

RESOLUTION NO. 799

OF INTENTION TO CONSTRUCT IMPROVEMENTS

OAK STREET
PROJECT NO. 52-2

RESOLVED, by the City Council of the City of El Paso de Robles, California, that in its opinion the public interest and convenience require, and that it is the intention of said City Council to order the following improvements to be made, to-wit:

1. The improving of Oak Street between 19th Street and 24th Street by grading and the construction therein of a cement treated base pavement with 2-inch compacted asphalt plant mix wearing surface, and Portland cement concrete curbs, gutters and sidewalks, and all work auxiliary thereto necessary to complete the same.
2. All of said work and improvements are to be constructed at the places and in the particular locations, of the forms, sizes, dimensions and materials, and at the lines, grades and elevations, as shown and delineated upon the plans, profiles, and specifications to be made therefor, as hereinafter provided.
3. There is to be excepted from the work above described any of such work already done to line and grade, and marked excepted or shown not to be done on said plans, profiles and specifications.
4. Said City Council does hereby adopt and establish as the official grades for said work the grades and elevations to be shown upon said plans, profiles and specifications. All such grades and elevations are to be in feet and decimals thereof with reference to the datum plane of the City of El Paso de Robles.
5. Notice is hereby given of the fact that in many cases said work and improvements will bring the finished grade to a

second day of July next succeeding ten months from their date.

10. Except as herein otherwise provided for the issuance of bonds, all the work above mentioned shall be done pursuant to the provisions of the Municipal Improvement Act of 1913, as amended.

11. Said Council further declares that all public streets, highways, lanes, courts, alleys within said assessment district in use in the performance of a public function as such, shall be omitted from the assessment hereafter to be made to cover the costs and expenses of said improvements.

12. Said proposed improvements are hereby referred to the City Engineer as the officer having charge and control of the construction of public improvements in and for said City of the kind described herein, he being a competent person employed by said City for that purpose, and said City Engineer is hereby directed to make and file with the City Clerk of said City a report in writing, presenting the following:

(a) Plans and specifications of the proposed improvements to be made pursuant to this Resolution of Intention;

(b) Engineer's estimate of the itemized and total estimated costs and expenses of said improvements and of the incidental expenses in connection therewith;

(c) Diagram showing the assessment district above referred to and also the boundaries and dimensions of the respective subdivisions of land within said assessment district as the same existed at the time of the passage of this Resolution of Intention, each of which subdivisions shall be given a separate number upon said diagram;

(d) A proposed assessment of the total amount of the costs and expenses of the proposed improvements upon the several

subdivisions of land in said assessment district in proportion to the estimated benefits to be received by such subdivisions, respectively, from said improvements, and of the expenses incidental thereto.

13. If any excess shall be realized from the assessment it shall be spent for the maintenance of said improvements, unless the Council shall hereafter determine that said amount or any part thereof shall be applied as a credit to each assessment herein.
