ADDITIONAL INFORMATION

Please provide any supplemental information to this application, including the specific reason you believe you should be appointed to this advisory body.

A long-time interest in community development (in Cupertino, CA and Bodega Bay, CA), education of the public, creating environments that serve the community, and working at all levels of local government. I have always been a volunteer in every community where I have lived, working in local environmental restoration, serving on the board of a women's/family shelter in the Bay Area, a docent with the Laguna de Santa Rosa Foundation or working as a member of the Bodega Bay Grange. I firmly believe each citizen needs to give back to the community in which he or she resides. With my interest in environment and community development I believe I could be a real asset to the City of Paso Robles in this particular position.

UPON RECEIPT OF A TIMELY FILED APPLICATION, THE CITY CLERK'S OFFICE WILL SEND NOTIFICATION TO EACH APPLICANT AND A CITY COUNCIL INTERVIEW SCHEDULE WILL BE ARRANGED.

See Marketing highlights on enclosed resume. I have extensive experience utilizing art for community development.

One program I developed won a National Endowment for the Arts Award and was recognized by the California Dept. of Education as a model program. It identified problem youth BEFORE they committed violent crime and offered them creative ways to problem solve. This program has anecdotal evidence supporting this claim and was successful in solving various community issues. State budget problems interfered with the progress of this program.

In 1997 I was also hired by the California Arts Council to help organize the Governors Conference on the Arts.

Lastly, my family has a long history of community involvement in Northern California, and is still highly evolved at the State level. This tradition is the backdrop for my interest and efforts in public service.
