

TO: Chairman and Members of the Planning Commission

FROM: Ron Whisenand, Community Development Director

SUBJECT: Annual Report on the General Plan

DATE: September 12, 2006

Needs: To consider a status report on the implementation of the General Plan.

- Facts:
1. California Government Code Section 65400 requires local jurisdictions to prepare an annual report on the status of the General Plan and progress towards its implementation. Through 2006, this report is to be submitted to the Governor's Office of Planning and Research and to the Department of Housing and Community Development (HCD) by October 1. Beginning in 2007, this report must be submitted by April 1.
 2. The Housing Element report must include an assessment of progress made toward meeting the City's share of the Regional Housing Need.
 3. Submittal of the Housing Element Report to HCD is a requirement for application for the State's Workforce Housing (WFH) Grant. In June 2005, the City received a Workforce Housing Grant of \$258,634 as a reward for approval of the Canyon Creek Apartment project. With the issuance of a building permit for the Oak Park Senior Housing Project, the City will be eligible for another WFH Grant in 2006.
 4. Attached is an annual report that basically has two parts. The first (Exhibit A) is a table containing brief descriptions of every Action Item, except those in the Housing Element, with thumbnail descriptions of their status of implementation. The second (Exhibit B) is the Housing Element Report, with discussions of progress toward meeting the City's share of the Regional Housing Need and a similar table as that in Exhibit A for the Housing Element Action Items.

Analysis and
Conclusion:

There is no state-mandated format for the General Plan Annual Report. The format of Exhibit A in the attached report is similar to that employed in previous years for reporting on implementation of Economic Strategy Action Items. The format for the Housing Element Report (Exhibit B) was the same as that submitted to HCD in 2004 for the City's Workforce Housing Grant application.

A statistic not included in Exhibit A that has been the subject of recent inquiries is the status of park acreage per thousand population. Policy PR-1A of the Parks and Recreation Element calls for the City to strive to achieve a 7 acres per thousand population parkland standard. On January 1, 2006, the City's population was estimated to be 29,000.

The Parks and Recreation Element Appendix includes an inventory of existing park facilities, "other recreational facilities" (e.g., Robbins Field, Senior Center, Veterans Center, Municipal and Therapy Pools) and school facilities (sports fields). Attached is a spreadsheet inventory of these facilities showing a combined acreage of 215 acres, which yields a current ratio of 7.4 acres per thousand population.

Staff from all departments contributed to the preparation of this report. In the 30 months since adoption of the General Plan, it appears that the City has made considerable progress in implementing the action items.

Policy

Reference: California Government Code Section 65400

Fiscal Impact: None.

Options: After consideration of any public testimony, that the Planning Commission recommend that the City Council consider the following options:

- a. Via voice vote (minute action), approve submittal of the 2006 General Plan Annual Report to the Governor's Office of Planning and Research and to the Department of Housing and Community Development;
- b. Amend, modify or reject the foregoing options.

Prepared by:

Ed Gallagher
Housing Programs Manager

ED\GPA-RZ\ANNUAL REPORTS\2005\PCR 091206

City of El Paso de Robles

Annual Report on the General Plan

2006

(Prepared pursuant to Government Code Section 65400)

Presented to the Planning Commission on September 12, 2006
Approved by the City Council on September 19, 2006

Mandate for Annual Report on the General Plan

Section 65400 of the Government Code requires that the Planning Commission shall do both of the following:

- (a) Investigate and make recommendations to the legislative body regarding reasonable and practical means for implementing the general plan or element of the general plan, so that it will serve as an effective guide for orderly growth and development, preservation and conservation of open-space land and natural resources, and the efficient expenditure of public funds relating to the subjects addressed in the general plan.
- (b) Provide by April 1 of each year an annual report to the legislative body, the Office of Planning and Research, and the Department of Housing and Community Development that includes all of the following:
 - (1) The status of the plan and progress in its implementation.
 - (2) The progress in meeting its share of regional housing needs determined pursuant to Section 65584 and local efforts to remove governmental constraints to the maintenance, improvement, and development of housing pursuant to paragraph (3) of subdivision (c) of Section 65583.

The housing element portion of the annual report, as required by this paragraph, shall be prepared through the use of forms and definitions adopted by the Department of Housing and Community Development pursuant to the rulemaking provisions of the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2).
 - (3) The degree to which its approved general plan complies with the guidelines developed and adopted pursuant to Section 65040.2 and the date of the last revision to the general plan.
- (c) For the 2006 calendar year, the planning agency may provide the report required pursuant to subdivision (b) by October 1, 2006.

Composition of the General Plan

Government Code Section 65302 requires that the General Plan contain the following seven mandatory elements:

- 1. Land Use;
- 2. Circulation;
- 3. Housing;
- 4. Conservation;
- 5. Open Space;

- 6. Noise;
- 7. Safety.

Government Code Section 65303 provides that, in addition to the mandatory elements, local jurisdictions may adopt optional general plan elements to address other policy matters related to the physical development of the community.

History of Adoption and Amendment of Current Elements of Paso Robles’ General Plan

The City of Paso Robles’ General Plan currently consists of the eight elements listed in the table below.

Element	Date of Adoption	Adopted by Resolution
Land Use	December 16, 2003	03-232
Circulation	December 16, 2003	03-232
Housing	December 07, 2004	04-262
Open Space	December 16, 2003	03-232
Conservation	December 16, 2003	03-232
Safety	December 16, 2003	03-232
Noise	December 16, 2003	03-232
Parks & Recreation	December 16, 2003	03-232

Since its adoption in December 2004, the Land Use Element has been amended as follows:

Text Amendments:

- 1. GPA 04-01: Resolution 05-004, adopted on 01/04/05. Component B (re-)established the Airport Influence Area (Page LU-30).
- 2. GPA 2005-001: Resolution 05-249, adopted on 12/20/05. Revised “build-out” projections; made changes to Pages LU-1, 2, 3, 4, 7, and 8.

Land Use Map Amendments:

- 1. GPA 04-01: Resolution 05-004, adopted on 01/04/05, consists of the following components:
 - A. Revised the boundaries of the Oak Park Specific Plan Overlay Area to remove those properties located north of 34th Street from the overlay area.
 - B. Established the boundaries of the Airport Influence Area.
- 2. GPA 2006-001: Resolution 06-034, adopted on 03/21/06, consists of the following components:

- A. Redesignated 28 acres located on the east end of Wisteria Lane from Parks and Open Space (POS) and Agriculture (AG) to Business Park (BP).
- B. Redesignated 5 acres located on the southeast corner of River Oaks Drive and Experimental Station Road from Commercial Service (CS) to Residential, Multiple Family, 12 units per acre (RMF-12).
- C. Added Office Overlay Designation to a parcel located on the northeast corner of 14th and Olive Streets (405 – 14th Street).

