

TO: James L. App, City Manager
FROM: Doug Monn, Director of Public Works
SUBJECT: PTMISEA (Prop 1B) Grant Application
DATE: April 2, 2013

Needs: For the City Council to consider approving an application for funding under the State's PTMISEA (Prop 1B) Grant System.

Facts:

1. In November 2006, the voters of California approved Proposition 1B, which established \$20 billion in funding for transportation projects, the Public Transportation Modernization, Improvement and Service Enhancement Account (PTMISEA). A portion of this funding is allocated specifically for Transit Safety and Security Capital projects.
2. SLOCOG is administering the program for SLO County.
3. In order to apply, the governing body must formally approve the application.
4. Funds from PTMISEA's Safety and Security program would be used to upgrade sidewalks and handicap ramps at the North County Transportation Center to meet current ADA requirements.

Analysis & Conclusion: The SLOCOG board has approved a recommended slate of projects, including an access improvement project for the Paso Robles Transportation Center. The amount of the Grant is \$33,277. SLOCOG requires a match of \$8,000, for a total project budget of \$41,277.00.

Fiscal Impact: As noted, the grant amount is \$32,000. The City's \$8,000 match will be from the Transportation Center's Maintenance & Operations Budget No. 206.000.4612.000.

Options: That City Council

- a) adopt the attached resolution approving application for PTMISEA funding; or
- b) Amend, modify, or reject the above option.
