SUBJECT: CDBG-FUNDED LIGHTED CROSSWALK AT SPRING AND 17<sup>TH</sup> STREETS:  
AWARD OF BID  
DATE: DECEMBER 2, 2008

Needs: For the City Council to consider awarding the contract to install a wireless LED-lighted crosswalk at the intersection of 17th and Spring Streets.

Facts: 1. The Council has allocated a total of \$35,000 from 2007 Community Development Block Grant (CDBG) funds to install an LED-lighted crosswalk at the intersection of 17th and Spring Streets.  
2. On November 6, bids were opened. The City received five bids. The lowest bid, submitted by Michael Bray Construction of Paso Robles, in the amount of \$21,600 was found to be responsive and responsible. A Bid Summary is attached.

Analysis and Conclusion: Michael Bray Construction's bid is complete, responsive, and responsible. The \$21,600 price is within the cost estimate, which was \$25,000. An adequate amount of CDBG funds has been budgeted to cover the contract costs and for any contingencies that may arise. Unused funds may be reprogrammed for other CDBG-eligible projects.

Fiscal Impact: No impact the General Fund.

Options: a. Adopt attached Resolution No. 08-XX to award the work to Michael Bray Construction of Paso Robles, in the amount of \$21,600;