Progress Made in Implementing the General Plan

This report addresses progress made on implementing the General Plan between adoption of the elements and June 30, 2006. Attached are the following two exhibits.

Exhibit A is a table containing abbreviated descriptions of all Action Items from every element, except the Housing Element, and thumbnail description of the status of completion. (It should be noted that some Action Items are intended to be ongoing actions, that is, actions the City undertakes on a recurring basis.)

Exhibit B is a discussion of progress made in implementing the Housing Element.

Exhibit A: Status of General Plan Action Items as of June 30, 2006

Note: The Action Items in the table below are but brief descriptions intended to identify the subject matter of the action items and not to serve as a legal substitute for the full text of the Action Items. Please refer to the General Plan text for the full text of the action items.

Policy	Action Item Number & Brief Description	Status
	LAND USE ELEMENT	
LU-1A Land Use Categories	<ol style="list-style-type: none"> Amend/update the Zoning Ordinance to ensure that there is a Zoning District for each General Plan Land Use Category on Table LU-2. Allow projects in the Mixed Use land use category and/or in Specific Plan areas to be developed with more than one land use. 	<ul style="list-style-type: none"> Completed: R-5 (RMF-20), Mixed Use and Senior Housing Overlay Zones. Yet to be completed: PF, MH, and Vine Street Overlay Zones <p>Completed: Mixed Use Overlay regulations. In progress: Chandler Ranch Area, Olsen Ranch, and Beechwood Area Specific Plans.</p>
LU-1B Airport Land Use Compatibility	<ol style="list-style-type: none"> Prohibit further subdivision of land within the Airport Land Use Review Area, or changes to land use or zoning, that would accommodate additional dwelling units. 	<p>Completed: Airport Land Use Plan Update</p>
LU-2B Visual Identity	<ol style="list-style-type: none"> Amend/Update the Zoning Ordinance to define standards. Encourage property-owners to upgrade existing buildings and sites to conform to these standards. <ol style="list-style-type: none"> Adopt design standards to clearly articulate how important public views, gateways and landmarks are to be maintained/enhanced. Ensure that residential building lots are of sufficient size to preserve the topographic and aesthetic features of the landscape. Require utilities to be placed underground in new development projects. Continue to enhance the downtown as a priority. Require new development to mitigate its share of the impacts to the natural and built environment as feasible and appropriate. 	<p>Zoning Code Amendment to be scheduled. Design guidelines have been completed for commercial, industrial, and multi-family development.</p> <ul style="list-style-type: none"> In Progress FY 06/07: As needed/ongoing action <p>Ongoing action Ongoing action</p>
LU-2C Local Heritage	<ol style="list-style-type: none"> Establish a Vine Street Historic Overlay District and adopt design guidelines. Review new development projects for consistency with the Downtown design guidelines and the Vine Street neighborhood guidelines. <ol style="list-style-type: none"> Review/revise the Zoning Ordinance to address the size, use and appearance of accessory structures to ensure neighborhood compatibility. Preserve health and safety, and strengthen the integrity of neighborhoods and districts by implementing traffic calming measures. Develop safety and traffic calming measures for the design of streets. Review and update, as necessary, the City's Building Security & Construction Standards for exterior lighting, security, and safety measures. 	<ul style="list-style-type: none"> Completed: Community Facilities District In progress: updating of AB 1600 fees to offset impacts to City infrastructure. As needed/ongoing action: mitigation via conditions on new development. Completed: design guidelines To be scheduled.: Vine Street Overlay District As needed/ongoing action (downtown) To be scheduled. (Vine Street). <p>To be scheduled.</p> <p>Completed: Traffic calming plan Completed: Traffic calming plan To be scheduled.</p>
LU-2D Neighborhoods		

Exhibit A: Status of General Plan Action Items as of June 30, 2006

Policy	Action Item Number & Brief Description	Status
LU-2E Purple Belt	5. Require all new lighting to be shielded and directed downward in such a manner as to not create off-site glare or adversely impact adjacent properties.	Ongoing action
	6. Continue to enforce the glare provisions of the Zoning Ordinance.	Ongoing action
	1. Coordinate with the County and private organizations to identify boundaries of and obtain support for a "purple-belt" that buffers the eventual edge of the City.	In Progress FY 06/07: Purple Belt Plan
	2. Acquire development rights/easements within the designated purple belt area.	To be scheduled after adoption of a Purple Belt Plan.
	3. Ensure that the County retains surrounding lands in very low-density rural residential, open space, and agricultural uses.	As needed/ongoing action
	4. Implement strategies that help preserve or protect agriculture beyond the City limits.	To be scheduled after adoption of a Purple Belt Plan.
LU-2F Planning Impact Area	5. Require disclosure agreements for new non-agricultural development within 500 feet of an existing agricultural use.	Ongoing action
	1. Evaluate annexation requests for conformance with adopted General Plan goals, policies and action items, as well as public infrastructure and service plans.	Completed: Olsen Ranch, Beechwood Area, and Linne Road (Our Town) Annexations.
LU-2G Specific Plans	2. Continue to review and comment on planning efforts and development projects being considered by the County within the City's Planning Impact Area.	As needed/ongoing action
	1. Encourage establishment of Specific Plans for other areas.	In Progress FY 06/07: Chandler Ranch Area, Olsen Ranch, and Beechwood Area Specific Plans.
LU-2H Downtown	2. With environmental review of new Specific Plans, prepare fire station analysis identifying staffing requirements, station location, and response times.	In Progress: Chandler Ranch Area, Olsen Ranch, and Beechwood Area Specific Plans.
	1. Continue requiring new projects to implement the adopted Downtown Design Guidelines and to adhere to the development standards of the Zoning Ordinance.	As needed/ongoing action
LU-2I Infill	2. Promote a vibrant Downtown using several specified methods.	Ongoing action
	1. Amend the Zoning Ordinance to allow mixed-use projects in the Downtown and other suitable locations.	Completed: Mixed Use Overlay regulations.
LU-2J Public Art	2. Prior to or concurrent with consideration of any mixed use projects, stringent design and construction standards shall be established.	Completed: Mixed Use Overlay regulations.
	1. Public and private development projects shall be required to contribute toward the establishment and maintenance of art in public places.	Completed: Public Art Policy
LU-4A Service Levels	1. Direct City revenues towards continuing to fund the public services and on-going maintenance/operation of public facilities and utilities provided by the City.	See response to Action Item #5 under Policy LU-2B.
	2. Require new development in annexation areas and/or specific plan areas to establish funding mechanisms to pay for the construction, maintenance, and operation of required City services and facilities on an on-going basis.	See response to Action Item #5 under Policy LU-2B.
	3. Require a fiscal impact analysis for new development in annexation areas and/or specific plan areas and condition projects accordingly so as to ensure that they will be fiscally neutral and not result in a net loss for the City.	In Progress FY 06/07: Chandler Ranch Area, Olsen Ranch, and Beechwood Area Specific Plans.
	4. As part of implementation of the General Plan Update: - Review/refine the existing Growth Management Plan to address Emergency service needs on a periodic basis.	● Growth Management Plan Update to be scheduled for FY 06/07

