

TO: James L. App, City Manager  
FROM: Doug Monn, Public Works Director  
**SUBJECT: Union Road Wall Surface**  
DATE: August 19, 2014

---

**NEEDS:** For City Council to select the texture pattern for the surface of a wall to be constructed at the Union Road project (Kleck to Montebello Oaks).

**FACTS:**

1. City Council awarded the construction contract for the Union Road project (Kleck to Montebello Oaks) on June 17, 2014.
2. Design of the road requires construction of several retaining walls, some as high as 12-feet (primarily on the south side of Union Road).
3. To mitigate the effect of a tall concrete wall, the bid documents require the contractor to use a “formliner” to place texture on the wall surface.

**ANALYSIS &**

**CONCLUSION:** Three different textures are proposed for City Council to consider, as shown on the attached exhibits. Staff requests that Council select one of these textures to be used for the project.

**POLICY**

**REFERENCE:** None

**FISCAL**

**IMPACT:** Cost is included in the construction contract.

**OPTIONS:**

- a. Select one of the following texture choices:
  - 1) Klamath Dry Stack
  - 2) Liberty Dry Stack
  - 3) Large Dry Stack Fieldstone
- b. Amend, modify, or reject the above option.
