

TO: HONORABLE CHAIRMAN AND PLANNING COMMISSION  
FROM: RON WHISENAND, COMMUNITY DEVELOPMENT DIRECTOR  
SUBJECT: TIME EXTENSION FOR TENTATIVE PARCEL MAP PR 04-0428  
(WOODWARD & JUDIE DIKE)  
DATE: OCTOBER 24, 2006

Needs: For the Planning Commission to consider the applicant's request for a one-year time extension of PR 04-0428, a tentative map to create two residential parcels.

- Facts:
1. The R2 zoned site is located at 411 Oak Street.
  2. The project was initially approved on September 14, 2004, via Planning Commission resolution 04-110, and was scheduled to expire on September 14, 2006.
  3. A request for a time extension was filed before the September 14, 2006 deadline, automatically extending the life of the tentative tract map for an additional 60 days.
  4. There have been no changes in the General Plan/Zoning Land Use policies or standards applicable to approved development.
  5. Under the State's Subdivision Map Act the applicant is entitled to request up to three one-year time extensions.
  6. This is the applicant's first request for a time extension. If a one-year time extension were granted, the applicant would still be entitled to request two more extensions not to exceed a period of one year each.

Analysis  
and

Conclusion: Staff has reviewed the time extension request and has identified no additional changes are necessary. All existing project conditions would remain in effect.

Policy

Reference: General Plan Land Use Element, Zoning Code.

Fiscal

Impact: There are no specific fiscal impacts associated with approval of this time extension.

Options:                   After consideration of public testimony, the Planning Commission should consider one of the following options:

- a.       Adopt a resolution granting a one-year time extension for Tentative Parcel Map PR 04-0428;
- b.       Adopt a resolution granting a time extension for a shorter period of time;
- c.       Amend, modify or reject the above noted options.