Exhibit A: Status of General Plan Action Items as of June 30, 2006

Policy	Action Item Number & Brief Description	Status
LU-4B Public Schools	<ul style="list-style-type: none"> - Revise/update the City's Master Plans of Water, Sewer, Storm Drainage, and Solid Waste and City standards and specifications for public facilities. - Update the Capital Improvement Program so that it is in conformance with the revised Master Plans. - Investigate expansion of branch libraries to serve outlying areas and adding new outreach programs, including a book mobile. - Implement planned City library expansion into the 2nd floor of the existing library and develop City hall relocation plans, as feasible. - Maintain the Youth Arts Center satellite library. 	<ul style="list-style-type: none"> • In Progress FY 06/07: Updates of Storm Drain, Water, and Sewer Master Plans • Solid Waste Master Plan Update to be completed in December 2006. • To Be Scheduled: Library expansion and branches • Scheduled for FY 06/07: Civic Center Master Plan • Ongoing action. To be scheduled: move to now facility in partnership with First 5 School Readiness Family Resource Center
	<ol style="list-style-type: none"> 1. Enable collection of impact fees for development of capital facilities for public schools permitted by State Law to be collected with issuance of building permits. 2. Investigate and implement means to eliminate shortfalls that may result from the insufficiency of those impact fees to fund the acquisition of sites and construction of public schools. Such means may include the following: <ol style="list-style-type: none"> 1. Conditioning legislative actions upon payment of supplemental fees, or making dedications of land in lieu of fees. 2. Formation of Community Facilities Districts or equivalent tools which include funding for acquisition of sites for and construction of public schools. 3. Support the school districts' request that public school sites be located in accordance with specified standards; 4. Refer development applications to Paso Robles and Templeton School Districts. Seek to minimize traffic and circulation problems in the vicinity of school sites. 5. Facilitate the provision of schools by continuing to work closely with the school districts during the site selection and development process. 	<p>Ongoing action</p> <p>Community Facilities District provisions have been established; there do not appear to be further steps that can be taken at this time.</p> <p>As needed/ongoing action</p> <p>Ongoing action</p> <p>As needed/ongoing action</p>
CIRCULATION ELEMENT		
CE-1A Circulation Master Plan	<ol style="list-style-type: none"> 1. Pursue funding and implementation of the circulation improvements shown in Table CE-1 (following this table). 2. Use Municipal Code and CEQA for setting conditions of approval of development applications to provide adequate access to all parcels and to make appropriate improvements to the transportation systems serving subject sites. 3. Preserve right-of-way and require construction in-lieu fees and developer fees and/or region-wide supplemental funding to construct bridges and interchanges. 4. Encourage the County to require development surrounding the City to dedicate and improve streets to City Standards to provide other transportation improvements, and to pay the City's transportation development impact fees. 5. Update the Zoning, Subdivision, Streets and Sidewalk chapters of the Municipal Code, as well as the Standard Conditions of Approval and Standard Specifications and Details as needed. 	<p>See comments on Table CE-1.</p> <p>Ongoing action</p> <p>As needed/ongoing action</p> <p>As needed/ongoing action</p> <p>As needed/ongoing action.</p>

Exhibit A: Status of General Plan Action Items as of June 30, 2006

Policy	Action Item Number & Brief Description	Status
	<ol style="list-style-type: none"> 6. Develop a traffic calming program, and implement traffic calming measures to minimize the impacts on the use of local streets by vehicular traffic and to maintain/enhance health, safety and livability of the neighborhoods. 7. Use the Capital Improvement Program and the City's Budget process to prioritize and fund major improvements. 8. Continue to actively seek federal, state, and regional grants and/or funding. 9. Use development impact fees to fund any needed improvements as may be required to serve new development. Update these fees as necessary. 10. Install handicapped ramps on street corners. 11. Explore the feasibility of all traffic signals with centralized control systems. 12. Consider establishing limitations on unnecessary truck traffic in residential areas, including signed truck routes. 	<p>Completed: Traffic calming plan</p> <p>As needed/ongoing action</p> <p>Ongoing action</p> <p>Ongoing action</p> <p>Ongoing action</p> <p>Ongoing action</p> <p>In Progress in FY 06/07 as part of Pavement Management Program.</p>
CE-1C Airport	<ol style="list-style-type: none"> 1. Establish policy and actions items as part of the Airport Master Plan and Airport Land Use Plan Updates. 2. Pursue federal and state grants for airport improvement projects. 	<p>Completed: Airport Master Plan and Land Use Plan Updates</p> <p>As needed/ongoing action</p> <p>As needed/ongoing action</p>
CE-1D Transit	<ol style="list-style-type: none"> 1. Continue operation of local bus service and inter-connection with regional transit. 2. Make information available on traffic and circulation, as well as transit. 3. Require new development to provide bus stops, shelters, and turn outs. 	<p>As needed/ongoing action</p> <p>As needed/ongoing action</p> <p>As needed/ongoing action</p>
CE-1E Rail	<ol style="list-style-type: none"> 1. Maintain adequate freight rail service to commercial and industrial properties located along the railroad right-of-way. 2. Coordinate with the San Luis Obispo Council of Governments regarding the potential for commuter rail service. 3. Investigate expanding Amtrak rail service to the City. 4. Promote the Amtrak bus feeder link, which provides connections to trains north and south of the City. 	<p>Ongoing action</p> <p>SLOCOG is working on this action.</p> <p>SLOCOG and SLORTA are working on this action.</p>
CE-1F Pedestrian Access & General Coordination	<ol style="list-style-type: none"> 1. Implement an ongoing program to identify and eliminate hazardous conditions to pedestrians. 2. Provide safe and convenient pedestrian, bicycle and vehicle access to the Cuesta College North County Campus, through specified means. 3. Work with San Luis Obispo County and SLOCOG to create/integrate local traffic models as tools to evaluate impacts/formulate appropriate mitigation measures. 	<p>In Progress FY 06/07: ADA study</p> <p>To be scheduled</p> <p>Ongoing action</p>
	<p>HOUSING ELEMENT</p> <p><i>The Housing Element is analyzed in a separate table.</i></p>	
	<p>CONSERVATION ELEMENT</p>	
C-1A Water Source, Supply & Distribution	<ol style="list-style-type: none"> 1. Investigate and implement if feasible, development of supplementary water supplies to provide diversified resources and receive aquifer demand. 	<p>Ongoing action; Nacimiento Project is in design; agreement reached with PRIOR Group regarding Paso Robles Groundwater Basin.</p>

