

ORDINANCE NO. 412 N.S.

AN ORDINANCE REPEALING (SECTION 2, 3, 4, AND 5 OF ORDINANCE NO. 174 N.S.) SECTION 14.04.020, 14.04.030, 14.04.090 AND 14.04.110 OF THE MUNICIPAL CODE OF THE CITY OF EL PASO DE ROBLES AND ADOPTING NEW SECTION 14.04.020 AND 14.04.030 OF SAID CODE

The City Council of the City of El Paso de Robles does ordain as follows:

That this ordinance is an ordinance required to be so to meet the normal and current expenses of the city.

That Sections 14.04.020, 14.04.030, 14.04.090 and 14.04.110 of the Municipal Code of the City of El Paso de Robles are hereby repealed.

That new Section 14.04.020 - FEES - and Section 14.04.030 - SHUTOFF VALVE - be and are hereby adopted as follows:

14.04.020 A. FEES - CONNECTION. No new, enlarged, or reduced connection for any premises shall be made to city water mains, or to its system, without written application therefore, signed by the owner or his designee on his behalf upon application forms furnished by the city, being submitted to the Water Department.

The application shall be accompanied by a fee to be set by resolution of the City Council from time to time with reference to this section.

B. FEES - METER SERVICE. No new, enlarged or reduced meter shall be installed for any premises until an application on a form provided by the city shall be submitted and signed by the owner or his designee on his behalf.

The application shall be accompanied by a fee to be set by resolution of the City Council from time to time with reference to this section. Said resolution may set a different rate for services outside the city limits.

C. FEES - MONTHLY WATER USAGE RATES. The monthly rates to be charged and collected by the Water Department for all water consumption including private fire lines, bulk water delivery or fire hydrant usage from every person, school, firm or corporation shall be at the rates established by

resolution of the City Council from time to time with reference to this section.

14.04.030 SHUTOFF VALVE AND VALVE BOX. Each meter installed pursuant to Section 14.04.020 B shall include a shutoff valve and valve box on the consumer's side of the meter for his use. Location of said shutoff valve and valve box shall be as close to the meter as practicable. If the required meter box is large enough to accomodate the shutoff valve, a separate valve box will not be required.

PASSED AND ADOPTED as an ordinance this 24th day of May, 1978.
