**AN ORDINANCE OF THE CITY OF EL PASO  
DE ROBLES ADDING CHAPTER 3.10 TO TITLE 3 OF THE EL PASO  
DE ROBLES MUNICIPAL CODE RELATED TO A  
TRANSACTIONS AND USE TAX TO BE ADMINISTERED BY THE STATE  
BOARD OF EQUALIZATION**

The City Council of the City of El Paso de Robles does ordain as follows:

**Section 1. Authority.** The City Council enacts this ordinance in accordance with the authority granted to cities by Article XI, Section 7 of the California Constitution and Section 7285.9 of the California Revenue and Taxation Code.

**Section 2. Addition of chapter.** Chapter 3.10 is hereby added to Title 3 of the El Paso de Robles Municipal Code to read as follows:

**Chapter 3.10 - TRANSACTIONS AND USE TAX.**

**3.10.010 - Short title.**

This chapter shall be known as the “Transactions and Use Tax” and shall be applicable in the incorporated territory of the City of El Paso de Robles (“city”). This chapter shall complement, and not replace or supersede, the city’s existing sales and use tax, as such tax is described in Chapter 3.08 of Article 3 of the El Paso de Robles Municipal Code.

**3.10.020 - Definitions.**

For the purpose of this chapter the following words terms shall have the meaning given in this section:

“In the city” means and includes all territory within the city limits.

“Operative Date” means the first day of the first calendar quarter commencing more than 110 days after the later of the adoption of this chapter and the approval by the voters of the city of a measure approving the imposition of an increased transactions and use tax; provided that, if the city shall not have entered into a contract with the State Board of Equalization as required by section 3.10.040 prior to such date, the operative date shall be the first day of the first calendar quarter following the execution of such a contract.

**3.10.030 - Purpose.**

This chapter of the El Paso de Robles Municipal Code has been adopted for the following purposes, and directs that the provisions hereof be interpreted in order to accomplish those purposes:

(1) To impose a retail transactions and use tax in accordance with the provisions of Part 1.6 (commencing with Section 7251) of Division 2 of the Revenue and Taxation Code and Section 7285.9 of Part 1.7 of Division 2, which authorizes the city to adopt this tax. This chapter shall be operative if a majority of the electors voting on the measure vote to approve the imposition of the tax at an election called for that purpose.

(2) To adopt a retail transactions and use tax that incorporates provisions identical to those of the Sales and Use Tax Law of the State of California insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.6 of Division 2 of the Revenue and Taxation Code.

(3) To adopt a retail transactions and use tax that imposes a tax and provides a measure therefor that can be administered and collected by the State Board of Equalization in a manner that adapts itself as fully as practicable to, and requires the least possible deviation from, the existing statutory and administrative procedures followed by the State Board of Equalization in administering and collecting the California State Sales and Use Taxes.

(4) To adopt a retail transactions and use tax that can be administered in a manner that will, to the greatest degree possible, be consistent with the provisions of Parts 1.6 of Division 2 of the said Revenue and Taxation Code, and thereby minimize the cost of collecting city transactions and use taxes, and at the same time minimize the burden of record keeping upon persons subject to taxation under the provisions thereof.

**3.10.040 - Contract with state.**

Prior to the operative date, the city shall contract with the State Board of Equalization to perform all functions incidental to the administration and operation of this transactions and use tax ordinance. If the city has not contracted with the State Board of Equalization prior to the operative date, it shall nevertheless so contract and in such a case the operative date shall be the first day of the first calendar quarter following the execution of such a contract. The city council may make any technical amendments to this chapter required by the State Board of Equalization, except for any changes affecting the tax rate, tax methodology, or its manner of collection.

**3.10.050 - Imposition of transactions and use tax – Rate.**

For the privilege of selling tangible personal property at retail, a tax is hereby imposed upon all retailers in the incorporated territory of the city at the rate of one-half of one percent (.5%) of any gross receipts of the retailer from the sale of all tangible personal property sold at retail in the city on and after the operative date of this chapter.

**3.10.060 - Place of sale.**

For the purposes of this chapter, all retail sales are consummated at the place of business of the retailer, unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. The gross receipts from such sales shall include delivery charges, when such charges are subject to the state sales and use tax, regardless of the place to which delivery is made. In the event a retailer has no permanent place of business in the state or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and adopted by the Board of Equalization.

**3.10.070 - Imposition of use tax – Use tax rate.**

An excise tax is hereby imposed on the storage, use, or other consumption in the city of tangible personal property purchased from any retailer on or after the operative date of this chapter, at the rate of one-half of one percent (.5%) of the sales price of the property subject to the tax. The sales price shall include delivery charges when such charges are subject to state sales or use tax regardless of the place to which delivery is made.

**3.10.080 - Adoption of provisions of state law – Generally.**

Except as otherwise provided in the chapter and except in-so-far as they are inconsistent with the provisions of Part 1.6 of Division 2 of the Revenue and Taxation Code, all of the provisions of Part 1 (commencing with § 6001) of Division 2 of the Revenue and Taxation Code are hereby adopted and made a part of this chapter as though fully set forth herein.

**3.10.090 - Adoption of provisions of state law – Limitations; Limitations on collection of use taxes.**

In adopting the provisions of Part 1 of Division 2 of the Revenue and Taxation Code:

(1) Wherever the State of California is named or referred to as the taxing agency, the name of this city shall be substituted therefor. However, the substitution shall not be made when:

(A) The word “State” is used as a part of the title of the State Controller, State Treasurer, State Board of Control, State Board of Equalization, State Treasury, or the Constitution of the State of California;

(B) The result of that substitution would require action to be taken by or against this city or any agency, officer, or employee thereof rather than by or against the State Board of Equalization, in performing the functions incident to the administration or operation of this chapter.

(C) In those sections, including, but not necessarily limited to sections referring to the exterior boundaries of the State of California, where the result of the substitution would be to:

(i) Provide an exemption from this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not otherwise be exempt from this tax while such sales, storage, use or other consumption remain subject to tax by the state under the provisions of Part 1 of Division 2 of the Revenue and Taxation Code, or;

(ii) Impose this tax with respect to certain sales, storage, use or other consumption of tangible personal property which would not be subject to tax by the state under the said provision of that code.

(d) Exemption from Collection of Use Tax. Except as provided in subsection (e), a retailer engaged in business in the city shall not be required to collect use tax from the purchaser of tangible personal property, unless the retailer ships or delivers the property into the city or participates within the city in making the sale of the property, including, but not limited to, soliciting or receiving the order, either directly or indirectly, at a place of business of the retailer in the city or through any representative, agent, canvasser, solicitor, subsidiary, or person in the city under the authority of the retailer.
