John Rickenbach, the City's contract assistance in preparing the City's General Plan update, made a presentation to summarize the process. He described the steps taken to date and gave an overview of the recommendations of the ad hoc committee on the General Plan.

Those from the public giving comments/testimony and input on the General Plan program were Dale Gustin, Fred Strong, Susan Pyburn, Paul Reichardt, David Landon, Juan Jasso, Susan Harvey, Grace Pucci, Barbara Roland, Woody Woodruff, Dona Przybyla, Larry Werner, Del Velton, Richard Pollak and Joe Huebner.

John Rickenbach responded to questions posed by the public, Planning Commission and City Council.

Upon consideration of the presented information and testimony, it was the consensus of the Planning Commission and City Council and two land use proposals that had not been a part of the ad hoc committee recommendation (specifically, the North Coast Engineering proposal regarding the Sylvester Family Trust property off Kleck Road; and the request by David and Cherie Landon regarding the property on north Spring Street, east of the Colonial Motel) be included for further discussion and consideration as a part of the General Plan update process. No further proposed changes to the recommendations of the ad hoc committee were identified.

By general consensus of the Planning Commission and City Council, the meeting was adjourned at 9:45 PM.
