Sponsored Fly-In to Paso Robles

35 aircraft including more than 75 people
More than \$2500 in revenue to local businesses (hotels, restaurants, wineries)
Plus fuel at Paso Robles Jet Center for all aircraft
Summary at <http://www.vintagemooneygroup.com/PasoRobles2007.htm>

Web designer for Vintage Mooney Group - <http://www.vintagemooneygroup.com/>

Most important assets

I care strongly about Paso Robles and the Airport with a desire to make both stronger

Excellent interpersonal skills and working with others to maximize impact in the overall community

Strong planning, marketing and sales skills as well as excellent presenter

The Vintage Mooney Group Flies Again!

The Vintage Mooney Group was formed in 2002 by a couple of guys that just plain loved Mooneys and those that fly them, Richard Todd and Mike Mysicka. It was formed to arrange fly-ins on a regular basis to admire each other's Mooneys and to swap hangar stories, talk about speed mods (are there any other kind for Mooneys), and other upgrades we do to our vintage Mooneys (Pre-J). For the past three years, Donn and Barbara Larson have been single handedly running the organization, and recently handed it off to Phil Corman ('65 C), Bill Barnes ('65 E), and Carl Swepston ('62 C).

All of our fly-ins are free, with nominal charges for food. Lately we have started doing Hangar BBQs which are a huge hit since this venue is very conducive to people mingling all day and swapping flying, mechanical, and other hangar stories.

Whenever possible, we try to pick fun destinations that have other things to do. In that regard, we are a living, flying version of Pilot Getaways, but we "Do", instead of "Read". Our recent fly-in was to Paso Robles, California where Phil & Linda Corman hosted a hangar BBQ for more than 30 vintage Mooneys and their families and friends. During

the day, folks toured the Estrella Warbirds Museum (<http://www.ewarbirds.org/>), had front row seats to watch an Aerobatic Competition, and even went wine tasting in Paso Robles, one of California's hottest wine areas. Mooney models ranged from M20A to

The prettiest tails in the world!

Ovation. Bill Barnes says "Even though we are the Vintage Mooney Group, we'll let those new birds attend. But there's nothing like the feel of a Johnson Bar or hydraulic flaps to make your day!".

Roger Oxborrow, the Paso Robles Airport Manager also got into the act. He reserved the taxiway for only airplanes with the correct tail orientation, provided tables, chairs and grills for our event. Roger was great, says Phil Corman, the Vintage Mooney Group coordinator. "I heard Roger on the CTAF when there were 5 Mooneys in the traffic pattern say "Sorry Mooneys, only 3 more can land here at Paso Robles, and then we have hit our Mooney limit for the month."

Mooniacs, One & All!

The Vintage Mooney Group spans the southwest including California, Nevada, Arizona, and Utah. We have people flying in from all of those states to our fly-ins as well as Oregon, Washington, Colorado, and sometimes Idaho. The pilots ranged in age from 25 to 79. That's a few generations of Mooniac! What other airplane has such Brand Loyalty and passion! This latest fly-in, Paul Loewen, of LASAR in Lakeport showed up. Paul is just a fantastic guy and many of us refer to him as Mooney Airplane Co. WEST. He's working on some new stuff for our Mooneys and if he'd taken my money, I would have given it to him, but the ideas were still too new. Damon Trimble, from Clear Lake also showed up and invited our group to join him in a very cool Seaplane Festival this September 21-23. When I asked him why he wanted a bunch of speed freak Mooniacs at his Seaplane Festival, he indicated that he wanted to raise the fun level for his fly-in. Checkout our video of this fly-in at <http://www.youtube.com/watch?v=VHarK84srv0>.

Upcoming Fly-Ins include Chino California on August 18 (Planes of Fame and Yanks museums), Gold Country Fly-In to Jackson California on September 8. You can see our schedule for fly-ins for the next 12 months. Please join us. It's free. You can check us out at www.vintagemooneygroup.com.

ADDITIONAL INFORMATION

Please provide any supplemental information to this application, including the specific reason you believe you should be appointed to this advisory body.

I have a strong interest in aviation and enjoy being around aviation-related activities. As such, I would enjoy participating in airport activities and promotion. Due to my business background, I am familiar with leases, contracts, planning (Airport Land Use Plan), competing interests, and strategic decision making. I was also an employee at a business in the Paso Robles airport area for 19 years, participating in and observing airport development.

