

PASO ROBLES AREA PIONEER MUSEUM

Annual report to the City of Paso Robles for the 2007-2008 year

The second half of 2007 saw the continuation of the goals set by the museum board in 2006. These are:

1. Conservation of artifacts
2. Long range planning
3. Display enhancement
4. Museum safety
5. Enhance Board and committee structures

These goals carried forward to 2008. Each of our actions or projects were a direct result of our efforts to enhance these goals.

It was the best of times, and the worst of times. In July of 2007 we were informed that we were the recipients of a \$ 10,000.00 grant from the San Luis Obispo Community Foundation. This grant was to help provide a hard surface walk way from the main museum building to the Geneseo school house. In September we began by concreteing the drive way to the museum entrance. The walk itself would be completed in August of 2008.

The bad news was the bankruptcy of Estate Financial. To diversify our assets we had placed some of our money in a bank savings account, some in American Funds, and some in Estate Financial. Our total investment in Estate Financial over the years was \$ 25,000.00. Any interest earned was left in the account to compound. When the bankruptcy occurred, we wrote off the entire amount of \$ 28,152,41. The board decided not to get involved except to file our claim for the amount due. We believe we shall receive some, but certainly not all of our rite-off.

During the year we did not start any major new projects, but spent many meetings discussing our need for more space, both within our existing footprint, and under several scenarios with an expanded foot print. This effort dove tailed into the city's long range plan for the down town and the museum grounds and parks. We have included the other three entities located on the museum grounds and the adjacent grounds. These talks are onging, harmonious, and mutually beneficial.

The activities of the museum are as follows from July 1, 2007 to June 30-2008 .

Attendance	6,247
Days open	208
Volunteer Hours	7,815 *

- These are the hours recorded to the best of our knowledge. However, the actual hours volunteered could easily exceed this number by 25%

Enclosed is the report of income and expenses from July 1, 2007 through June 30, 2008. Also enclosed is a balance sheet of our liquid assets as of June 30, 2008.

We would request that the city council appoint the following trustees for the ensuing year.
