

TO: James L. App, City Manager

FROM: Ron Whisenand, Community Development Director

SUBJECT: Approval of Final Map of Tract 2775, (Maplewood Estates, LLC) for Recordation, Execution of Subdivision Improvement Agreement, and Annexation No. 05-019 to Community Facilities District No. 2005-1

DATE: June 20, 2006

Needs: That the City Council consider taking a series of steps toward recordation of the Final Tract Map for Tract 2775, a residential subdivision.

Facts:

1. The applicants Charter Pacific Holdings, Inc. have requested that Tract 2775 be authorized by the City for recordation. Tract 2775 is a 17-lot subdivision of a 7.62-acre site located on the west side of Maple Street just south of Pacific Avenue (see Attachment 1).
2. Since the required public improvements have not been completed, the applicants have signed a Subdivision Improvement Agreement guaranteeing the construction of these improvements within a one-year period. Payment and Performance Bonds have been submitted and placed on file in the office of the City Engineer.
3. The applicants have signed the documents needed for annexation of Lots 1 through 17 into the Community Facilities District (CFD).
4. The applicants have signed a petition and voted in favor of annexation into the Landscape and Lighting District.

**Analysis
and**

Conclusion: Tract 2775 was originally approved by the Planning Commission on December 13, 2005. Annexation of Lots 1 through 17 in to the City's Community Facilities District 2005-1 is necessary to mitigate projected adverse fiscal impacts of new residential development.

With the exception of the construction of the public improvements, all conditions imposed by the Planning Commission have been satisfied. The Subdivision Map Act and the City of Paso Robles Municipal Code authorizes acceptance of final maps when securities have been posted guaranteeing construction of public improvements.

Acceptance of public improvements and release of the securities occurs only after these improvements have been constructed to the satisfaction of the City Engineer and following the adoption of a resolution of acceptance by the City Council.

Fiscal

Impact: With annexation to the CFD, none.

Options: That the City Council accept the subject map and agreement by taking the following actions:

- a. **(1)** Adopt Resolution No. 06-xx authorizing the recordation of Tract 2775, a 17-lot subdivision located on the west side of Maple Street south of Pacific Avenue, and authorizing the Mayor to execute the Subdivision Improvement Agreement guaranteeing the construction of the subdivision improvements with an established deadline of June 6, 2007 to complete these improvements; and
 - (2)** Adopt Resolution No. 06-xx annexing Lots 1 through 17 of Tract 2775 into Community Facilities District No. 2005-1, and directing the City Clerk to record the Amendment to the Notice of Special Tax Lien; and
 - (3)** Adopt Resolution No. 06-xx annexing Tract 2775 into the Landscape and Lighting District.
- b. Amend, modify or reject the above option.
