WHEREAS, a "Master Plan of Sustainable Opportunities at the Paso Robles Landfill" dated May 2010, was prepared in which it was recommended that tipping fees be increased; and

WHEREAS, a "Solid Waste Franchise Contracts Financial and Operational Audit for Pacific Waste Services" dated July 26, 2011, also recommended that tipping fees be increased; and

WHEREAS, the City has certain ongoing and significant cost and regulatory obligations associated with solid waste operations that must be covered; and
