

TO: JAMES L. APP, CITY MANAGER
FROM: WARREN FRACE, COMMUNITY DEVELOPMENT DIRECTOR
SUBJECT: BUILDING BOARD OF APPEALS APPOINTMENT
DATE: DECEMBER 15, 2015

Needs: For the City Council to initiate formation of the Building Board of Appeals consistent with Section 113 of the California Building Code and Section 17.04.020.C. of the Paso Robles Municipal Code (Local Building Code).

Facts:

1. Section 113 of the California Building Code (CBC) provides the requirements and standards for a jurisdiction to provide a “Building Board of Appeals.” (Attachment 2)
2. The purpose of the Building Board of Appeals is to “hear and decide appeals of orders, decisions or determinations made by the Building Official relative to the application and interpretation of the Code.” (CBC Section 113.1)
3. The Building Board of Appeals authority is limited to the following (California Building Code Section 113.2.):
 - a. The true intent of the code has been incorrectly interpreted,
 - b. The provisions of the code do not fully apply; or,
 - c. An equally good or better form of construction is proposed.
4. The California Building Code specifically states that, “The board shall not have authority to waive requirements of this code.” (CBC Section 113.2.)
5. The California Building Code sets minimum qualifications for Building Board of Appeals members to be, “qualified by experience and training to pass on matters pertaining to building construction and are not employees of the jurisdiction.” (CBC Section 113.3.)
6. The City of Paso Robles has adopted local amendments to Section 113 of the California Building Code. The local amendments are under Section 17.04.020.C. of the Paso Robles Municipal Code, “Changes or Additions to the California Building Code.” (Attachment 2)
7. The City has made the following local amendments to Section 113 to address appeals related to access or accommodations for the physically disabled:
 - a. Created a consolidated “Local Board of Appeals” that combines the function of two different State required appeals bodies: the Housing Appeals Board (CA HSC 17920.5.), and the Disabled Appeals Board (CA HSC 17920.6.). (Section 113.2.1.)
 - b. Set the number and qualifications of Board members. (Section 113.3.1.)

- c. Set terms and eligibility criteria for Board member appointments. (Section 113.4 and 113.5.)
 - d. Required rules and regulations for conducting business. (Section 113.6.)
 - e. Sets the appeals process. (Section 113.7.)
 - f. Required an appeal hearing fee. (Section 113.8.) The current appeal fee is \$151.
 - g. Set the timing for appeal hearings and decisions. (Sections 113.9 and 113.10.)
8. The amendments to Section 113 of the CBC made by the City to add Sections 113.1.1 through 113.10 apply specifically to appeals hearings related to access or accommodations for the physically disabled. The City has not made any appointments or adopted rules and regulations for the Building Board of Appeals for the purpose of hearing and deciding appeals related to the application and interpretation of the CBC.
 9. During the Permit Audit Workshops the issue of empaneling the Building Board of Appeals was a topic of discussion.
 10. On May 5, 2015 the City Council heard a staff report on the Permit Audit Process and endorsed a plan check improvement program. The issue of empaneling the Building Board of Appeals was raised during public comment and the City Council directed staff to return with a follow-up report.
 11. On September 1, 2015, the City Council directed staff to initiate the empaneling of the Building Board of Appeals in early 2016.
 12. On November 30, 2015, the City received a request for a Building Board of Appeals hearing regarding building permit B15-0566 at 2020 Kleck Road.

Analysis and Conclusion:

Board of Appeals Members

1. Under the City's municipal code, which adopted the 2013 California Building Code ("CBC") by reference with local amendments, the City Council may not serve as the Building Board of Appeals. This is because Section 113.3 of the CBC requires the members of the Building Board of Appeals to be qualified by experience and training to pass on matters pertaining to building construction. Given this requirement, Building Appeals Boards are usually made up of architects, engineers, contractors, building officials, construction inspectors, Building Officials, construction managers, etc. (i.e., professionals with substantial construction-related experience and training).
2. The appointment of such members can be done by resolution. City employees are not eligible to serve on the Building Board of Appeals. However, building officials or professionals who work in nearby jurisdictions would be eligible.
3. Neither the Municipal Code nor the CBC set a mandatory timeframe for hearing an appeal.

4. If the City Council determines that it should serve as the Building Board of Appeals, the City Council must adopt an ordinance to amend Section 113.3 of the CBC to remove the requirement that board members have training and experience in building construction matters. However, given the very technical nature of many building appeals, staff does not recommend this change.
