PRESENTATION

1. Paso Robles Water Projects and User Rates – Education Program

J. App, City Manager

The City is facing a significant challenge in presenting accurate facts to the public regarding our water resources and associated water user rates.

For the City Council and members of the City's advisory bodies to receive information on the public education campaign being initiated by the City to provide ongoing, fact-based information concerning the water system, water project updates, and the advisory body members' role in educating the community at large about City water resources.

OPTIONS:

- a. Receive and file.
- b. Amend, modify or reject the above option.
