FOR THE PERIOD JANUARY 1, 1983, THROUGH DECEMBER 31, 1983

BE IT AND IT IS HEREBY RESOLVED by the City Council of
the City of El Paso de Robles:

WHEREAS, Section 14.04.020 of the Municipal Code of the
City of El Paso de Robles requires the City Council, from
time to time, with references to said section to set fees
for monthly water service rates; and

WHEREAS, it is prudent to increase the existing user
charges for water used and services rendered to permit the
Water Department to operate in a self sustaining manner; and

WHEREAS, it is now determined that the minimum rate and
the variable rate for all fixed-meter users be charged as
follows:

1. That the water rates to be charged by the City of
El Paso de Robles to its water consumers be at the following
bi-monthly rates:

a. The first 2,000 cubic feet or any fraction
thereof, thirteen dollars and seventy cents (\$13.70).

b. For all usage above 2,000 cubic feet, forty
eight cents (\$0.48) per 100 cubic feet, or fraction thereof.

c. That all accounts being served and located
outside the City limits be billed at the above rates with
twenty-one dollars and eight cents (\$21.08) added thereto.

2. That fees specified herein shall be adjusted
annually based upon the upward or downward movement of the
Consumer's Price Index for Urban Wage Earners and Clerical
Workers, San Francisco - Oakland, California, all items -
Series A (1967 - 100) (index) published by the U.S.
Department of Labor, Bureau of Labor Statistics for any
change above or below the August 1, 1982, figure. In the
event the foregoing index is no longer published, a
comparable index will be used. Final approval of any
increase pursuant to the Consumer's Price Index shall be
subject to Council approval.

3. That a detailed Cost/Revenue analysis must be made
for fiscal year 1984/1985 to adjust the rates upward or

12/10/82

downward as reflected in the analysis; and

4. That the rates herein contained reflect a 5.4% increase over the rates identified in Resolution No. 2659. The rate of increase is obtained from the Consumer Price Index change of August, 1982.

WHEREAS, the above rates shall be charged to each user to recover the sum of total interest costs, operations and maintenance, general administrative and accounting costs.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of El Paso de Robles that the above listed water service charge rates and adjustments to these rates made in accordance with changes in the CPI as herein specified, be adopted to be effective January 2, 1983.
