

**TO:** James L. App, City Manager

**FROM:** Meg Williamson, Assistant City Manager

**SUBJECT:** Supplemental Sales Tax Oversight Committee Bylaws & Appointments

**DATE:** March 21, 2013

---

**Needs:** For the City Council to consider expanding the size of the Sales Tax Oversight Committee to nine (9) people, and to make formal appointments after completion of interviews.

**Facts:**

1. In December 2012, the City Council formed the Supplemental Sales Tax Oversight Committee and adopted its bylaws.
2. The size of the committee was set at seven (7) members to be populated with three (3) Council selectees plus four (4) recommended by community organizations.
3. There was significant public interest in serving on the Oversight Committee and the City Council has interviewed twenty five (25) citizens for the three Council selectee positions.
4. At their meeting of February 28, 2013, the City Council indicated a desire to expand the size of the Oversight Committee from seven members to nine in order to allow the Council to select a total of five (5) members from the citizen interview process.
5. Amended Supplemental Sales Tax Oversight Committee Bylaws are attached, reflecting the expanded membership size in Section 3(c).
6. Community organizations identified by the City Council have made their Oversight Committee membership recommendations as follows:

Chamber of Commerce	- Jeff Bower
Paso Robles Main Street	- Stephen King
Senior Advisory Committee	- Bill Pluma
Travel Paso Robles Alliance	- Victor Popp
7. The Oversight Committee Bylaws call for staggered three (3) year terms. To establish this staggered pattern, the Council will need to choose one (1) member from the Council appointee category, and two (2) members from the Community Organization appointees, to serve for initial terms of two (2) years.

**Analysis &****Conclusion:**

The City Council is scheduled to interview the top eleven (11) citizen finalists on March 21, 2013, after which time both citizen and community group representative appointments can be finalized. Amending the bylaws to allow for a nine (9) member committee will allow five (5) citizens to be selected and appointed by the City Council in addition to the four (4) community group representatives.

**Policy**

**Reference:** Paso Robles Supplemental Sales Tax Revenue Advisory Committee Bylaws.

**Fiscal Impact:** No specific hard costs have been identified to support the Oversight Committee.

**Options:** 1. For the City Council to:

- a) Adopt the attached modified bylaws to expand the size of the Supplemental Sales Tax Oversight Committee to a total of nine (9) members; and
- b) Appoint five (5) citizens at the conclusion of the March 21, 2013 final candidate interviews; and
- c) Affirm the four (4) community organization appointees to the Oversight Committee; and
- d) Establish staggered terms for the Oversight Committee by identifying the following members to serve initial two (2) year terms:

One (1) Council Appointee

Two (2) Community Organization Appointees

2. Amend, modify, or reject the foregoing option.

**Exhibits:**

- 1) Supplemental Sales Tax Revenue Expenditure Advisory Committee Amended Bylaws
- 2) Candidate Interview Schedule and Candidate materials

#### **Section 7: Vacancies**

Should the offices of the Chairperson or Vice Chairperson become vacant, the Committee shall elect a successor from among the Committee members at the next regular or special meeting, and such office shall be held for the unexpired term of said office.

### **ARTICLE III - MEETINGS**

#### **Section 1: Regular Meetings**

The Committee shall meet on a semi-annual basis (every 6 months), at a location accessible to the public, in Paso Robles, California. A notice, agenda and other necessary documents shall be delivered to the members, personally or by mail, at least seventy-two (72) hours prior to the meeting.

#### **Section 2: Special Meetings**

Special meetings may be held upon call of the Chairperson, or an affirmative vote by a majority of the members of the Committee present at a regular or special meeting of the Committee at which a quorum is present, for the purpose of transacting any business designated in the call, after notification of all members of the Committee by written notice personally delivered or by mail at least twenty-four (24) hours before the time specified notice for a special meeting. At such special meeting, no business other than that designated in the call shall be considered.

### **Section 3: Adjourned Meetings**

Any meeting of the Committee may be adjourned to another meeting date, time and place without the need for notice requirements of a special meeting, provided the adjournment indicates the date, time and place of the adjourned meeting. Committee members absent from the meeting at which the adjournment decision is made shall be notified by the Chairperson of the adjourned meeting.

