

RESOLUTION NO. 04-204

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PASO ROBLES
ESTABLISHING REIMBURSEMENT FEES FOR THE CONSTRUCTION OF A
SEWER LINE AND APPURTENANCES IN 18TH STREET (THOMAS)

WHEREAS, on March 25, 2003, the City Planning Commission adopted Resolution 03-028 approving Conditional Use Permit 02-015 located at 1135 18th Street; and

WHEREAS, in accordance with Condition of Approval No. 11 of Conditional Use Permit 02-015, Chris Thomas has constructed a sewer line and appurtenances described in "Exhibit A – Sewer Line Improvements" in order to provide sewer service to his development; and

WHEREAS, the sewer line and appurtenances constructed by Chris Thomas will provide sewer availability to, and will therefore benefit, other properties. Therefore the sewer line and appurtenances qualify for reimbursement pursuant to Title 14, Section 14.08.070 M1b of the Municipal Code which provides that a developer of off-site sewer improvements is entitled to "A pro rata share of the cost of installing all sewer lines and appurtenances beyond the property line of installer where sewer lines are wholly outside the property of applicant and are subject to probable future use by connectors other than applicant"; and

WHEREAS, Chris Thomas has requested that a reimbursement agreement be established in order for other properties to pay their share of the costs of the sewer line and appurtenances, as such proportionate shares have been determined and approved by the City Engineer.

NOW, THEREFORE, BE IT RESOLVED, AS FOLLOWS:

SECTION 1. Based on the staff report prepared by the City Engineer, the City Council finds as follows:

1. That the pro rata eligible amount of reimbursement to Chris Thomas is \$15,185.
2. That the real properties identified in "Exhibit B – Served Properties," are subject to probable future use of said sewer line and appurtenances.
3. That the reasonable reimbursement charge for connection to the sewer line for a single-family residence or one residential unit is \$3,037. In order to reimburse the City for administration of the agreement, the reasonable reimbursement charge for a single-family residence is \$304. This charge is in addition to the reimbursement to Chris Thomas, for a total per unit reimbursement charge of \$3,341.
4. That the City will begin collecting these fees as each parcel connects into the sewer line.
5. That in accordance with Title 14, Section 14.08.070 M5b of the Municipal Code, this reimbursement shall expire (10) ten years from the date of the acceptance of the sewer main.
6. That the reimbursement charges approved by this Resolution are a "condition of development" and are therefore exempt from the guidelines and procedures of Proposition 218 (Article XIIIID Section 1(b) of the California Constitution).

SECTION 2. That the City Council hereby approves and authorizes the Mayor to execute a Reimbursement Agreement in substantially the form attached hereto and incorporated herein by reference, subject to any minor technical and clarifying changes approved by the City Manager and City Attorney. The policy limits of
