

TO: James L. App, City Manager
FROM: Mike Compton, Director of Administrative Services
SUBJECT: North County Shuttle Marketing Agreement and Budget Appropriation
DATE: August 1, 2006

Needs: For the Council to adopt resolution approving a contract with Transit Marketing to develop marketing materials for the North County Shuttle (NCS).

Facts:

1. The Council at their June 20, 2006 meeting authorized the implementation of the NCS.
2. The NCS is a new transit service to be provided jointly by the City of Atascadero and City of Paso Robles.
3. To increase the opportunities for success, a professionally developed marketing plan is critical.
4. Selena Barlow of Transit Marketing, the preparer of the City's Marketing Assessment and Marketing Plan, has proposed to assist the City in developing a marketing plan (proposal attached).
5. The City of Atascadero has agreed to reimburse the City 50% of the cost.

Analysis
and
Conclusion:

Implementation of the NCS as authorized by the Council at their June 20, 2006 must be accompanied by a professionally designed marketing effort. Selena Barlow of Transit Marketing has the expertise and experience undertake this effort on the behalf of the City. She has proposed to develop a marketing plan at a cost of \$17,500. City of Atascadero will bear 50% of the cost.

The proposed agreement does not include implementaton costs just the development costs. Implementation costs; i.e. bus stop signs, the guide, adding the logo to the buses and printing/publication of other miscellaneous marketing materials are additionally.

The Council's at their June 20, 2006 to adopted revised Scenario #3 which included NCS, mid-day shuttle and limited Sunday service. Revised Scenario #3 will be

implemented in phases given the amount of work required and the current lack of bus capacity.

The first implementation phase will be the immediate development of “branding” and marketing materials for the North County Shuttle. This effort will be followed by a similar effort for Routes A and B and finally for the mid-day shuttle.

Fiscal
Impact:

The Council previously approved a budget appropriation in the amount of \$55,800 for the preparation of the Short Range Transit Plan update and development of the marketing assessment and plan. To date, \$41,177 has been spent. The final billing has not yet been received but it is expected that there may be some funds remaining for implementation.

The Council approved a TDA allocation of \$25,000 for marketing plan implementation for *all City transit services*. However, a formal budget appropriation for the \$25,000 has not yet been adopted by Council.

This request for \$40,000 is intended to provide for the \$25,000 TDA allocation plus an estimated \$15,000 (50% of \$17,500 plus \$6,250 for implementation) cost reimbursement that may be expected from the City of Atascadero for their share of marketing plan and implementation for the North County Shuttle.

Options:

- a. That the Council adopt Resolution No.06 – XXX approving an agreement with Transit Marketing and a one time budget appropriation of \$40,000; or
- b. Amend, modify, or reject the above option.