### **Section 4: All Meetings to be Open and Public**

All meetings of the Committee shall be open to the public to the extent required by law. All persons shall be permitted to attend except as otherwise provided by law.

### **Section 5: Posting Agendas/Notices**

The City Staff member assigned to the Committee, or his or her authorized representative, shall post an agenda for each regular Committee meeting or a notice for each special Committee meeting containing a brief description of each item of business to be transacted or discussed at the meeting together with the time and location of the meeting. Agendas/notices shall be posted at the Paso Robles City Library at least seventy-two hours in advance of each regular meeting and at least twenty-four (24) hours in advance of each special meeting. The Staff Member shall maintain a record of such posting.

### **Section 6: Right of Public to Appear and Speak**

At every regular meeting, members of the public shall have an opportunity to address the Committee on matters within the Committee's subject matter jurisdiction. Public input and comment on matters on the agenda, as well as public input and comment on matters not otherwise on the agenda, shall be made during the time set aside for public comment; provided, however, that the Committee may direct that public input and comment on matters on the agenda be heard when the matter regularly comes up on the agenda. The Chairperson may limit the total amount of time allocated for public discussion on particular issues and/or the time allocated for each individual speaker.

### **Section 7: Non-Agenda Items**

Matters brought before the Committee at a regular meeting which were not placed on the agenda of the meeting shall not be acted upon by the Committee at that meeting unless action on such matters is permissible pursuant to the Ralph M. Brown Act (Gov. Code §54950 et seq.). Those non-agenda items brought before the Committee that the Committee determines will require Committee consideration and action and where Committee action at that meeting is not so authorized shall be placed on the agenda for a future meeting once a City staff report concerning the matter is prepared.

### **Section 8: Quorum**

The powers of the Committee shall be vested in the members thereof in office. Four (4) of the seven (7) members then in office shall constitute a quorum for the purpose of conducting the Committee's business, exercising its powers and for all other purposes, but less than that number may adjourn the meeting until a quorum is obtained. An affirmative vote by a majority of the members of the Committee present at a regular or special meeting of the Committee at which a quorum is present shall be required for approval of any questions brought before the Committee.

### **Section 9: Unexcused Absences**

If a member shall be absent without the consent of the Committee from three (3) consecutive meetings, whether regular or special, such absence shall result in the termination of the membership of the absenting member. A member's absence shall be excused if, prior to the meeting from which said member will be absent, said member notifies the Chairperson of his or her intent to be absent and the reasons therefore; provided, however, that a member shall be entitled to only two (2) excused absences within twenty-four (24) consecutive calendar months. At each meeting, after the roll has been called, the Chairperson shall report to the Committee the name of any member who has so notified him or her of his or her intent to be absent and the reason for such absence.

### **Section 10: Order of Business**

All business and matters before the Committee shall be transacted in conformance with the City Council's established practice.

### **Section 11: Minutes (Action)**

Minutes of the Committee shall be prepared in writing by the City staff member assigned to the Committee. Copies of the minutes of each Committee meeting shall be made available to each member of the Committee and the City Council. Approved minutes shall be filed in the official book of minutes of the Committee and forwarded to the City Council for information.

### **Section 12: Recommendations to City Council**

Recommendations of the Committee to the City Council shall be prepared in writing by the City staff member assigned to the Committee. Recommendations may be presented to the City Council during a public meeting once the assigned staff prepares a staff report summarizing key facts, analysis, cost/benefit consideration, fiscal impact, and policy implications and options, and the report has been reviewed by the City Manager. The official minutes of the Committee documenting the Committee recommendation(s) shall be attached to the staff report.

## **ARTICLE IV - REPRESENTATION BEFORE PUBLIC BODIES**

The Chairperson, the Vice-Chairperson in the Chairperson's absence, or a member of the Committee may make official representations on behalf of the Committee before the City Council

only if so specifically designated by the Committee. The Committee may present information to other public bodies with the affirmative vote of a majority of the City Council. Nothing in this article shall limit the ability of members of the Committee to speak before the City Council or any other public body as an individual, provided the member states he or she is not representing or speaking on behalf of the Committee.

#### **ARTICLE V - COMMITTEES**

The Committee may establish any standing and/or special committees it deems necessary consistent with, and to fulfill, its stated purpose as established in Section 2 of these Bylaws.

