Consider approving steps required for finalizing development plans for a residential subdivision. (Tract is a 79-lot subdivision of a 16.14-acre site, located on Clubhouse Drive, north of River Oaks Drive. Consider adopting a Resolution of Intent to abandon a 50-foot wide improved cul-de-sac street. (Applicant: Dick Willhoit. The purpose of request is to accommodate the applicant's desire to establish a small, private community along Waterford Court, a street that has been constructed to City standards. AYES: Finigan, Heggarty, Picanco and Mecham  
NOES: Nemeth  
ABSTAIN: None  
ABSENT: None

*(Council adjourned for a 15-minute recess.)*

**17. Water Well Exception Request (Pemberton)**

J. Deakin, Public Works Director

Consider a request by Margaret Pemberton to retain a private well on property already served by City water. (Property is a 2.7-acre parcel at 1650 Kleck Road. In September 2000, the Council approved the first request for this property to retain an agricultural irrigation well. NOES: None  
ABSTAIN: None  
ABSENT: None

**19. Customer Parking Only (Downtown)**

J. Deakin, Public Works Director

Consider a request submitted by Main Street to paint “Customer Parking Only” on selected curbs downtown. NOES: Heggarty  
ABSTAIN: None  
ABSENT: None

**20. Parking Restrictions at the 3300 Block of Spring Street**

J. Deakin, Public Works Director

Consider restricting parking on the east curb of Spring Street at the northernmost end of the 3300 block. (Traffic on 34<sup>th</sup> Street at Spring Street is controlled by stop signs. There is also a painted crosswalk and “School Crossing” signs. Vehicles parking on the east curb of Spring, south of 34<sup>th</sup> Street, restrict the view of cross-traffic and the view of pedestrians crossing in the painted crosswalk is restricted. The Streets and Utilities Committee recommends that Council consider restricting parking to increase the safety of pedestrians and drivers.)

Mayor Mecham opened the public hearing. There were no comments from the public, either written or oral, and the public discussion was closed.

Councilmember Finigan, seconded by Councilmember Nemeth, moved to restrict parking on the east curb of Spring Street at the northernmost end of the 3300 block (approximately 30 feet).

ABSTAIN: None  
ABSENT: None

**21. Centennial Park Upgrades/Rehabilitation**

(In June 2002, the Council accepted a \$500,000 Roberti Z’Berg grant and appropriated \$214,000 in City matching funds. In February 2003, Council authorized engaging the services of BFGC Architects to assist staff in preparing the Plans, Specifications and Estimates for the project. ABSTAIN: None  
ABSENT: None

**22. Council Advisory Body, Board & Commission Bylaws: Membership Residency Requirement**

J. App, City Manager

Consider City residency as a condition of membership in a City Advisory Body, Board or Commission. (As standardized bylaws were being developed for all advisory bodies, discussion focused upon inclusion not only of those who reside in town, but those who own businesses and/or are appointed as representatives of non-profit associations headquartered in town. The definition of residence was broadened to include such business and association interests. As a result of the broad residency definition, many who do not reside in town would be eligible to formally participate in City affairs.)

Mayor Mecham opened the public hearing. Speaking from the public was Chuck Miller. There were no further comments from the public, either written or oral, and the public discussion was closed.

Councilmember Finigan, seconded by Councilmember Nemeth, moved to approve revised residency requirements as presented in Exhibits C & D.

Motion passed by the following unanimous roll call vote:

The results of staff’s review of each proposal and their recommendations were presented to the Council’s ad hoc fiscal policy/budget committee, who affirmed staff’s recommendation.)

Mayor Mecham opened the public hearing. There were no comments from the public, either written or oral, and the public discussion was closed.

Councilmember Nemeth, seconded by Councilmember Finigan, moved to adopt Resolution No. 03-85 approving a 3-year contract with Moss, Levy & Hartzheim, Certified Public Accountants, to undertake the scope of annual financial auditing and reporting work identified in their proposal for fiscal years 2003, 2004 and 2005; and authorize the Director of Administrative Services to execute the contract.

Motion passed by the following unanimous roll call vote:

AYES: Finigan, Heggarty, Nemeth, Picanco and Mecham  
NOES: None  
ABSTAIN: None

**23. Proposed Legislation: California Assembly Bill 1221 “California Balanced Communities Act of 2003”**

J. App, City Manager

Consider formal comment upon the Legislature’s proposed “California Balanced Communities Act of 2003.” (Bill 1221 was introduced by the California Assembly to restructure local government finance by exchanging a portion of City sales tax for an equal amount of property tax. As proposed, one half of the City’s 1% sales tax would be retained by the State in exchange for an equal amount of property taxes above what is currently received. The Bill is opposed by the California League of Cities, but supported “in concept” by the California State Association of Counties.)

Mayor Mecham opened the public hearing. There were no comments from the public, either written or oral, and the public discussion was closed.
