### ADDITIONAL INFORMATION

Please provide any supplemental information to this application, including the specific reason you believe you should be appointed to this advisory body.

1. Lived near Santa Monica, CA airport for 30+ years. Saw it evolve from a basic teaching port to a sophisticated FBO. Saw the fights with the neighbors and the city as it grew.
2. Flew several types of aircraft for over 30 years, and understand the pilot's side as well.
3. Paso Robles has done a good job with their ordinance, and as growth will come, whether we want it to or not, we must prepare for it and control it.

### ADDITIONAL INFORMATION

Please provide any supplemental information to this application, including the specific reason you believe you should be appointed to this advisory body.

I am specifically interested in supporting economic development and job creation in Paso Robles and N. County through development of the Paso Robles Airport which can have a significant direct and indirect impact on our community. I am currently the Chief Executive Officer of Scarcliffe Associates, an international consulting company involved in economic and workforce development which I started after retiring from the World Bank in 2004 where I led similar work for 14 years. I have worked in over 100 countries; in US State and Federal Governments; in the private sector (i.e Western Electric of N. Ca. and Nevada, Ford Motor Company) as a professor in the Engineering Department at Cal Poly, and was born and raised on a farm. I built and own a Lancair Legacy, and own a Hanger at the Paso Airport. I and my wife live in the County.
