

TO: James L. App, City Manager
FROM: Meg Williamson, Assistant City Manager
SUBJECT: Labor Agreements – All Employees
DATE: July 1, 2014

NEEDS: For the City Council to consider extended labor contracts with all employee groups.

FACTS:

1. Labor contracts with all employee groups were set to expire December 2012 (Police) and December 2013 (all others). Discussions with all groups about extended contracts have been underway over the last 6-8 months.
2. Since the onset of the recession in 2008, employee groups deferred wage and benefit adjustments for a cumulative total of four (4) Years and nine (9) Months. In that time, a contractually agreed upon wage adjustment that was due in April 2009 was paid in 2012, and wages have remained unchanged since that time.
3. All Labor contracts now provide for less costly second and third tier retirement plans for all future employees.
4. Public Safety employees began to pay the employee share of retirement contributions in 2012 with a corresponding and offsetting wage adjustment. This restructuring resulted in a payroll cost savings to the City.
5. A less costly health plan is available through CalPERS. All groups have agreed to switch to the modified health plan effective January 2015.
6. All but the POA contracts have incorporated Vacation Accrual limits per past recommendation of the Grand Jury. This matter will be revisited with POA in the future.
7. The City's Winter 2014-18 Financial Forecast projects a modest operating surplus in coming years, much in part due to the continued reduction in employee numbers. This financial recovery is projected to strengthen through 2018.
8. The City Council authorized negotiation parameters in closed session on December 17, 2013. All contracts have adhered to the parameters set forth by City Council.
9. Contracts also contain miscellaneous adjustments relative to: uniform and boot allowances, standby duty for maintenance employees, mandatory direct deposit, implementation of medical cost premium sharing, and POA implementation of State Disability Insurance participation (employee paid).

ANALYSIS &

CONCLUSION: In the face of state and national economic trends, our community's fiscal challenges have been great, but not insurmountable. City employees were willing to assist during these challenging times through deferral of scheduled wage and benefit changes, and through implementation of less costly second tier retirement plans for new employees.

The modification from a "private" Anthem Blue Cross health plan, to the large pooled CalPERS health plan will help control escalating health care costs in coming years. The switch in plans is partially responsible for the projected operating surplus in FY 2014/15.

The City Council has recognized the extended wage change deferrals as one of the reasons the City has been successful in its recovery. And, as the Paso Robles economy is now showing signs of trending stability, and some restoration of City services is being implemented, Council has authorized negotiation of modest salary adjustments for those employees.

Each contract is structured slightly differently in its distribution of a net 3% wage change. For example, the POA, SEIU and Unrepresented employee contracts are structured with an across the board 3% salary increase for their groups, while Fire is structured with a 2% base salary increase and a 1% increase in Driver Operator specialty pay.

In the case of SEIU and Unrepresented Management, those contracts are structured so employees begin paying 2% of their employee share of retirement costs effective July 6, 2014. Similar to public safety contract restructuring in 2012, this change has a corresponding 2% wage increase where City costs are offset by the retirement contribution savings of 2%.

City finances are stabilizing through a combination of cost cutting and modest revenue increases. General fund reserves have been fully repaid from their use in the deepest point of the recession. The negotiated changes to employee contracts can be accommodated within current and projected operating surplus in both General and Enterprise Funds

POLICY

REFERENCE: California Government Code, Municipal Code Sec. 2.40.030(c), Layoff Prevention Plan dated 1992, and Resolution 06-115 (S.E.I.U., P.O.A., Unrepresented Confidential, Professional and Management Employees and Part Time Workers wage and salary contracts. Resolutions 09-037, 09-130 and 10-026 accepting offers by

all/various employee groups to defer wages for a cumulative 27 months. Resolution 11-119 further suspending annual wage and benefit adjustments through June 2012, for 12-months. Resolutions 13-072 and 13-092 establishing status-quo contracts for 18-months.

FISCAL

IMPACT: The cumulative financial savings for the 57 months of employee wage/merit and benefit deferrals totals approximately \$3.2 million. The cost of implementing the across the board net 3% wage increases for all labor contracts is approximately \$450,000 annually to the General Fund and \$90,000 annually to the Enterprise Funds. These costs are within projections.