Exhibit A: Status of General Plan Action Items as of June 30, 2006

Policy	Action Item Number & Brief Description	Status
	<p>2. Investigate and implement, if feasible, basin recharge programs through non-traditional methods</p> <p>3. Maintain/update the Urban Water Management Plan and implement Best Management Practices as feasible.</p> <p>4. Maintain an updated Water Master Plan and develop needed water production, treatment, storage and distribution facilities as part of the Capital Improvement Plan/Budget.</p> <p>5. Maintain potable water quality via the following measures</p> <ol style="list-style-type: none"> Continue to monitor City water supplies wells for water quality requirements. Encourage minimization of applications of agricultural chemical fertilizers and pesticides and enforce conservative application of agricultural waters. Provide treatment and distribution systems needed to assure conveyance of potable water that meets all water regulations. <p>6. New water service shall not be extended to areas outside the City boundaries.</p> <p>7. Maintaining private water well use shall be allowed only for existing agriculture uses and then only when approved by City Council.</p>	<p>Integrated Water Resource Plan to be completed by December 2006. Options include direct and indirect recycled water use</p> <p>In progress; to be completed by December 2006 in conjunction with the Integrated Water Resource Plan.</p> <p>Ongoing action; Water and Sewer Master Plan updates to be completed by December 2006; Capital Improvement Plan to be updated by June 2007.</p> <p>Ongoing action</p> <p>In progress: updated private well policy and ordinance scheduled for Council consideration in FY 06/07.</p> <p>As needed/ongoing action</p> <p>In progress: updated private well policy</p>
C-1B Sewer Service	<ol style="list-style-type: none"> Maintain an updated Sewer Master Plan and develop needed sewer conveyance and treatment facilities as part of the Capital Improvement Plan/Budget. Require sewer connection for all new buildings. Require the abandonment of all septic systems at such time that a sewer becomes reasonably available to a parcel. The City shall not provide nor permit delivery of City sewer services to areas outside the existing City limits until such areas are annexed. Develop wastewater effluent discharge alternatives including land percolation/ evaporation and/or recycling. 	<p>Ongoing action; see Status of Action Item #4 under C-1A, above.</p> <p>Ongoing action</p> <p>Ongoing action</p> <p>Ongoing action</p> <p>In progress: see Status of Action Item #2 under C-1A, above.</p> <p>In progress: Storm Drain Master Plan Update</p>
C-1C Storm Drainage	<ol style="list-style-type: none"> Maintain and update the Storm Water Master Plan. Implement, as feasible, recommended actions and Best Management Practices described in the Plan. Establish a variety of revised development standards as may be appropriate. 	<p>To be scheduled</p> <p>To be scheduled</p>
C-1D Solid Waste	<ol style="list-style-type: none"> Support and participate in an update to the County Solid Waste Management Plan. Reduce the amount of solid waste to be taken to the landfill by implementing the City's Source Reduction and Recycling Element. 	<p>Ongoing action. City is participating with the SLO Integrated Waste Management Authority (IWMA). IWMA has met 50% reduction goals</p> <p>To be scheduled</p>
C-2B Air Quality/ Vehicle Miles Traveled	<ol style="list-style-type: none"> Develop a City-specific solid waste master plan. Provide bikeways, pedestrian paths, and transit turn-outs/stops as requirements of development applications. Encourage the development of transit facilities. 	<p>To be scheduled</p> <p>Ongoing action</p> <p>Ongoing action</p>

Exhibit A: Status of General Plan Action Items as of June 30, 2006

Policy	Action Item Number & Brief Description	Status
C-2C Air Quality/ Emissions Reduction	<ol style="list-style-type: none"> 3. Strive to recruit new industry as part of on-going efforts to create a balanced community where the majority of residents can live, work, shop and play, thereby reducing the commute lengths for some City residents. 4. Encourage infill development. 	Ongoing action
C-3A Oak Trees	<ol style="list-style-type: none"> 1. Continue to prohibit agricultural burning. 2. Encourage private sector efforts to provide composting and creation of mulch in locations that avoid incompatibility of land uses. 3. Require builders to use appropriate techniques to minimize pollution from construction activities. 	Ongoing action
C-3B Sensitive Habitat	<ol style="list-style-type: none"> 1. Implement the Oak Tree Preservation Ordinance. 2. Plant oaks in parks and on other City-owned properties. 3. Encourage and/or require new development to include the planting of new oaks. 	Ongoing action
C-4A Mineral Resources	<ol style="list-style-type: none"> 1. With CEQA review of new development, prepare biological studies, explore alternatives to habitat removal, and seek input from other public agencies with expertise in biological resources. 2. With CEQA review of new development, require mitigation of potential impacts to the San Joaquin Kit Fox and its habitat be provided. 3. Encourage use of native plants. 	Ongoing action
C-5A Visual Resources	<ol style="list-style-type: none"> 1. Continue to permit surface mining of sand and gravel as a conditional use within the Salinas River and Huerfano Creek. 2. Ensure that measures are adopted to protect the capability for future extraction of sand and gravel. 	Ongoing action
C-6A Historic Resources	<ol style="list-style-type: none"> 1. Investigate and implement, as feasible, a variety of alternative funding sources to enhance important visual resources. 2. Establish/implement site design, landscaping, architecture, and sign design standards to define gateways, corridors, major arterials, and natural areas. 	To be scheduled
C-6B Archaeo- logical Resources	<ol style="list-style-type: none"> 1. Continue to implement the Council adopted Downtown Design Guidelines 2. Establish a Vine Street Historic and Architectural Preservation Overlay District. Prepare and implement design guidelines for future development and renovations. 1. For projects subject to COA, prepare archaeological studies. Incorporate mitigation measures identified by such studies into the development. 	Ongoing action
OS-1A Open Space/ Purple Belt	<p align="center">OPEN SPACE ELEMENT</p> <ol style="list-style-type: none"> 1. This plan/program is to address: (a) open space acquisition; (b) acquisition priorities; and (c) maintenance and monitoring of City-owned open space areas 2. Reserve easements for public access, preferably trail access, to large units. 3. Develop strategies for pursuing federal, state, and private funding for the Open Space/Purple Belt plan/program. 4. Review development projects to ensure they complement the natural environment and agricultural lands, as applicable, in their location and design. 	To be scheduled after adoption of a Purple Belt Plan
		As needed/ongoing action

