My current term on the Paso Robles Library Board has increased my belief that a vibrant library is an essential asset to an equally vibrant community & the well-being of its citizens. As a Library Volunteer, I observe first-hand the important role of the library in the lives of individual patron customers. I continue to serve on the System Advisory Board of the Black Gold Cooperative Library System of which Paso Robles is a member jurisdiction. My CALTAC Board of Directors position exposes me to broader library & library management related issues as well as the experience & expertise of library trustees & commissioners state-wide. I would like very much the opportunity to serve another term on the Library Board to assist in ensuring the continuation of the library's current high level of service & its further development towards meeting the needs of our growing community.

UPON RECEIPT OF A TIMELY FILED APPLICATION, THE CITY CLERK'S OFFICE WILL SEND NOTIFICATION TO EACH APPLICANT AND A CITY COUNCIL INTERVIEW SCHEDULE WILL BE ARRANGED

Please see my attached list of community involvement and leadership roles. I am very passionate about education and learning and believe that public libraries are a vital component in a community's future. It is my hope that I can bring to the board the perspective of both a student and a younger member of the community. As a student, public libraries have played a very vital role in my life and education - as such, I would love to give back to the community in this capacity.