1. For the City Council to adopt Resolution No. 14-XXX authorizing the City Manager to execute labor contracts with the SEIU, POA, and Fire Unions, and to execute an administrative agreement with the Unrepresented staff as summarized therein; or

3. PERS RETIREMENT BENEFITS

The City of Paso Robles shall continue to provide the Public Employees Retirement System (PERS.) of the State of California to unit employees. The contract with PERS. as approved by the City Council is the 2.5% @ 55 formula for General Services Unit Employees. The City shall pay the employee's eight percent (8%) Public Employees Retirement System (PERS) contribution. Effective the first full pay period following ratification of this agreement, employees will begin paying two percent (2%) of the employee retirement contribution and the City will contribute six percent (6%). Concurrently, wages will be increased by two percent (2%). The funds contributed shall continue to be considered the employee's contribution under PERS reporting regulations.

The City shall report its payment towards the employee's retirement contribution as special compensation pursuant to Section 20636(C)(4). Accordingly, the City's contribution will be considered compensation for retirement purposes.

The City shall continue to provide the "twelve highest consecutive months" benefit calculation for unit employees (Single Highest Year) and the credit for unused sick leave option.

Retirement for employees hired on or after May 27, 2012 but before January 1, 2013, and those hired on or after January 1, 2013 who meet the definition of current member pursuant to the California Public Employee's Pension Reform Act of 2013 (PEPRA), shall be as follows:

3. Employees shall pay the 7% employee contribution

Pursuant to the California Public Employees' Pension Reform Act of 2013 (PEPRA), effective January 1, 2013, employees hired who meet the definition of new member under PEPRA, will be covered by the 2% @ 62 retirement formula with the 36 highest months final compensation provision, and shall pay a member contribution rate of fifty (50) percent of the expected normal cost rate, which currently is 6.25%.

Pursuant to IRS Code Section 414(h)(2) employee paid retirement contributions shall be made on a pre-tax basis.

4. PAYCHECKS

During the term of this Memorandum of Understanding the City will pay regular checks on a bi-weekly basis. Regular checks shall be available at the end of each shift, but not before noon, on the Friday one week following the end of each pay period.

The City will make every reasonable effort to correct pay check errors as soon as possible. When pay checks are issued on a Friday, employees shall be given the opportunity to see or be told of the amount of their pay check at noon in order to have a reasonable time to have errors corrected. The foregoing shall not be interpreted to allow any disruption of normal work schedules and/or procedures.

As soon as possible but no later than December 1, 2014 direct deposit shall be mandatory for all employees.

5. HOURS OF WORK AND OVERTIME

The normal working schedule for full-time employees shall be eight (8) hours per day or forty (40) hours per week. This shall not be construed to mean that an employee is guaranteed eight hours per day or forty hours per week. One (1) hour off for lunch shall not be considered duty time. At the discretion of the Department Head, those employees under his/her assignment may have a thirty (30) minute lunch period. The duration of the lunch period shall begin when work stops at the work site and ends when work resumes at the work site. All authorized time worked in excess of forty (40) hours per week, or on a holiday recognized in this Memorandum of Understanding shall be compensated for at the rate of one and one-half (1 1/2) times the employee's regular base hourly rate of pay. However, represented employees that start work the day prior and work continuously into the next day will continue to receive the rate of pay applicable as if it were the same day. Overtime of less than Seven (7) minutes in any workday shall not be included in

determining the total number of hours worked. Thereafter, overtime shall be computed to the nearest half hour. For the purpose of computing overtime payments under the Fair Labor Standards Act, the work week for non-exempt positions shall be a seven (7) day period beginning at 12:01 A.M., Sunday and ending at 12:00 midnight Saturday.

