I am looking for an opportunity to be of service to my community. My past experience includes serving as a board member for Creston Courtyards HOA, National Assn. of Women in Construction and N.CA/W.Nevada American Concrete Institute. My decision to major in Parks and Recreation many years ago was a direct result of participating in Parks and Rec. sports programs, volunteering, doing independent study in the Recreation Department for the VA Hospital in Livermore, CA and sincere belief that a person's quality leisure experience is really what we all work so hard for during the week.