Exhibit A: Status of General Plan Action Items as of June 30, 2006

Policy	Action Item Number & Brief Description	Status
	5. Investigate and implement the transfer of development rights from open space lands to other lands and dedication of conservation easements where appropriate.	To be scheduled after adoption of a Purple Belt Plan.
	6. Strive to establish an agricultural buffer between publicly-accessible open spaces and bordering agricultural lands.	As needed/ongoing action
	7. Coordinate the City's Open Space/Purple Belt plan/program with neighboring communities, the County of San Luis Obispo, and non-profit agencies.	In Progress: Purple Belt Plan
	8. Investigate with San Luis Obispo County, establishment of permanent agricultural and open space areas that buffer communities from continuous urbanization and promote efficient growth patterns.	To be scheduled after adoption of a Purple Belt Plan.
	9. Ensure that the County retains surrounding lands in very low-density rural residential, open space (including natural resource), and agricultural uses.	See response to Action Item #3 under Policy LU-2E
	10. Implement strategies that help preserve or protect agriculture, including: <ul style="list-style-type: none"> - Establish agricultural buffer easements, berms and/or vegetative screening, on property proposed for urban development. - Implement the City's adopted "right-to-farm" ordinance. - Participate in the Williamson Act and other farmland preservation programs. 	To be scheduled after adoption of a Purple Belt Plan.
	11. Require disclosure agreements for new non-agricultural development within 500 feet of an existing agricultural use.	As needed/ongoing action
	NOISE ELEMENT	
N-1A Noise Minimization Agenda Item No. 21 - Page 13 of 31	1. Revise/update the noise performance standards as needed to be consistent with the Noise Element's Goals, policies, and standards.	As needed/ongoing action
	2. Periodically review and update the Noise Element to ensure that noise exposure info. and policies are consistent with changing conditions within the City and with any new noise control regulations or policies.	As needed/ongoing action
	3. Make the Acoustical Design Manual available to the public so that they can incorporate noise reduction measures into private projects.	Ongoing action
	4. Provide appropriate noise attenuation features in the design of new arterial streets.	Ongoing action
	5. Where feasible, require installation of noise barriers along arterial rights-of-way.	As needed/ongoing action
	6. Develop procedures to finance and facilitate construction of sound walls and other noise mitigation measures where the City Council determines they are needed.	As needed/ongoing action
	7. When mitigation must be applied to satisfy City noise standards, specified priorities for mitigation shall be observed.	As needed/ongoing action
	8. Mitigation for new residential development shall proceed as described in Table N-6 of the Noise Element Technical Appendix.	As needed/ongoing action
	9. For new residential development where outdoor activity areas are impacted with noise exceeding 65 dbA, the DRC may require installation of noise barriers.	As needed/ongoing action
	10. Use measures listed in the Acoustic Design Manual where necessary to reduce interior noise levels for new residential development to 45 dbA.	Ongoing action

Exhibit A: Status of General Plan Action Items as of June 30, 2006

Policy	Action Item Number & Brief Description	Status
	5. New development in high/medium wildland fire hazard areas to: investigate vulnerability, potential as an ignition source, and implement mitigation measures.	As needed/ongoing action
	6. Prohibit construction within seismic and geologic hazards areas.	As needed/ongoing action
	7. In reviewing proposals for future water impoundments, require an evaluation of potential inundation areas and design of the dam to withstand earthquakes.	As needed/ongoing action
S-IE	1. Continue to require applicant declarations pursuant to Gov't Code §65820.2.	As needed/ongoing action
Hazardous Materials	2. Provide required notices to the County Environmental Health Department.	As needed/ongoing action
	3. Continue implementation of existing programs; add new ones as required.	As needed/ongoing action
S-IF EMF Exposure	1. No residential structures or yards, schools, active parks, or recreational facilities are to be built within the utility corridor right-of-way.	As needed/ongoing action
	PARKS & RECREATION ELEMENT	
PR-1A Park & Recreation Facilities	1. Periodically assess usage of park facilities, and identify physical changes needed to accommodate anticipated land use patterns.	Complete: Master Plan for Sherwood Park To be scheduled: Master Plan for City Park, Robbins Field, and Pioneer Park
	2. Implement improvements at existing parks, including completion of recreation facilities.	In progress: Sherwood and Centennial Parks
	3. Allow compatible activities and land uses near parks.	As needed/ongoing action
	4. Cooperate with the County, Paso Robles Unified School District and Cuesta College, in park funding and joint use of park	Completed: Montebello (7 ac) park; scheduled for FY 06/07: purchase of 3 more acres (next to 7 ac)
	5. Require specific plans to include parks as appropriate.	In Progress with Chandler Ranch, Olsen Ranch, and Beechwood Area Specific Plans
PR-1B Master Plan	1. Prepare needs assessment for Park & Recreation improvements. Consider the improvements listed in Table PR-1 (attached at the end of this table).	Complete: Public Art in Parks In progress: Salinas River trail
	2. Seek State, Federal and local grants, and individual, private and corporate support, to improve City parks and recreation services.	As needed/ongoing action
	3. Investigate/implement acquisition of land or easement, in the Salinas River and Huerhuero Creek for a park, equestrian paths or other public recreational uses.	To be scheduled after completion of Salinas River Plan
	4. Create and adopt a Salinas River Corridor Plan; cooperate with neighboring public agencies to establish the DeAnza Trail as a link in a regional trail system.	In Progress