#### **ARTICLE VI - AMENDMENTS**

These Bylaws may be amended upon an affirmative vote by a majority of the City Council.

ADDITIONAL INFORMATION

Please provide any supplemental information to this application, including the specific reason you believe you should be appointed to this advisory body.

I recently retired after 28 years as a high school mathematics teacher in Atascadero and in Cambria. Prior to that, from 1969-1973 I was a project engineer on two highway projects in southern California and from 1973-1981 I was an engineer for an industrial building contractor. I believe my education and work experience qualify me for appointment to the road tax advisory committee. In addition, I bicycle on most north county roads and am aware of the pressing need for road maintenance in the city. I have resided in Paso Robles since Dec. 30, 2004 and in SLO County since Oct., 1981.

Mayor Picanco and City Council Members:

Per my application to serve on the Tax Oversight Committee you will note that I am not a member of many organizations. Past experience includes serving as an executive board member of the American Nurses Assn., District 10, Santa Clara County, CA. I also served in various union officer roles as well as the legislative representative for Stanford Medical Center Nurses. For 25 years nursing was not just a job it was my passion. I made a difference in my profession. Now as a retiree I do what I believe I do best, attend City Council and Planning Commission meetings. However, when I feel my local government is threatened by individuals who are willing to make statements to the press without any attempt at back-up with facts, passion kicks in and I fight back.

It shouldn't be necessary to have a tax oversight committee (Anyone can oversee council actions every 2<sup>nd</sup> and 4<sup>th</sup> Tuesday of the month.) however, in view of an increase in distrust toward city government this past year it is probably a good idea. It will be another indication of the council's willingness to listen to local residents.

I wish to serve on the Tax Oversight Committee, not so much as to give advice to Council, but to serve in a capacity of educating the public regarding monies collected from the sales tax increase. I wish to be a part of a group that creates a balance to those who complain that "everything is done in secret...no public input."

An example of my skill in being able to make a difference is the attached letter I wrote in the Spring of 2010 as co-chair of the committee called Water4Paso. Issues were different but similar in that a few residents were loudly distorting the facts about Paso's water rates.

Water4Paso made a difference in getting water rates approved. I wrote letters to local newspapers, went door to door handing out my letter as well as a copy of Paso Robles Uniform Water Rate Chart. I helped design the chart along with Christopher Alakel. I am convinced that truth trumps; when presented with problems it means working hard to find a solution.

When I wrote my "dear editor" letters to the Tribune and the Paso Robles Press in October, 2012, I was trying to find a solution to combat complainers and distortions about a sales tax increase. I needed to "stand up and be counted" before the measure went to the ballot. I believe I was the only resident to voice my opinion publically that I was in favor of a sales tax increase.

If not chosen to serve on the Tax Oversight Committee I will not take my dollies and go home; I will find another way to be involved in educating the public regarding decisions pertaining to spending sales tax money.

Thank you for considering my application.

Respectfully,

Katherine Barnett

October 23, 2012

Dear Editor:

Paso has an opportunity to repair roads by voting for a sales tax increase. The ballot measure isn't confusing unless one believes confusing the public with misrepresentations of the truth works. Public meetings were held regarding the issue. Council took into account the advice of SLOCOG. (SLO Council of Governments) SLOCOG hired professional pollsters, who, after a scientific polling, found there was NO chance for a 2/3 majority vote associated with a specific tax, but a majority vote associated with a general measure was possible. To reassure voters that money would be spent on roads an advisory measure was placed on the ballot, similar to the oversight committee appointed to monitor money associated with a previous school bond measure.

Business Times considers Paso Robles to be the economic anchor for North County, the distinction partially gained by the way it handles its budget. Using vigorous fiscal control Paso has maintained an AA credit rating. Individuals deserving credit are City Council, our City Manager and employees.

I will vote for a sales tax increase for road repair. Based upon past performance I see no reason not to trust our council to spend sales tax money on road repair.

Respectfully,  
Katherine Barnett

Printed in the Tribune 10/26/12

My name is Kathy Barnett and I have agreed to co-chair a committee called Water4Paso.

I handed out a water rate chart so you can follow along with my comments. I believe without data and facts you're just another person with an opinion.

