

TO: Tom Frutchey, City Manager

FROM: Robert Burton, Chief of Police

SUBJECT: Animal Services Contract

DATE: June 7, 2016

---

Needs: For the City Council to consider an agreement with the County of San Luis Obispo for Animal Control Services, July 1, 2016 – June 30, 2019.

Facts:

1. The City of Paso Robles contracts with the County of San Luis Obispo Animal Services Division for animal control services.
2. The current contract for animal services, in the amount of \$287,266, will expire June 30, 2016.
3. Every year a comprehensive Animal Services Study is completed to examine the costs attributed to each contracting municipality.
4. The study completed this year once again identified the full cost recovery for each municipality to use services from the County of San Luis Obispo for animal control.
5. The final contract rate for animal services for the City of Paso Robles was set at \$269,708 for the first contract year starting on July 1, 2016.

Analysis &  
Conclusion:

The City has contracted with San Luis Obispo County for animal control services for many years. The contract includes: response of Animal Service Officers for injured or stray animals; investigative services for animal bites, abuse and neglect; sheltering and quarantine services; dog licensing; animal adoption; and other services as required by either State law or City Municipal Code. The most recent contract with the County will expire on June 30, 2016, as did all other incorporated cities' contracts.

Every year County Administration and Finance, County Health Agency, County Animal Services and all local police chiefs participate in a comprehensive study of Animal Control Services and associated costs. During the study process this year, it was determined the costs of service chargeable to the City of Paso Robles has again decreased since the last contract period, as it has both years since our high year of FY 2013-4. The results of the Animal Services Study this year revealed program costs are reasonable and the method of data collection and attribution to individual cities is accurate. Certain cities use Animal Services at a significantly higher rate than others and the City of Paso Robles is currently the highest user of services of all the contracting municipalities.

Based on the most current Animal Services Study, the final contract rate identified for the City of Paso Robles during the first year of the contract is \$269,708. Contract

pricing for will be adjusted for inflation and usage each year after the first year of the contract, but large adjustments are not anticipated.