Exhibit A: Status of General Plan Action Items as of June 30, 2006

Table CE-1. Potential Circulation Improvements

Type of Improvement	Improvement	Status
Downtown	Access Improvements, including improved on/offramps to Highway 101 where appropriate, at 16 th and 24 th streets	In progress FY 06/07: design
Improvements to Existing Arterials	Improvements to traffic flow within the downtown area	To be scheduled
	24th Street—Lake Nacimiento Road widening and improvement	To be scheduled
	Creston Road corridor widening and improvements	In Progress FY 06/07: Plan Line Study
	Spring Street consistent paved width, but retain as two lanes	Ongoing action
	Niblick Road corridor 4-lane configuration	Completed
	Union Road widening to improved 2-lane configuration	Riverglen-Kleck: in construction in FY 06/07; Kleck-Prospect: plan line adopted
	River Road safety improvements and bikepath through city limits	To be scheduled
Roadway extensions or realignments	Airport Road extension and intersection/interchange with Highway 46 East	In Progress FY 06/07: Study
	Airport Road full extension between Dry Creek & Charolais Road	To be scheduled
	Realignment of Sherwood/Linne via the Chandler Ranch Area Specific Plan	Plan line a part of Chandler Ranch Area Spec. Plan
	Union Road realignment to eliminate access to SR 46E	Plan line a part of Chandler Ranch Area Spec. Plan
	4th Street connection to Riverside with underpass connection to U.S. 101	Project Study Report completed
New bridges and interchanges	SR 46E/Golden Hill Interchange improvements	Corridor study in progress
	SR 46E/Airport Road Interchange improvements	Corridor study in progress
	Charolais Road Bridge over Salinas River	To be scheduled
	Southbound onramp to U.S. 101 at/near 16th Street	Project Study Report completed; in design in FY 06/07; construction to commence in FY 08/09.
	24th Street overpass over the railroad	Project Study Report completed
	Airport Road bridge over Huerhuero Creek	Plan line a part of Chandler Ranch Area Spec. Plan
	Dry Creek Road bridge over Salinas River and extension to Highway 101	To be scheduled
	Dry Creek Road bridge over Huerhuero Creek	To be scheduled
	Wellsora Road bridge over Salinas River	To be scheduled
	U.S. 101/SR 46E interchange improvements	To be scheduled
	U.S. 101/SR 46W interchange improvements	Project Study Report completed
	S. Vine Street improvements from 1st Street to SR 46W	To be scheduled
	Ramada improvements from SR 46W to Volpi Yabel Road	To be scheduled
Traffic Signals	at 4th/Spring	To be scheduled
	at 16th/Spring	In progress FY 06/07: design
	at Charolais/South River	In progress FY 06/07: Roundabout feasibility study
	at Sherwood/Airport Road	Plan line a part of Chandler Ranch Area Spec. Plan
	at Airport Road/Highway 46 East (Interim Improvement)	In progress FY 06/07: Project Study Report
	at 24th/Vine	Completed
	at Creston/Lana	In Progress: Creston Road Plan Line Study
	at Niblick/Country Club	Completed
	at Niblick/Nicklaus	Completed

Table PR-1. Park & Recreation Facility Improvements		Status
Type of Improvement	Improvement	
EXISTING IDENTIFIED PARK AND FACILITY NEEDS	10-acre park north of 24th Street	To be scheduled
	Aquatic center, preferably covered, probably a joint venture between the City, school district, and Cuesta College. Most likely to be located at Cuesta College.	To be scheduled
	10-acre park near the Borkey area	To be scheduled
	Chandler Ranch Area Specific Plan.. park in conjunction with any new school site	In Progress: Chandler Ranch Specific Plan
	7-10 acre park in Union/46 Specific Plan area	Completed: purchase of 7 ac in Montebello; scheduled for FY 06/07: purchase of additional 3 acres
OTHER NEEDED IMPROVEMENTS		
Recreation Facilities	Youth Center	To be scheduled
	Neighborhood Center (on east side)	To be scheduled
	Nature Center, with large contiguous open space area	To be scheduled
	Enhance crossing of Riverside to allow for connectivity between fairgrounds and parking lot east of Riverside	To be scheduled
	Public Equestrian staging area	In progress: Salinas River Plan
	General Recreation Services	To be scheduled
Parks	No Pocket Parks needed, only larger facilities	Ongoing action
Bikeways and Trails	Oak Park needs rehabilitation, possibly with park or recreational amenities	To be scheduled
	Bikeways as indicated in the City's Bikeway Plan	To be scheduled
	Trail near railroad within 4th Street Specific Plan	To be scheduled
	Make trail connections between parks facilities citywide	To be scheduled
	Pursue De Anza Trail along Salinas River	In progress: Salinas River Plan
	Salinas River trail on either side of the river between 13th Street and Veteran's Memorial bridges	In progress: Salinas River Plan and River Parkway Enhancement Grant
	Chandler Ranch Area Specific Plan trail system	In progress: Chandler Ranch Specific Plan
Plans/Programs	Complete the Class I pathway from Creston Road along South River Road	In progress: portion through Tract 2422
	Pursue Public Art in Parks Program (development should fund public art in parks)	Completed: Public Art Policy
	Implement Master Plan of Bikeways	Ongoing action
	Develop Multi-Purpose Trail Plan	In progress: Salinas River Plan
	Expand Bikeway trails map to include pedestrian trails	To be scheduled

Exhibit B: Status of Housing Element Implementation as of June 30, 2006

Context of Housing Element Review

The Housing Element of the General Plan for the City of Paso Robles was adopted on December 7, 2004. On December 29, 2004, the State Department of Housing and Community Development sent the City a letter finding the Housing Element to be in compliance with State Housing Element Law.

This annual review of the Housing Element will:

- Summarize new residential construction activity between January 1, 2001 (the beginning of the period of the current Regional Housing Needs Allocation) and June 30, 2006;
- Summarize the City's efforts to assist the development of affordable housing, including removing constraints, undertaken through June 30, 2006;
- Report on progress towards implementing the Action Items contained in the 2004 Housing Element.

Completed New Housing Units: Regional Housing Need and Quantified Objectives

Government Code Section 65583(c)(1)(A) requires that the City's General Plan identify adequate sites which will be made available through appropriate zoning and developments standards and with services and facilities, including water and sewer, to meet the City's housing needs for all income groups, including its share of the Regional Housing Need pursuant to Section 65584.

The Regional Housing Allocation Plan adopted by the San Luis Obispo Council of Governments in January 2003 assigns the City following numbers of dwelling units as its share of the Regional Housing Need to be met during the period January 1, 2001 through June 30, 2009.

Income Category	Dwelling Units (Target)
Above Moderate	651
Moderate	520
Low	467
Very Low	627
TOTAL	2,266

The City is not obligated to ensure that the number of dwelling units shown above is built within this time frame, it is only obligated to ensure that there is sufficient land appropriately zoned and served. The Housing Element does, however, establish quantified objectives for building new dwelling units within the same time frame as shown in the table below (next page).