I am part of a coalition of residents and local businesses who care about Paso Robles and want to lend support to the city's Proposed Uniform Water Rates. We named ourselves Water4 Paso. I believe last November's water rate proposal was turned down mainly because of voter apathy. I voted but 8900 other registered Paso Robles residents didn't. I made a promise that if this issue goes to the ballot again I will be knocking on doors asking people to go vote.

Lately one of my reasons for joining changed, it has to do with protest. I attend most council meetings figuring that it gives me the right to protest when I disagree with city proposals. Mainly it offers me an opportunity to participate in local government. I often disagree but I also take the time to thank council and staff when votes go in my direction.

Friends and former co-workers who know me well know that I have never been a passive observer when protest turns to a willful intent to distort the truth. Lately this is what seems to be happening in my city. I will be first to defend the right to protest but I will also fight for the truth.

A recent mailer from the Concerned Citizens group was sent to residents asking that they protest the new water rate proposal. At the bottom of the mailer was a graph indicating that, with the new rate structure, by 2015 my water bill would increase 335%. This is a misrepresentation of the truth. Either that or the City is sending members of the Concerned Citizens group a special water bill. My current water bill contains charges for each unit of water plus an \$18.00 NWP fee. Perhaps Concerned Citizens receive a bill without this charge; the graph indicated you didn't need to include a monthly \$18.00 fee when you compare current charges to the new proposed rates.

I don't think the city is handing out special bills. Perhaps members of this group do not know how to do simple math...that is figure percentages...or could it be they deliberately intended to misrepresent the truth? I believe it is the latter. To compare current water rates to the new Uniform rates you have to start with your total current bill which includes a monthly \$18.00 fee. Currently a customer that uses 9 or less units of water each month would pay 29.88/month.  $\$1.32 \times 9 \text{ units} = 11.88 + \$18 \text{ equals } 29.88$ .

Using 9 units in 2011 saves me \$7.88 each month. In 2012 I save \$1.08. In 2013 I begin to experience a rate increase \$3.42, in 2014 \$7.02, in 2015 my rate will increase by \$9.72. On the water chart that I have handed out I calculated the cost of 1 to 50 units. You can go to 50 units in 2015 and still not reach a 335% increase.

I do not know who all received the mailer; it did get the attention of seniors. I am a senior living on a fixed income and would be down here at city hall screaming bloody

murder if I thought my water rates would soar 335%. Our current rate includes the \$18.00 fee, with the new Uniform rate the \$18.00 fee is eliminated.

My other reasons for joining the Water4Paso committee are:

1. Paso Robles has a contract: **One way or another, residents will pay for the Nacimiento Water Project.** Filing lawsuits, telling people the city didn't allow residents to vote for the project will not negate the bill. Distorting facts and scaring residents is cruel.
2. It is forward thinking to have a secondary source of water. Supplemental water is needed to meet existing demand and improve quality.
3. The general fund is for libraries, parks & recreation, our senior center, police and firemen. The fair way to pay the bill is through increased water rates. You pay only for what you use.
4. Council considered the impact of the NWP on growth and in March 2009 raised water connection fees from \$9,119 to \$23,500/residence.
5. To date we have spent almost \$3 million revising water rates; the current Uniform Rate is the 5<sup>th</sup> proposal. The money spent revising proposals gets added to water bills. The longer we wait to increase rates the higher our water bills.
6. Last but not least, this as an opportunity to show support for my city. Our committee's has one primary goal: We are asking residents to support the Uniform Water Rate Proposal.

Kathy Barnett

### ADDITIONAL INFORMATION

Please provide any supplemental information to this application, including the specific reason you believe you should be appointed to this advisory body.

I am a 28-year-old Paso Robles native who regards enthusiastic engagement and participation in community affairs as my civic duty. As Programs Director of Studios on the Park and Coordinator of the Paso Robles Festival of the Arts, I have experience working with City officials as well as private interests. I believe collaboration is essential to successful and sustainable outcomes.

If appointed to the Streets & Utilities Committee, I would offer a fresh perspective and would work to represent the interest of all Paso Roblans. I am acutely aware of the appearance of our town and the importance of making a good impression to our visitors as well as improving the safety of our streets for our residents. To that end, improving the appearance and conditions of our roadways would be my upmost priority.
