ADDITIONAL INFORMATION

I've enjoyed volunteering in the community for the past 9 years. I've worked with many groups. I helped with the Food Bank of Sto County ground breaking, then in 2001 was in charge of the grand opening. Each year I was asked to head food drives and fundraising, which I enjoyed. For 8 years I worked at the Paso Robles Library, doing tours in English and Spanish and also handled Monday Delivery. At the PR Police Dept. I've worked as a volunteer mediator. Now that I'm a senior, I'd like to focus on helping senior causes. I believe my strongest skill is my ability to network.

### **Application for Reappointment to the Paso Robles City Library Board of Trustees, Second term**

**Jane Jennifer Carey**

**14 May 2007**

Expanding and increasing our Library 's services to the community is a key strategy in achieving the realization of Paso Robles' vision and economic plan for the future. I have been a volunteer at the Paso Robles City Library since 2000 and a member of the Library Board since 2004. In the latter capacity I have emphasized the need for and worked to establish specific action items to achieve Board Goals. Most recently I have contributed to the creation of a new mission statement for our Library. We are in the midst of updating important polices such as those regulating the use of Internet and Wi-Fi in our Library. I continue to be impressed by the vibrant center our City Library provides the community. It is vital that we rise to the challenge of expanding and improving services to a community growing in size and diversity. I would be honored to continue working with my fellow Board members and the Library Staff toward that end for another term.

I grow up with books and have continuously have been interested in them ever since. In Junior High and in my teens I worked in the school library and for two years worked in a branch of the San Francisco Library System. My love of books, as well as videos and CD/DVD's is continuous. I believe the Paso Robles Library is the second best library in the county - San Luis Obispo, naturally being the best. Our library has several programs which tend to keep and obtain dedicated volunteers which we all know is a integral part of maintaining and building a well rounded and prosperous library.
