## CERTIFICATE OF RECOGNITION

### NORMA MOYE

FOR

### SERVING AND LEADING THE PASO ROBLES COMMUNITY

**WHEREAS**, Paso Robles would not be the community it is today were it not for the unique character of Norma Moye. She is the embodiment of what is best about Paso Robles - sense of humor, work ethic, humility, can-do attitude, and strength of character; she can throw a mean party and always has a plan; she is so many things to this community – our backbone, moral compass, cheerleader and touchstone; she knows if something is good or bad for Paso the minute she hears it; dreams have flourished in Paso Robles because Norma works until 9PM every night to provide the infrastructure for small businesses to succeed and a downtown setting for which we are all grateful; and

**WHEREAS**, Norma has been a driving force in supporting or creating key Paso Robles institutions that celebrate and enhance our special community, including: Bearcat Cheerleading, Band and Boosters; Pioneer Players; Pioneer Day Committee and the Barbary Coast Girls; the el Paso de Robles Historical Society; Paso Robles Cemetery District, and the jewel of our community – the Downtown Paso Robles Main Street Association. Her dedication to the community has included seats on numerous committees and the creation of annual events that have become cherished family traditions for generations of Roblans; and

**WHEREAS**, her numerous personal and professional strengths include her boundless energy and enthusiasm; her numerous friendships. She doesn't suffer fools gladly; never rests on her laurels; is generally perceived as hip by people of every age, local or visitor. She has very high standards; allows people to be themselves, good or bad; stores the entire history of Paso Robles in her head; has an uncanny memory for details; doesn't take herself too seriously; is the type to call your mother or grandmother if you're not doing the right thing and probably has the phone number memorized; and always puts her money where her mouth is; and

**WHEREAS**, her efforts are reflected in the smiles from strangers downtown, in the laughter of children growing up in a good place to live, in small business owners thriving in a challenging economy, and in visitors enjoying a delicious meal overlooking the park with a glass of great wine. Norma Moye's vision for Paso Robles, combined with her unique character, charted a course that has safeguarded our unique way of life in Paso Robles and a community we are all very proud to call home.

**NOW, THEREFORE, BE IT RESOLVED**, that I, Steve Martin, by virtue of the authority vested in me as Mayor, ask the community of Paso Robles to join the City Council in extending our heartfelt gratitude, admiration and respect to **Norma Moye**. Her unwavering dedication to the community of Paso Robles leaves a legacy to be felt for generations to come.

**IN WITNESS HEREOF**, on this 14<sup>th</sup> day of June 2016, I have hereunto set my hand and caused the Seal of the City of Paso Robles to be affixed.
