

TO: James L. App, City Manager
FROM: Ron Whisenand, Community Development Director
SUBJECT: Acceptance of Grant of Avigation Easements (Sorrentino)
DATE: June 19, 2007

Needs: That the City Council authorize the acceptance of Grant of Avigation Easements provided by Justin Sorrentino at 4320 and 4350 Deer Creek Way in the unincorporated area of the County.

Facts:

1. The San Luis Obispo County Building Department has approved permits for construction of single-family residences at 4320 and 4350 Deer Creek Way, located north of Highway 46 and east of Jardine Road.
2. The building permits were conditioned upon offering avigation easements in accordance with the County Airport Land Use Plan.
3. As the City is the owner and operator of the airport, avigation easements must be written in favor of the City and accepted by the City Council.
4. The City has received Grant of Avigation Easements from Justin Sorrentino, owner of the properties located at 4320 and 4350 Deer Creek Way.

**Analysis
and**

Conclusion: In order for their proposed development to be consistent with the Airport Land Use Plan, the County conditioned the building permit applications filed by Justin Sorrentino to provide avigation easements. The purpose of the easement is to inform all future owners of their property of the potential of noise associated with the proximity of the Airport and to provide clearance for the continued operation of the Airport.

Policy

Reference: Airport Master Plan.

Fiscal

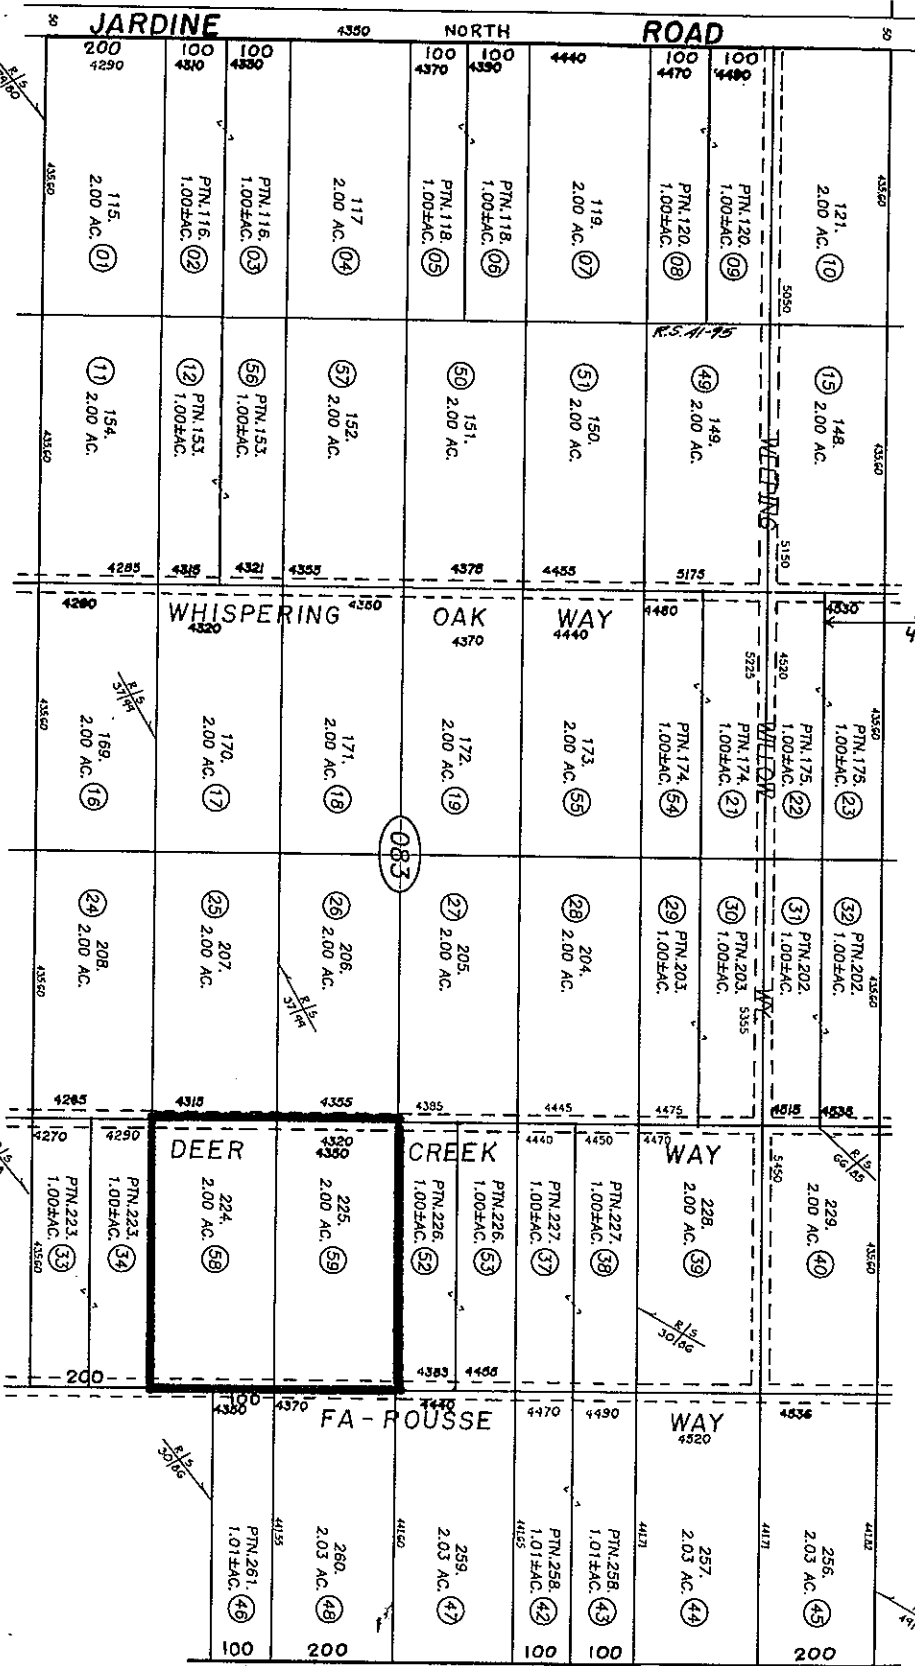

Impact: None.

Options: Upon receipt of Grant of Avigation Easements and proper guarantee of title:

- a. That the City Council adopt Resolution No. 07-xxx accepting the Grant of Avigation Easements from Justin Sorrentino for 4320 and 4350 Deer Creek Way, located in the unincorporated area of the County, north of Highway 46 and east of Jardine Road.
- b. Amend, modify or reject the above option.

GRANT OF AVIGATION EASEMENT

No Fee Document
(Public Entity Grantee,
Govt. Code Section 27383)

For a valuable consideration, receipt of which is hereby acknowledged, NEXT LEVEL DEVELOPMENT (owner) hereinafter referred to as "Grantor(s)", HEREBY GRANT(S) TO the City of Paso Robles, a municipal corporation of the State of California, hereinafter referred to as "City", for the use and benefit of the public, a perpetual and assignable easement and right-of-way, and certain rights appurtenant to said easement as hereinafter set forth, in, on and over the following described real property situated in the County of San Luis Obispo, State of California in which Grantor(s) hold(s) a fee simple estate, lying above, in whole or in part, the horizontal limits of the civil airport imaginary surfaces described in Federal Aviation Regulations, Part 77.25 (14 CFR 77.25), as applicable to the *Paso Robles Municipal Airport*, situated in the City of Paso Robles, County of San Luis Obispo, State of California, hereinafter referred to as "Airport", which parcel of real property is described as follows:

Lot 224, of Tract 7 in the incorporated area of the City of Paso Robles, State of California, according to map recorded 4/19/07 [date], in Book 5 [#], Page 25 [#], of MAPS, in the office of the County Recorder of the County of San Luis Obispo, State of California.