Exhibit B: Status of Housing Element Implementation as of June 30, 2006

Program	Income Group				Total	Note #
	Above Moderate	Moderate	Lower	Very Low		
1/01/01 to 12/31/03	808	236	118	0	1,162	1
Market RSF-1 - 4	813	0	0	0	813	2
Market RSF-6	0	42	0	0	42	3
Market RMF-8 and RMF-9	0	43	0	0	43	4
Market RMF-12 - 16	0	0	97	0	97	5
RMF-20	0	0	0	50	50	6
Entitled Low Income Senior Housing	0	0	1	68	69	7
Entitled Low Income Family Apartments	0	0	1	67	68	8
Second Units	0	0	0	38	38	9
Employee Housing	0	0	0	45	45	10
Total	1,621	321	217	268	2,427	

Notes:

1. Units constructed (Certificates of Occupancy or utility releases for mobile homes) between 1/01/01 and 12/31/03.
2. Calculated as the remainder after the units from all other programs were tallied.
3. 30 Units in Cottage Lane and 12 units in Tract 2411 (Gearhart).
4. 23 units in Tract 2472 (Koman); 9 units in PD 01026 (Jordan); 11 infill units (average 2 units/year between 2004 and 6/30/09).
5. 80 Units in multi-family section of Tract 2422 (Harrod); 17 infill units (average 3 units/year between 2004 and 6/30/09).
6. Assumes RMF-20 is adopted and assigned to properties and that one 50 unit project is built by 6/30/09.
7. Creekside Gardens and Oak Creek Senior Housing projects.
8. Canyon Creek Project.
9. 3% of 1,265 units expected between 2004 and 2008.
10. Units from the approved Hot Springs and Provence Resort Projects

Between January 1, 2004 and June 30, 2006, a total of 1,034 new dwelling units were issued Certificates of Occupancy, and those dwelling units can be divided among the following income groups:

Above Moderate	872
Moderate	101
Lower	33
<u>Very Low</u>	<u>28</u>
Total	1,034

Details showing the composition of the above new units are attached in a document entitled “Paso Robles Historic Residential Growth: January 1, 2001 through June 30, 2006”. Together with the “Historic” housing activity reported in the first row of the Quantified Objectives Table, the total numbers of new dwelling units developed between January 1, 2001 and June 30, 2006 are shown in the table below (next page).

Exhibit B: Status of Housing Element Implementation as of June 30, 2006

Year	Income Category				Total
	Above Mod	Moderate	Low	Very Low	
2001	226	90	40	0	356
2002	360	92	72	0	524
2003	222	54	6	0	282
2004	331	69	7	0	407
2005	401	20	12	28	461
2006 (Jan-Jun)	140	12	14	0	166
Total	1,680	337	151	28	2,196

New Housing Units: Under Construction and Approved

As of June 30, 2006, there were active building permits for 484 units, which can be classified by income groups as follows:

Above Moderate	252	(single family development)
Moderate	33	(RSF-6 type development, West Side infill)
Lower	92	(Harrod 80 unit apts; manager unit for Canyon Creek Apartments; 2 caretaker units; multi-family infill)
<u>Very Low</u>	<u>107</u>	(Canyon Creek Apartments; Oak Park Senior Housing)
Total	484	

In addition to the above figures, there are hundreds of vacant lots in recorded and tentatively-approved subdivisions. Most of these will be affordable only to above moderate income households.

Canyon Creek Apartments, a 68 unit low income rental housing project at 400 Oak Hill Road is presently under construction and should be ready for occupancy beginning September 2006.

An 80 unit market-rate apartment complex (Harrod) located on the west side of South River Road at Navajo Avenue is also presently under construction and should be ready for occupancy beginning September 2006. Based on annual rent surveys conducted by the Housing Programs Manager, large apartment complexes such as these have rents that are affordable to lower income households.

Construction of Oak Park Senior Housing, a 40 unit lower income senior apartment complex to be built on the northeast corner of 28th and Park Streets, was commenced in June 2006 and is scheduled to be completed in September 2007.

Rehabilitated Units

Housing rehabilitation presently occurs on a market rate/unsubsidized basis. Between 1988 and 1995, the City did offer CDBG-funded low interest loans to rehabilitate homes and apartments owned or occupied by lower income households. Action Item 3 under Policy H-2 calls for the City to evaluate the feasibility of reinstating the City's housing rehabilitation loan program using CDBG or Redevelopment Low and Moderate Income Housing (LMIH) funds. The 2004 Update to the Redevelopment Implementation Plan, adopted on December 21, 2004, provides that LMIH funds may be used to assist such an activity.

Exhibit B: Status of Housing Element Implementation as of June 30, 2006

Conserved Units

There are subsidized housing units at risk of conversion to market rate during the Housing Element period (i.e., by June 30, 2009). Peoples' Self-Help Housing Corp. has submitted a letter indicating their willingness to acquire any subsidized housing that may otherwise convert to market rate. (See Appendix 4.0 of the Housing Element.) The 2004 Update to the Redevelopment Implementation Plan, adopted on December 21, 2004, provides that LMIH funds may be used to assist such an activity.

Removal of Constraints

On October 5, 2004, the City Council adopted an ordinance amending the Zoning Code to establish development standards for the Mixed Use Overlay Land Use Category. This ordinance, which is listed as Action Item 7 under Housing Element Policy H-1B, facilitates development of rental housing at densities up to 20 units per acre either on the same site as commercial development or on nearby vacant commercially-designated land.

On January 4, 2005, the City Council adopted General Plan Amendment 04-01(B), which removed a privately-owned, vacant, 1.1 acre RMF-12 property from the Oak Park Specific Plan Overlay Land Use Category (which is intended to focus on the long-term redevelopment of Oak Park Public Housing). This action facilitated approval of a development plan for 18 multi-family residential units by the Planning Commission on April 26, 2005.

On May 17, 2005, the City Council adopted an ordinance amending the Zoning Code to establish the R-5 Zoning District and accompanying zoning regulations for high density multi-family housing (up to 20 units per acre). This ordinance, which is listed as Action Item 1b under Housing Element Policy H-1A, facilitates development of rental housing at densities up to 20 units per acre in the RMF-20 land use category.

On November 1, 2005, the City Council adopted an ordinance amending the Zoning Code to remove a requirement that second units share utility meters with the primary unit as it had been learned that utility companies charge higher rates for second units on the same meters.

On October 18, 2005, the City Council adopted an ordinance amending the Zoning Code to establish a Senior Housing Overlay in the northwest quadrant of the City. This overlay allows development of senior housing consisting of 35 or more units on properties within the overlay regardless of underlying zoning. The overlay was established in the 2003 General Plan Update.

