 28, 2006 meeting, the Planning Commission took the following actions:

- a. Considered the facts and analysis, as presented in the staff report and the attachments thereto.
- b. Conducted a public hearing to obtain public testimony on the proposed Project and the environmental determination therefor.
- c. Based on the information contained in the Initial Study prepared for the Project, a determination has been made that there is no substantial evidence that the Project would have significant adverse effect on the environment and thus a Negative Declaration can be adopted by the Planning Commission.
- d. Recommended that the City Council on a 6-0 vote (Commissioner Mattke was absent) approve Rezone 05-007.

Based on the information contained in the Initial Study prepared for the Project, a determination was made, based on the independent review and judgment of the City Council, that there was no substantial evidence that the Project would have significant adverse effect on the environment and thus a Negative Declaration was adopted by separate Resolution.