That portion of said real property lying below the Imaginary Surfaces described above is attached hereto as Exhibit 'A' and incorporated herein as though set forth in full.

IT IS AGREED by Grantor(s) that he/they shall not hereafter erect, enlarge or grow, or permit the erection, enlargement or growth of, or permit or suffer to remain, any building, structure, or other object, or any tree, bush, shrub or other vegetation, within or into the airspace above said Imaginary Surfaces overlying said real property.

IT IS FURTHER AGREED by Grantor(s) that the easement and rights hereby granted to City are for the purpose of ensuring that occupants of the real property burdened by this easement are aware that the quiet enjoyment of this real property may be interrupted by noise generated by over-flying aircraft and by aircraft operations at the Airport, and for the additional purpose of ensuring that said Imaginary Surfaces shall remain free and clear of any building, structure or other object, and of any tree, bush, shrub or other vegetation, which is or would constitute an obstruction or hazard to the flight of aircraft landing at and/or taking off from said Airport. These rights shall include, but not be limited to the following:

1. The continuing and perpetual right of City, at Grantor(s)' sole cost and expense, to cut off, trim, and/or prune those portions of any tree, bush, shrub and/or other vegetation extending, projecting or infringing into or upon the airspace above said Imaginary Surfaces.
2. The continuing and perpetual right of City, at Grantor(s)' sole cost and expense, to remove, raze or destroy those portions of any building, structure or other object, infringing, extending or projecting into or upon said Imaginary Surfaces.

3. The right of City, at Grantor(s)' sole cost and expense, to mark and light, as obstructions to air navigation, any building, structure or other object, any tree bush, shrub or other vegetation, that may at any time infringe, project or extend into or upon said Imaginary Surfaces.
4. The right of City for ingress to, egress from, and passage on or over said real property of Grantor(s) for above purposes. City shall exercise said right of ingress and egress only after City gives Grantor(s) twenty-four (24) hours notice of City's intent to enter Grantor(s) property. City shall not be precluded from exercising its right of ingress and egress by the failure of Grantor(s) to receive notice if City has made a reasonable effort to notify Grantor(s). If, in the opinion of the Airport Manager, an obstruction or hazard exists within or upon said Imaginary Surfaces overlying said real property, which creates an immediate danger to the flight of aircraft landing and/or taking off from the Airport such that immediate action is necessary, City may exercise its right of ingress and egress for the above purposes without notice to Grantor(s).
5. The right of flight for the unobstructed passages of aircraft, for the use and benefit of the public, in the airspace above said Imaginary Surfaces, together with the right to cause in or about said airspace such noise, lights, electromagnetic emissions, vibrations, fumes, dust, fuel particles, and all other effects as may be inherent in the navigation or flight of aircraft now or hereafter used or known, using said airspace for landing at, taking off from, or operating from, to, at, on, or over said Airport.

Note: Noise from over flying aircraft and from aircraft operations on the airport may be considered to persons residing and/or working on this real property.

6. The continuing and perpetual right of the City to allow aircraft flight and ground operations at the Municipal Airport at all times.

IT IS FURTHER AGREED by Grantor(s) that he/they fully realize that any negative effects of aircraft operations at the Municipal Airport, as they pertain to this real property, are not expected to diminish from the level at the time of granting this easement.

The easement granted herein and all rights appertaining thereto are granted unto the City, its successors and assigns, until said Airport shall be abandoned and ceased to be used for airport purposes.

If any item, covenant, condition or provision of this easement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the provisions hereof shall remain in full force and effect and shall in no way be affected, impaired or invalidated thereby.

IT IS UNDERSTOOD AND AGREED by Grantor(s) that this easement and the covenants and restrictions contained herein shall run with the land described above and shall be binding upon the heirs, successors and assigns of Grantor(s). For purposes of this instrument, the above-described property shall be the servient tenement and the Airport shall be the dominant tenement.