At the request of any employee eligible for overtime pay, his/her supervisor may provide that, in lieu of any cash payment for any overtime, he/she may be allowed compensatory time off with pay at the rate of one and one-half (1 1/2) hours for each overtime hour worked. Any such time shall be taken at a time mutually agreed upon by the employee and his/her supervisor. The maximum accrual of compensatory time off shall be eighty (80) hours. In the event that such time off is not taken by the employee, he/she shall be given cash payment for the overtime worked at the overtime rate based on his/her salary at the time the overtime is paid.

6. MEAL & REST PERIODS

Except for personnel assigned to continuous operations, a meal period shall be provided all employees to be scheduled approximately midway through the regular workday. This period shall not constitute paid time and shall be no less than 30 minutes. Two (2) paid rest periods of ten (10) minutes each may be provided all employees during each half of their regular eight-hour workday. Whenever possible, breaks will be taken at the work site. Sick leave may also be used for medical and dental appointments.

An employee is expected not to absent himself/herself from work without making prior arrangement with his/her supervisor. Unless such prior arrangements are made, an employee who, for any reason, fails to report for work must make a sincere effort to immediately notify his/her supervisor, but in any event no later than one (1) hour from the employee's starting time, of his/her reason for being absent. If the absence is to continue beyond the first day, the employee must notify the supervisor on a daily basis unless otherwise arranged with his/her supervisor. Any employee who absents himself/herself for three (3) days or more without authorized leave shall be deemed to have resigned. Such absence may be covered, however, by the Department Head by a subsequent grant of leave with or without pay where extenuating circumstances are found to have existed by the City.

17. **FAMILY LEAVE**

Pursuant to the State and Federal Leave Acts, the following is provided for all employees who have been employed a minimum of 12 months and have worked at least 1250 hours during the 12 month period preceding Leave:

All other provisions of the State FCLA and Federal FMLA apply.

18. PERSONAL LEAVE

An employee may use three (3) sick days (24 hours) per year which shall be designated as "personal leave days." In no case shall personal leave days be taken in excess of three (3) days in any one calendar year. Personal leave days shall not be counted against an employee's sick time usage for evaluation purposes.

19. DUES DEDUCTION

The City and Union agree that requests for, changes in, and cancellations of Union dues and other deductions referenced in this Article, shall be promptly processed through the Union and put into effect at the employee's, or in the case of authorized changes pursuant to the Union's bylaws at the Union's request. The City agrees to promptly provide to the Union a list of employees hired or transferred into the unit including; at a minimum, the name, class title, department, and division location.

The Union agrees to indemnify and hold the City harmless from any liabilities which may arise as a result of the application of this Article. Requests for deductions shall be made on Union Authorized cards in accordance with applicable State law. Changes to the Union authorized card shall require approval by the City in advance.

B) Agency Shop

Pursuant to legislation enacted by SB 739 and amendment to the Meyers-Milias-Brown Act, the City and the Union agree to abide by the following provisions as they relate to an agency shop and an agency shop election.

1. Agency Shop as defined under Meyers-Milias-Brown means “an arrangement that requires an employee, as a condition of continued employment, either to join the recognized employee organization, or to pay the organization a service fee in an amount not to exceed the standard initiation fee, periodic dues, general assessments of the organization.” The City and the Union agree that an agency shop arrangement between the City and Union has been placed in effect pursuant to an employee election:
2. Any employee who is a member of a bona fide religion, body, or sect that has historically held conscientious objections to joining or finally support public employee organizations shall not be required to join or financially support any public employee organization as a condition of employment. Such employees shall be required, in lieu of periodic dues, initiation fees, or agency fees, to pay sums equal to the dues, initiation fees, or agency fees to a nonreligious, nonlabor charitable fund exempt from taxation under Section 501(C)(3) of the Internal Revenue Code, chosen by the employee from a list approved by the City for the purpose of payroll deductions. Proof of the payments shall be made on a bi-weekly deduction report to the Union as a condition of continued exemption from the requirement of financial support to the Union.
 - (a) To qualify for the religious exemption, the employee must provide to the Union, with a copy to the City, a written request for the exemption, along with verifiable evidence of membership in a religious body as described above. The City will implement the religious exemption within thirty (30) days of the written request unless notified by the Union that the requested exemption is not valid.
3. Covered employees shall execute written authorization for either Union dues deductions, the agency fee, or, if eligible, the charitable contribution. In the

absence of a written authorization, the City shall deduct the agency fee from the employees pay check. The City agrees to promptly remit to the union all monies deducted accompanied by a "Bi-weekly Agency Fee Deduction report" to include the names, social security numbers and amounts of deductions in the same manner and timeframes as the current provision of the dues deduction reports.

