ADDITIONAL INFORMATION

Please provide any supplemental information to this application, including the specific reason you believe you should be appointed to this advisory body.

I recently retired from Cal Poly where I originally served as the Dean of the Kennedy Library and later as Vice Provost and Chief Information Officer. As a fairly new member of Paso Robles, I would very much like to find an appropriate way to contribute to this fine community. After approximately 45 years in both public and academic libraries (please see attached CV) it seems natural for me to reach out to the Library Board.