I am an active member in the general aviation community and have participated in activities at the Paso Robles Airport for many years. I am well on my way to completing my Private Pilot Certificate, having soloed recently, and I am active in many aviation related organizations, including the Civil Air Patrol, Squadron 103, San Luis Obispo, and the North County Cloud Clippers model aviation club. I plan to pursue a career in aviation as an engineer, and I have learned a great deal about aviation from our airport. I have been interested in aviation for many years, and my young age may provide a unique viewpoint of the Paso Robles Municipal Airport and general aviation in our community.

UPON RECEIPT OF A TIMELY FILED APPLICATION, THE CITY CLERK'S OFFICE WILL SEND NOTIFICATION TO EACH APPLICANT AND A CITY COUNCIL INTERVIEW SCHEDULE WILL BE ARRANGED.

September 25, 2007

To: Paso Robles City Council

Regarding: Appointment to Citizen's Airport Advisory Committee

Attached please find my resume for your review. I have been employed in my current job for twenty-four years in a variety of managerial positions and always involved in real estate and facilities development, management and land use issues.

The reason I believe I should be appointed to this committee is as follows:

1. My entire professional career I've been involved in real estate and land use planning issues. I am familiar with design and functional criteria regarding these planning processes and feel that I can lend this knowledge to good local use.
2. Working around the Paso Robles Airport I've become acquainted with the facilities and functions of management and organizations around the airport. This current and historical knowledge will be useful in working with this committee.
3. Extensive commercial and some private jet travel has been valuable insight in how other airports function and provide services for many typical needs in aviation.
4. As a local resident I have a strong desire to help Paso Robles be the best it can be in areas of community service to the local population and visitors.

I look forward to the possibility of discussing this appointment with all of you in the near future. Thank you for your continued good work for this city.

Sincerely,

A handwritten signature in black ink that reads "Mark Kenyon". The signature is written in a cursive style with a long horizontal line extending to the right.

Current _____	From _____ To _____
Previous _____	From _____ To _____
Previous _____	From _____ To _____
Previous _____	From _____ To _____

ADDITIONAL INFORMATION
Please provide any supplemental information to this application, including the specific reason you believe you should be appointed to this advisory body.

MY BACKGROUND IN COMMERCIAL, CORPORATE, INSTRUCTIONAL AND
GENERAL AVIATION WOULD BE BENEFICIAL TO THE CITIZEN'S AIRPORT
ADVISORY COMMITTEE. IN SUCH A FAST GROWING COMMUNITY, IT
IS IMPORTANT THAT DECISIONS REGARDING AIRPORT OPERATIONS AND
PROPOSED USES ARE MADE WITH SAFETY AND TECHNICAL KNOWLEDGE
IN MIND.

PASO ROBLES IS A COMMUNITY WITH INCREDIBLE POTENTIAL AND THE
IMPORTANCE OF THE ADVISORY BOARDS IS CRUCIAL. GIVING BACK TO
SUCH A WELCOMING COMMUNITY WOULD BE AN HONOR.

UPON RECEIPT OF A TIMELY FILED APPLICATION, THE CITY CLERK'S OFFICE WILL SEND NOTIFICATION TO EACH APPLICANT AND A CITY COUNCIL INTERVIEW SCHEDULE WILL BE ARRANGED.

City of Paso Robles

We're Looking For

VOLUNTEERS!

You are encouraged to apply!

CITIZEN'S AIRPORT ADVISORY COMMITTEE

The City of Paso Robles is now accepting applications for appointment to the Citizen's Airport Advisory Committee.

The committee meets at 7:00 p.m. on the fourth Thursday of each month at the Airport Terminal, 4900 Wing Way. Regular appointments are made for 2-year terms. Committee member time commitment will rarely exceed five hours a month.

The Citizen's Airport Advisory Committee provides information regarding airport operation, technical issues, aeronautical activities, proposed uses, and safety of operations.

**Deadline for submitting applications is
5:00 p.m. on Friday, September 28, 2007**

Applications may be obtained at City Hall, 1000 Spring Street. To be considered for appointment to this committee, please return your application by the deadline. For more information, please call Airport Services Coordinator Roger Oxborrow 237-3877 or Deputy City Clerk 237-3960.