4. The agency shop provision may be rescinded by a majority vote of all the employees in the unit covered by the Memorandum of Understanding, provided that:
 - (a) A request for such a vote is supported by a petition of at least 30% of the employees in the bargaining unit;
 - (b) The vote is by secret ballot;
 - (c) The vote may be taken at any time during the term of the Memorandum of Understanding, but in no event shall there be more than one vote taken during the term.
5. An agency shop arrangement shall not apply to management or confidential employees.
6. The Union shall keep an adequate itemized record of its financial transactions and shall make available annually, to the City and to the employees who are members of the organization, within 60 days after the end of its fiscal year, a detailed written financial report thereof in the form of a balance sheet and an opening statement, certified as to accuracy by its president and treasurer or corresponding principal officer, or a certified public accountant.
7. The Union shall indemnify and hold the City harmless against any liability arising from any claims, demands, or other action relating to the City's compliance with the agency shop obligation. The Union shall comply with all statutory and legal requirements with respect to Agency Shop.

21. UNION STEWARDS

- A. The City authorizes the Paso Robles SEIU Services Employees Union to appoint five (5) "union stewards" and one chief steward, any of which may represent an employee subject to the City's grievance procedure.
- B. The Union shall provide the Municipal Employee Relations Officer with a list of all authorized union stewards, and the list shall be kept current.
- C. An employee and/or his/her "union steward" representative may, when and to the extent necessary, take official City time without loss of compensation in order to participate in the investigation and processing of a grievance as provided for in

Article 21, upon notification and approval of the Municipal Employee Relations Officer or his designee.

- D. The Municipal Employees Relations Officer will approve employee and/or union steward taking official City time to investigate and process a grievance when and to the extent necessary and only if it will in no event adversely affect the operational, security or safety requirements of the City.
- E. It is understood that the employee and/or union steward shall make every reasonable effort to perform any of the above activities on off-duty time.
- F. The Union shall reasonably distribute workload among stewards so as to avoid excessive time off for any one individual(s).

Negotiations Release Time

The City agrees to release no more than six (6) union members to participate in the formal meet and confer sessions with the City representatives. No other release time is authorized for negotiations purposes.

22. UNION ACCESS TO WORK LOCATIONS

- A. The City agrees that an authorized union staff member shall be granted access to work locations to participate in the investigation and processing of grievances per the grievance procedure (Article 21), or to observe working conditions, when and to the extent necessary, and only if it will in no event adversely affect the operational, security or safety requirements of the City, upon the approval of the Municipal Employees Relations Officer or his designee.
- B. The Union shall provide a Municipal Employee Relations Officer with a list of all authorized staff representatives, and the list shall be kept current by the Union.
- C. When and to the extent necessary and only if it will in no event adversely affect the operational, security or safety requirements of the City and upon notification and approval of the Municipal Employee Relations Officer or his designee, an authorized union staff member is permitted to communicate with employee(s) without loss of compensation. It is not the intent of this section to allow general union meeting on City time; but rather to allow investigation and discussion of working conditions, grievances and safety issues.
- D. It is understood that every reasonable effort shall be made to perform the above activities on off-duty time.
- E. The City will allow the use of existing bulletin board space at the following locations: 1) Street Department; 2) Water Department; 3) Wastewater

The salary range as set forth for each classification is divided into five (5) steps, subject to the provisions of Flexible Staffing policies, which shall be interpreted and applied as follows:

- A. The first step is the minimum rate and normally shall be the hiring rate.
- B. The second step is granted to employees who are eligible for this adjustment after completion of six (6) full calendar months of satisfactory service in a classification, only if granted by the Department Head and subject to the approval of the City Manager or his designee.
- C. The third, fourth and fifth steps shall be granted to an employee who has proven himself fully qualified and rated satisfactory or above in a given classification for one full additional year from the granting of previous step increases, only if granted by the Department Head and subject to the approval of the City Manager or his designee.

