

CITY COUNCIL AGENDA

Tuesday, June 15, 2004 7:30 PM

ADDENDUM NO. 1 to Regular Meeting

MEETING LOCATION: PASO ROBLES LIBRARY/CITY HALL
CONFERENCE CENTER, 1000 SPRING STREET

To add items:

DISCUSSION

26. [Retention of FSB Energy to Assist in Mitigation of the Sulfur Spring at 1000 Spring Street](#)

M. Williamson, Interim Public Works Director

Consider funding consultant services associated with mitigation of the sulfur spring at 1000 Spring Street. (To facilitate repairs to the City Hall parking lot following damages from the December earthquake, design of a casing system to capture the spring and deliver it to the City storm drain system is necessary. In an attempt to minimize costs, staff recommends expanding upon a similar design already in place at the Paso Robles Inn.)

OPTIONS:

- a. Adopt Resolution No. 04-xx authorizing the City Manager to enter into a contract with FSB Energy to provide assistance in mitigating the sulfur spring at 1000 Spring Street, for a not-to-exceed fee of \$10,000.
- b. Amend, modify, or reject any of the above option.

ROLL CALL VOTE

27. [Seismic Safety Ordinance Update](#)

R. Lata, Community Development Director

Consider an update to the City's Seismic Safety Ordinance. (The City's current Seismic Code is based upon the 1994 Uniform Code for Building Conservation. The proposed revision would adopt the 2003 International Existing Building Code and establishes new deadlines for the completion of seismic retrofit.) CONTINUED FROM JUNE 1, 2004

OPTIONS:

- a. Introduce for first reading Ordinance No. XXX N.S. amending Chapter 17.18 of the Municipal Code; and set July 6, 2004, as the date for adoption of said ordinance.
- b. Amend, modify, or reject any of the above option.

ROLL CALL VOTE

28. [California Integrated Waste Management Board Memorandum of Agreement for Enforcement Services](#)

M. Williamson, Interim Public Works Director

Consider a revised Memorandum of Agreement (MOA) with the California Integrated Waste Management Board (CIWMB) for enforcement services at the City's landfill. (The CIWMB wishes to incorporate all enforcement services for San Luis Obispo County into one MOA rather than maintain independent contracts. The modified MOA will result in a three-party agreement to provide enforcement services to landfills within the County and to the City of Paso Robles.)

OPTIONS:

- a. Adopt Resolution No. 04-xx authorizing the City Manager to enter into a modified Memorandum of Agreement with the California Integrated Waste Management Board for enforcement services at the Paso Robles landfill.
- b. Amend, modify, or reject any of the above option.

ROLL CALL VOTE
