

RESOLUTION NO. 775

OF INTENTION TO ACQUIRE AND CONSTRUCT
IMPROVEMENTS

CRESTON ROAD TRUNK SEWER

RESOLVED, by the City Council of the City of Paso Robles, California, that in its opinion the public interest and convenience require, and that it is the intention of said City Council to order the following acquisitions and improvements to be made, to-wit:

1. (a) The construction of a 10-inch diameter vitrified clay sewer main with wye branches and standard manholes complete in Creston Road between the west side of River Road and a point about 1500 feet easterly thereof;

(b) The construction of sewage pumping station complete at the junction of River Road and State Highway No. 41;

(c) The construction of an 8-inch diameter cast iron sewage pressure line in State Highway No. 41 from River Road to Riverside Avenue;

(d) The doing of all work and the acquisition of all lands and easements auxiliary to any of said work and necessary to complete the same.

2. All of said work and improvements are to be constructed at the places and in the particular locations, of the forms, sizes, dimensions and materials, and at the lines, grades and elevations, as shown and delineated upon the plans, profiles, and specifications to be made therefor, as hereinafter provided.

3. There is to be excepted from the work above described any of such work already done to line and grade, and marked excepted or shown not to be done on said plans, profiles and specifications.

4. Said City Council does hereby adopt and establish as the official grades for said work the grades and elevations to

be shown upon said plans, profiles and specifications. All such grades and elevations are to be in feet and decimals thereof with reference to the datum plane of the City of Paso Robles.

5. All of the blocks, streets and alleys herein mentioned are shown on maps of record in the office of the County Recorder of the County of San Luis Obispo, State of California, and shall be shown upon the plans herein referred to and to be filed with the City Clerk of said City.

6. Whenever any street is herein described as running between or from or to or through any other street, both the mean and extreme intersections thereof are included to the extent that work shall be shown on the plans and specifications to be done therein.

7.. Said contemplated improvements, in the opinion of said Council, are of more than local or ordinary public benefit, and said Council does hereby make the expenses of said improvements chargeable upon a district, which district said Council declares to be the district benefited by said improvements and to be assessed to pay the costs and expenses thereof, the exterior boundaries of which are the coterminous exterior boundaries of the composite and consolidated area consisting of Capitol Hill Tract, Lots 1 thru 12, Orchard Bungalow Tract, Moore Park Tract, Adobe Hill Ranch, unsubdivided portion of Lot 13 lying westerly of Orchard Bungalow Tract, and the unsubdivided portion of Lot 15, both in Rancho Santa Ysabel, and more particularly shown and delineated on the map and diagram of Proposed Assessment District Adjacent to City of Paso Robles, San Luis Obispo County, California, on file in the office of the City Clerk.

8. Notice is hereby given that serial bonds to represent the unpaid assessments and bear interest at the rate of not to exceed five per cent (5%) per annum, will be issued hereunder in the manner provided by the Refunding Assessment Bond Act of 1935 as modified in the Municipal Improvement Act of 1913, the

last installment of such bonds shall mature nine (9) years from the second day of July next succeeding ten months from their date.

9. Except as herein otherwise provided for the issuance of bonds, all the work above mentioned shall be done pursuant to the provisions of the Municipal Improvement Act of 1913, as amended.

10. Reference is hereby made to proceedings had pursuant to Division 4 of the Streets and Highways Code, on file in the office of the City Clerk.

11. Said Council further declares that all public streets, highways, lanes, courts, alleys within said assessment district in use in the performance of a public function as such, shall be omitted from the assessment hereafter to be made to cover the costs and expenses of said acquisitions and improvements.

12. Said proposed acquisitions and improvements are hereby referred to the City Engineer as the officer having charge and control of the construction of public improvements in and for said City of the kind described herein, he being a competent person employed by said City for that purpose, and said City Engineer is hereby directed to make and file with the City Clerk of said City a report in writing, presenting the following:

(a) Maps and descriptions of lands and easements to be acquired;

(b) Plans and specifications of the proposed improvements to be made pursuant to this Resolution of Intention;

(c) Engineer's estimate of the itemized and total estimated costs and expenses of said acquisitions and improvements and of the incidental expenses in connection therewith;

(d) Diagram showing the assessment district above referred to and also the boundaries and dimensions of the respective subdivisions of land within said assessment district as the same existed at the time of the passage of this Resolution of Intention, each of which subdivisions shall be given a separate number

upon said diagram;

(e) A proposed assessment of the total amount of the costs and expenses of the proposed acquisitions and improvements upon the several subdivisions of land in said assessment district in proportion to the estimated benefits to be received by such subdivisions, respectively, from said acquisitions and improvements, and of the expenses incidental thereto.

13. If any excess shall be realized from the assessment it shall be spent for the maintenance of said acquisitions and improvements, unless the Council shall hereafter determine that said amount or any part thereof shall be applied as a credit to each assessment herein.