An employee must always continue to maintain an acceptable level of performance and shall be evaluated by his/her Department Head annually. If the written evaluation by the Department Head does not support a continued acceptable effort, an individual may be reduced by the Department Head with the approval of the City Manager or his designee.

No deferral of merit step increases are in force, nor will there be merit step deferrals for the term of this contract.

24. JURY DUTY

Employees shall be granted leave with full pay when called for jury duty. The party which strikes the first name from the list of hearing officers shall be determined by a toss of a coin.
2. In cases where the employee elects the hearing officer option; the City shall bear the cost of the hearing officer. Each side shall bear its own cost of representation; including preparation and post hearing briefs, if any.
3. Decisions by hearing officers on matters properly before them shall be final and binding on the parties to the extent permitted by law, No hearing officer shall hear, decide, or make recommendations on any dispute unless the dispute involves matters within the definition of grievances set forth in the Memorandum of Understanding or discipline as defined by the City's Personnel Rules.

Advisory decisions of the Hearing Officer involving appeals of termination actions may be reheard by the City Council within 60 days of the decision if the Council finds by simple majority vote, that the Hearing Officer exceeded their authority or, the decision does not properly interpret the MOU or the submissions of the parties.

4. No hearing officer shall have the power to amend or modify this Memorandum of Understanding or a law, ordinance, resolution, regulation or rule which is in the authority of the City Council or other legislative body or to establish any new terms and conditions of employment. Any order of a hearing officer not involving an appeal from discipline requiring a City expenditure of more than \$ 15,000 shall require the approval of the City Council and shall have no force and effect until

- B. The determination of the City Council shall be the final and binding step of the grievance procedure.

ALTERNATIVE DISPUTE RESOLUTION PROCESS:

As an alternative of Step 4 of the grievance procedure and disciplinary appeals to the City Council, including termination appeals; employees may elect the following dispute resolution procedure. This procedure shall involve use on an outside hearing officer who shall have final and binding authority to settle the dispute as set forth below.

HEARING OFFICER:

1. Upon election of the hearing officer option; the City and the employee (or the employees representative shall attempt to mutually agree on an impartial hearing officer. Should the parties fail to reach agreement on selection of a hearing officer within fifteen (15) days; they shall jointly request a list of five qualified hearing officers from the California State Mediation and Conciliation Service. If the mutual selection cannot be made from the list received within five (5) days, the parties shall select the hearing officer by alternatively striking names until only one name remains; that person shall serve as the hearing officer. The party which strikes the first name from the list of hearing officers shall be determined by a toss of a coin.
2. In cases where the employee elects the hearing officer option; the City shall bear the cost of the hearing officer. Each side shall bear its own cost of representation; including preparation and post hearing briefs, if any.
3. Decisions by hearing officers on matters properly before them shall be final and binding on the parties to the extent permitted by law. No hearing officer shall hear, decide, or make recommendations on any dispute unless the dispute involves matters within the definition of grievances set forth in the Memorandum of Understanding or discipline as defined by the City's Personnel Rules.

Advisory decisions of the Hearing Officer involving appeals of termination actions may be reheard by the City Council within 60 days of the decision if the Council finds by simple majority vote, that the Hearing Officer exceeded their authority or, the decision does not properly interpret the MOU or the submissions of the parties.

4. No hearing officer shall have the power to amend or modify this Memorandum of Understanding or a law, ordinance, resolution, regulation or rule which is in the authority of the City Council or other legislative body or to establish any new terms and conditions of employment. Any order of a hearing officer not involving an appeal from discipline requiring a City expenditure of more than \$ 15,000 shall require the approval of the City Council and shall have no force and effect until and unless such Council approval is given. If the City Council does not approve an award pursuant to this section; it shall rehear the matter and issue its own decision on the merits.