In 2006, the City drafted an amendment to its Density Bonus Ordinance to bring it into compliance with SB 1818 (2004) and SB 435 (2005). That ordinance was adopted by the City Council on August 29, 2006 (after the end of this reporting period).

Progress Toward Implementation of Action Items

The table on the following pages reports efforts made through June 30, 2006 to implement the Action Items and gives a brief statement about the schedule for future implementation.

CITY OF PASO ROBLES' 2004 HOUSING ELEMENT: STATUS OF IMPLEMENTATION OF ACTIONS

Policy	Action Item/ Brief Description	Schedule	Actions through 06/30/06	Future Scheduling
H-1A	1a: Evaluate all amendments to the Land Use Map for their effect on meeting the City's share of the Regional Housing Needs	Ongoing	One application, which increased the amount of land designed for Residential Multi-Family, 12 units per acre by 4.7 acres was approved on March 21, 2006.	Upon review of any applications for general plan amendments
	1b: Amend Zoning Code to establish regulations for multi-family, 20 unit per acre	Fiscal Year 2004/2005	Code Amendment adopted May 17, 2005 (Ordinance No. 900 N.S.)	None
	1c: Amend Zoning Code to implement the Senior Housing Overlay	Fiscal Year 2004/2005	Code Amendment adopted October 18, 2005 (Ordinance No. 906 N.S.)	None
	2: Assess balance and distribution of housing types in conjunction with General Plan amendments and rezones	Ongoing	None – No applications for any amendments that would reduce capacity were filed with the City.	Upon review of any applications for general plan amendments
	3: Disperse housing for all income groups to avoid concentrations in any one area	Ongoing	a. Accomplished with 2003 Land Use Element b. No amendments filed with City	Upon review of any applications for general plan amendments
	4: Encourage Provision of student housing near Cuesta College through a variety of efforts	Ongoing	a. In early 2005, City staff met with Cuesta College Administration to open discussions on this item. Additionally, City staff has communicated to developers the City's objective to develop rental housing on land designated for multi-family housing with densities of 12 units or more. b. No projects filed with City.	Continue to implement this action.
H-1B	1: Work with developers to meet quantified objectives for new housing	Ongoing	This has been done regularly. In 2006, two low income housing projects (Canyon Creek Apartments and Oak Park Senior Housing) are under construction. In 2006, staff is assisting a market rate developer process an application to built 116 units on land zoned at 20 units/acre.	Continue to implement this action.
	2: Maintain comprehensive housing program	Ongoing	Budgeted for Fiscal Year 2005/06 through Fiscal Year 2009/2010	Continue to implement this action.

CITY OF PASO ROBLES' 2004 HOUSING ELEMENT: STATUS OF IMPLEMENTATION OF ACTIONS

Policy	Action Item/ Brief Description	Schedule	Actions through 06/30/06	Future Scheduling
	3: Continue to assist agencies provide emergency shelter to the homeless	Ongoing	2006 CDBG allocations include: \$20,500 to Transitional Food and Shelter's (TFS) Voucher Program. Prior years' allocations of CDBG funds assisted TFS (formerly known as Homeless Housing Project), El Camino Homeless Organization, and the North County Women's Shelter.	TFS expected to file application for 2007 CDBG funds.
	4: Develop a downpayment assistance program	Ongoing	<p>a. The City made 5 CalHome loans to low income first-time homebuyers in 2004.</p> <p>b. The 2004 Redevelopment Implementation Plan provides that LMHH funds may be used for this purpose.</p>	None scheduled. Amount of CalHome, HOME, or CDBG Funds available are too small to benefit sufficient numbers of low income households to make such a program an effective use of City resources, given other priorities.
	5: Amend Zoning Code to provide for homeless and transitional housing	Fiscal Year 2005/2006	City staff has done some preliminary research on this issue.	Per Housing Element schedule
	6: Work with Cuesta College to encourage housing for students	Ongoing	In early 2005, City staff met with Cuesta College Administration to open discussions on this item.	Continue to implement this action.
	7: Amend Zoning Code to implement Mixed Use Land Use Category	Fiscal Year 2004/2005	Code Amendment adopted by City Council on October 19, 2004	None
	8: Amend Zoning Code to provide for ministerial modification of zoning standards to facilitate disabled access	Fiscal Year 2005/2006	None	Per Housing Element schedule
	9: Amend Zoning Code to provide for farmworker housing	Fiscal Year 2006/2007	City staff has done some preliminary research on this issue.	Per Housing Element schedule
H-2	1: Continue to enforce zoning, property maintenance, building, fire, parking and nuisance abatement codes	Ongoing	This is done on an ongoing basis	Continue to implement this action.
	2: Continue to implement Demolition of Buildings and Structures Codes (Historical Preservation)	Ongoing	This has been done on an ongoing basis.	Continue to implement this action.

CITY OF PASO ROBLES' 2004 HOUSING ELEMENT: STATUS OF IMPLEMENTATION OF ACTIONS

Policy	Action Item/ Brief Description	Schedule	Actions through 06/30/06	Future Scheduling
	3: Evaluate feasibility of reinstating residential rehab program	Ongoing	The 2004 Redevelopment Implementation Plan provides that LMIH funds may be used for residential rehabilitation.	Continue to implement this action.
	4: Amend Zoning Code to update condominium conversion regulations	Fiscal Year 2005/2006	None	Per Housing Element schedule
	5: Develop plan to conserve "at-risk" subsidized rentals	Fiscal Year 2004/2005	City obtained letter from Peoples' Self-Help Housing Corp, indicating their willingness to acquire any complexes that may convert to market rate. The 2004 Redevelopment Implementation Plan provides that LMIH funds may be used for this purpose.	Continue to implement this action.
H-3A	1: Review adopted policies and standards to remove constraints	Ongoing	a. General Plan Amendment 04-01 (B), adopted January 4, 2004, removed a multi-family zoned parcel from the Oak Park Specific Plan Overlay. This facilitated approval of a development plan for the subject parcel. b. Code Amendment adopted by City Council on November 1, 2005 to facilitate 2 nd unit development.	Continue to implement this action.
H-3B	1: Review Zoning Code to remove constraints	Fiscal Year 2005/2006	None	Per Housing Element schedule
H-4	1: Provide referral info on housing complaints	Ongoing	No complaints filed.	Continue to implement this action.
	2: Provide info on Fair Housing	Fiscal Year 2005/2006	Information added to City's web site.	Continue to implement this action.
H-5	1: Continue to implement Land Use policies and programs that call for energy efficient land use planning and development	Ongoing	a. Accomplished with 2003 Land Use Element b. No amendments filed with City	Upon review of any applications for general plan amendments
